Course Recommendations and Student Acknowledgement

The MDCOB is willing to allow course retake(s) ONLY to improve your GPA. At the very least, you MUST earn a C average during the Probation Term. Our goal is (1) to get your GPA back to 2.0 or above and (2) Your goal is to demonstrate that another poor semester will *never* occur.

Student Acknowledgement

“Academic probation is a warning to the student that his or her academic record has been unsatisfactory. A student is placed on academic probation at the end of any term in which his or her cumulative UHD GPA falls below 2.0. The cumulative UHD GPA for academic probation is computed on grades earned at UHD. Grades of I, IP, S or W are not counted. See the Grading System and Standards section of the catalog for additional details on grades that count toward the UHD GPA.

Students on probation must maintain a UHD term GPA of 2.0 or above in each term in which they are enrolled until their cumulative UHD GPA reaches 2.0 or above. Students whose overall GPA falls below 2.0 for two consecutive semesters will be dismissed from the Marilyn Davies College of Business. Only courses taken at UHD will remediate the cumulative UHD GPA. A student returns to good academic standing after his/her cumulative UHD GPA reaches 2.0 or higher.” 2019-20 University Catalog

I understand that I am on academic probation and the consequences that exist if my overall GPA falls below 2.0 for two consecutive semesters. I know what I must do to get back in good academic standing, and I am committed to my academic success. Finally, I understand that if I do not follow the advisor’s recommendations, I do so at my own risk.
