

Have you traveled internationally?

YES

Report international travel on **Travel Form** and self-monitor/quarantine per CDC guidelines.

NO

People with COVID-19 exhibit a wide range of symptoms ranging from mild symptoms to severe illness. Symptoms may appear **2 -14 days after exposure to the virus**. People with these symptoms or combinations of symptoms may have COVID-19: Cough, Shortness of breath or difficulty breathing. Some people with COVID-19 will have a combination of two or more of the following symptoms: chills, fever, muscle pain, headaches, sore throat, or a sudden loss of taste or smell.

YES

Do you have COVID-related symptoms?

Report symptoms on **COVID Diagnosis Form**. Follow CDC Guidelines related to illness and isolation. Do not come to campus with COVID-19 symptoms. Notify your supervisor or professor. Seek appropriate medical care. Students can contact Student Health Services at 713-221-8137. Submit a **Request to Return to Campus** when you no longer have symptoms.

NO

Have you been diagnosed with COVID-19 by a medical professional or via a COVID-19 test?

YES

Report a COVID-19 diagnosis on the **COVID Diagnosis Form** and follow medical professional and/or CDC guidance. Submit a **Request to Return to Campus** prior to returning to campus.

NO

Have you had contact with someone who has COVID-19?

YES

Submit an **Exposure Form**. Monitor for symptoms. If you develop symptoms, follow arrow on the right. If you do not develop symptoms, submit a **Request to Return to Campus** when quarantine has ended.

NO

Continue to follow recommended CDC and UHD Guidelines. Complete mandatory UHD training through TAP.
