UHD Student Support Resources

Math & Stats Center (N925):
The Math Center is staffed with mathematics faculty and student assistants, and offers tutoring, calculators, computer access, and other types of aides on a walk-in basis. Visit the Math Center throughout the semester, no appointment required. It is also an excellent place to work on homework problems, so that you can receive immediate help as necessary. Help available for 1000-level MATH courses and STAT courses.Visit the Math Center throughout the semester, no appointment required. It is also an excellent place to work on homework problems, so that you can receive immediate help as necessary. Help available for 1000-level MATH courses and STAT courses. https://www.uhd.edu/academics/university-college/mss/Pages/default.aspx

Writing and Reading Center (N925):
The Writing and Reading Center offers face-to-face or online individual consultation sessions with tutors to help students build the writing and reading strategies they need to succeed. Schedule an appointment at https://www.uhd.edu/academics/writing-center/Pages/writing-center-index.aspx

Learning Connection & Supplemental Instruction (S405):
The Learning Connection offers regular, informal study sessions led by trained student tutors (called Supplemental Instruction Leaders) where small groups of students review notes, discuss readings and homework, and prepare for tests. Visit https://www.uhd.edu/academics/university-college/centers-offices/supplemental-instruction/Pages/default.aspx

Academic Computing Labs (S800, C300, B200):
Visit these labs for access to PC’s and the Internet. Also laptop checkout, scanners, and printers are available in these locations. See http://www.uhd.edu/computing/acl/ for more information and schedules.

Library (S500, N400):
Need help? Ask a librarian! There are several help options to contact a librarian on the library’s homepage http://www.uhd.edu/library Look for the help options on the right hand side. You can always call the Information Desk at 713-221-8187 during library hours. A librarian is at the desk whenever the library is open.
Science Learning Center (N604):
The Science Learning Center at the University of Houston-Downtown, located in Room N-604, is a state-of-the-art, multipurpose facility dedicated to the support of science learning and teaching at many levels. The center offers a wide variety of UHD science courses, special precollege courses, teacher professional development programs, and tutoring for science courses.  [https://www.uhd.edu/academics/sciences/natural-sciences/Pages/SLC-index.aspx](https://www.uhd.edu/academics/sciences/natural-sciences/Pages/SLC-index.aspx)

Collaborative Learning Community Center (S735):
The aim of the CLCC is to tutor and mentor all Mathematics, Computer Science, Science, and Engineering scholarship recipients, Mathematics majors, and/or Computer Science majors who are enrolled in Mathematics and Computer Science courses. As students collaborate, the younger scholars will learn to be the best they can be from the examples set forth by our upper classmen. Help available for 2000+ level MATH courses and CS courses.  [http://cms.uhd.edu/Faculty/NakamuraM/Scholars/CMSCLCC.htm](http://cms.uhd.edu/Faculty/NakamuraM/Scholars/CMSCLCC.htm)

College of Business Tutoring Center (B212 & B214):
The College of Business Tutoring Center is a program designed to provide all College of Business students with the academic assistance they need to complete their courses. The service is offered free of charge to all College of Business students. The Tutoring Center is staffed with Instructors and highly qualified peer tutors who have successfully completed the courses they are tutoring. The tutors are available to students who many need additional help with their classes. The Tutoring Center offers a drop-in program, where appointments are not needed. The Tutoring Center is located in rooms B212 & B214. You may call us at 713-221-8661.  [https://www.uhd.edu/academics/business/centers-institutes/Pages/business-tutoringcenter.aspx](https://www.uhd.edu/academics/business/centers-institutes/Pages/business-tutoringcenter.aspx)

The Foreign Language Lab (N950):
The Foreign Language Lab provides the necessary technology and space for students studying French and Spanish. All beginner Spanish courses meet at the lab at least once a week as part of their class in order to practice the language using interactive online activities. The Lab provides tutoring for French and writing-intensive Spanish classes. In addition, on-site tutors are available (M–Th) for students in SPAN 1401, 1402, 2301, and 2302. Students can also use the lab to write Spanish papers and other homework. Call 713-221-8104.  [https://www.uhd.edu/academics/humanities/current-students/Pages/Foreign-Language-Lab.aspx](https://www.uhd.edu/academics/humanities/current-students/Pages/Foreign-Language-Lab.aspx)

Social Sciences Statistics Lab (N1085):
The computer laboratory in the Department of Social Sciences has personal computers that have standard statistical analysis software (SPSS and PSPP) for student use. This space is utilized
for instructional purposes and for open use. The lab is monitored by a student worker, who also serves as a stat tutor for several courses, including PSY 3321 Behavioral Statistics; PSY 4312 Advanced Statistical Analysis; SOS 3312 Statistics in the Social Sciences; and UHD 1306 Freshmen Seminar. Call 713-221-8020.

Library Self-Help Online Tutoring Resources:
UHD online self-paced tutoring resources for writing, science, and math, which includes e-books, videos, websites, and contact information to campus resources.

Office of Disability Services (GSB314):
Disability Services at the University of Houston-Downtown is committed to student success. In alignment with the University's overall efforts, the Office of Disability Services strives to empower students, foster independence, and improve academic achievement and career
development. Our staff, along the UHD community, helps students to discover, develop, and reach their full academic potential and abilities. You may call us at 713-226-5227.

https://www.uhd.edu/student-life/disability/Pages/disability-index.aspx

Center for Student Equity, Diversity, and Inclusion (S370):
The Center for Student Diversity, Equity, and Inclusion serves the UHD community by leading efforts to support and enhance diversity, equity, and inclusion on our campus and to leverage the rich diversity of our campus community to the benefit of our students. We offer workshops and programming in support of diversity and inclusion initiatives, provides resources and expertise for students and faculty interested in addressing diversity, equity, and inclusion in their academic work, and offers advising, mentoring, and advocacy to diversity-oriented student organizations, as well as to individual students. You may call us at 713-221-5008.

https://www.uhd.edu/student-life/csdei/Pages/csdei-index.aspx

Career Development Center (S402):
Whether you are choosing a major, searching for that perfect job or preparing for graduate school, the Career Development Center is here to offer the coaching and guidance you need. Our professional career counselors are ready and willing to assist you in exploring the next chapter of your life, so start your journey with us. You may call us at 713-221-8980.

https://www.uhd.edu/student-resources/career/Pages/career-index.aspx

Student Organizations (S204):
With over 50 student organizations, the Office of Student Activities & Events works diligently to serve diverse needs of our students. From honor societies and Greek organizations, to cultural and social groups it is easy to get involved on campus. Contact a member of our staff if there is not an organization that fits your needs and we will be happy to help you get it started!
