WHEN ONE AMERICAN IS NOT WORTH THE EFFORT TO BE FOUND WE AS AMERICANS HAVE LOST

REMEMBER THOSE LOST AND FALLEN UPHOLDING THE PROMISE OF FREEDOM
Đại Tượng Niệm Quần, Dân, Cán, Chính VNCH và Đồng Minh

To the eternal memory of

The freedom loving people of South Viet Nam,

our valiant service men, political cadres and civilian employees

who fought relentlessy against the communist aggressors,

and our courageous American comrades-in-arms who sacrificed

themselves for freedom and democracy.

"... We would like to thank the communist parties and working class of the countries in the world, national liberation movements, nationalist countries, peace-loving countries, international democratic organizations, and progressive human beings, for their wholehearted support, and strong encouragement to our people's patriotic resistance against the US, for national salvation."
