1. PURPOSE

This document outlines the circumstances under and the process by which a Purchase Requisition should be submitted to the Purchasing Department. The system described applies to purchases utilizing all University of Houston-Downtown (UHD) funds, regardless of dollar amount.

2. DEFINITIONS

- 2.1 Purchase Requisition: A purchase requisition is a form completed through Workflow in the PeopleSoft Finance system. Upon completion of the requisition and approval by the appropriate signature authority, the form is submitted to the Purchasing Department through Workflow to initiate a purchase.
- 2.2 Request for Change Order: A form used to request a change to an existing purchase order. The form is completed, approved, and submitted via email to the Purchasing Department to initiate the change order.
- 2.3 Rush Requisition: A requisition marked "RUSH" which upon delivery to the Purchasing Department will receive priority treatment by the Purchasing staff. Purchasing staff must be notified through email by the department head explaining the RUSH.

3. POLICY

- 3.1 UHD's Purchasing Department has been delegated the authority and responsibility for routine purchases of supplies, equipment, and services for the University (See [SAM 03.B.01, Purchasing Guidelines](#) and [PS 05.C.02, Procurement Options-Outside Vendors.](#))
- 3.2 The following purchases must be requested through the Purchasing Department on a purchase requisition, regardless of the dollar amount:
 - 3.2.1. Equipment lease or maintenance agreements
 - 3.2.2. Radioactive materials, x-ray machines, Class 3b and 4 lasers, biological safety cabinets, and other hazardous materials
 - 3.2.3. Vehicles

- 3.3 Goods and services costing more than \$3,000.01 per transaction using federal funds and more than \$5,000.01 per transaction for all other funds (i.e., non-federal funds), including freight and shipping.
- 3.4 The State of Texas has awarded term contracts that are available for use by all state agencies and institutions of higher education. For information, regarding what items are available on state term contracts, contact the Purchasing Department. When using a state term contract, a requisition must be submitted to the Purchasing Department regardless of dollar amount.
- 3.5 There are several contracts available that UHS can use when purchasing items. When using these contracts, it is not necessary to bid the purchase. However, Purchasing may bid items if it is considered in the university's best interest. Some examples of contracts are: UHS, E&I Cooperative Service Inc., Department of Information Resources (DIR), TXMAS, U.S. Communities, The Cooperative Purchasing Network (TCPN), etc. Contact the Purchasing Department for more details.
- 3.6 Due to Senate Bill 20, UHS requires a requisition for goods and services when a contract is needed regardless of the dollar amount. The only exceptions are revenue and zero dollar contracts.

4. PROCEDURES

- 4.1 A university department initiates a purchase by submitting a Purchase Requisition through Workflow to the Purchasing Department. Any needed changes after the initial purchase is complete may be requested by submitting a [Change Order Request form](#).
- 4.2 Certain types of purchases require the approval of individuals other than cost center managers. See [Required Prior Approvals](#).
- 4.3 The [Addendum C](#) for purchase requisitions exceeding \$100,000.00 must be completed and approved. After the final approval is obtained, the requisition and the [Addendum C](#) should be returned to Purchasing Department for processing.
