Comparative data is as of the same point. Graduate Certificate only students are included in internal (and federal) reports as Graduate students. In state reports they are considered post baccalaureate students. This report includes students who are non-resident, located out of state, taking only online classes that could not be included in state reports per their instructions (2018: 1 student and 2019: 1 student).

<sup>1</sup> Undergraduate/Post Baccalaureate students enrolled in Graduate level courses are included in Undergraduate figures and Graduate students enrolled in Undergraduate courses are included in Graduate figures. Note: UHD uses fail numbers as OFFICIAL university figures.

<sup>1</sup> Effective Fall 2017, these departments have been reorganized. To enable easier comparison over time the previous years' information has been put into the current department structure. <sup>2</sup> The Computer Information Systems (CIS) and Enterprise Information Systems (EIS) majors are being phased out, students in these majors can decide to finish or change over to the new Management Information Systems (MIS) major, introduced Fall 2016. To allow for more quick comparisons, a subtotal combining CIS/EIS/MIS has been added. <sup>3</sup> The Professional Writing degree is being phased out, and students in this program can decide to finish it or change over to the new Technical Communication degree. This report includes students who are non-resident, located out of state, taking only online classes that could not be included in state reports per their instructions (2018: 1 student).
