

Bachelor of Science in Nursing (120 hours)

This table shows a sample recommended course sequence for this degree based on the **UHD 2024-25 Undergraduate Catalog**. Students should verify degree requirements and registration plans with an advisor to ensure accuracy. Please note that some degrees and colleges have specific GPA and other requirements. Courses with asterisks (*) indicate Common Core courses.

The BSN degree is a completion degree which requires students who enter the program to have an associate's degree in nursing and an RN licensure prior. The courses below are the specific courses UHD that eligible students must take to complete the BSN. In addition, if students who join the program have not completed their common core requirements, they will need to complete those courses as part of the BSN degree.
