Please answer the following questions in a written essay. Please limit your response to 1,000 words.

Why are you applying to the University of Houston-Downtown’s Master of Science program in Criminal Justice, and how does this pursuit relate to your career goals? What are your assets that will serve you well in the MSCJ program? What weaknesses will you have to address while you are in the MSCJ program? What professional or research interests do you have in the field of criminal justice, and how do you plan on incorporating these interests into your work in the MSCJ program?
