Phone: 877-227-3115

- Online registry of private service providers for individuals or families who are seeking caregivers for child care.
- If more detailed information about caregivers is required, including background check information and references, users must upgrade to a premium registration.
- The fees for the premium registration currently are: \$35 to \$51 for one month, \$70 to \$94 for three months and approximately \$156 for an annual subscription but vary depending on the location where care is needed.
- Pricing information is subject to change.
- To access caregivers, visit the website and enter a zip code in order to sign up/register for services and to access caregiver profiles.
