Revised: Spring 2006 (S=Spring, F=Fall, SU=Summer)

- Students are only admitted to the program if they have an AAS degree from a regionally accredited institution. 60-66 semester hours from the AAS degree granting institution would be typically accepted as transfer credits.

- The maximum number of semester hours at UHD could be 81. Students who have completed some of the courses included in UHD's core curriculum will be transferred. Most students would complete about 60-74 credit hours at UHD.
