

Re: UHD Davies COB Career Center COVID-19 Update, Fall 2021

Dear UHD MDCOB Employer,

The University of Houston-Downtown continues to exercise caution regarding the COVID-19 pandemic, and we will continue to incorporate a variety of instructional formats, including face-to-face, hybrid, and online coursework. [Visit this page for the most up-to-date information on university operations.](#)

In response to continued employer travel restrictions and to limit in-person interactions with individuals from outside the university community, the UHD MDCOB Career Center will continue to facilitate employer engagement opportunities in a virtual capacity TFN. We have utilized a virtual platform for career fair and recruiting events. We have announced our Fall 2021 career fair and student engagement opportunities. Our plan is to provide a hybrid of produced events in both face-to-face and virtual platforms. We look forward to seeing you very soon!

The UHD MDCOB Career Center team wants to reassure you that we will continue to provide a high-level of services as you continue to recruit UHD students and alumni for full-time jobs and internships.

As an employer, you may access our GatorHiRED! system at www.uhd.edu/gatorhired anytime from anywhere to post positions.

The Career Center will share updates on our website at www.uhd.edu/cobcareer, social media, and uhd.edu. We will continue to provide ongoing support to our students, alumni, and employer communities. If you require any assistance or further information, please do not hesitate to contact us at cobcareercenter@uhd.edu or call us during regular business hours, Monday–Friday 8am-5pm at 713.221.5011.

Thank you for your understanding and continued support of our college.
