

Welcome to the University of Houston-Downtown's online community. Our online services support team is looking forward to assisting you with a great learning experience during this semester.

Please take the time to view our Student e-services web page at www.uhd.edu/eservices. Be sure to check the "My Personal Data" button to obtain important account information such as your Username/ID and password/PIN to login to our network, use GatorMail and/or Vista (if you are enrolled in an online course).

If you are taking an online course, visit the Vista student resources page at http://www.uhd.edu/uhdonline/student_resources.htm for Quick Facts about using Vista. You'll also want to check your browser settings before using Vista. Go to <http://vista.uhd.edu> and click on the "check your browser settings" link.

Thank you for using UHD's online services. Be sure to check your GatorMail and our website for useful information and important instructions from our support team and your professor.

Sincerely,

UHD Online Support Team
