

Fast Start Program 2010 July 19-23

Extended Freshman Summer Success Program

This Summer, students participating in the UHD Freshman Summer Success Program have the opportunity to come to UHD for an additional week to get a Fast Start for Fall. Students who place into Beginning Algebra, Intermediate Algebra, College Algebra, or Reading can attend optional classes to:

- **Practice using the math online homework system**
- **Learn the material from the first chapter of your math course**
- **Take practice tests for your math course**
- **Practice your college reading skills**
- **Review to retake the placement test, if desired**

All participants will receive an electronic copy of their math textbook or a \$100 book gift certificate, plus a free copy of the common freshman text *Outliers: The Story of Success*. Fast Start classes are offered the week of July 19 – July 23 at the following times:

- **Beginning Algebra, 8:30 - 10:00 a.m.**
- **Intermediate Algebra, 8:30 - 10:00 a.m.**
- **College Algebra, 10:15 - 11:45 a.m.**
- **Reading, 10:15 - 11:45 a.m.**
