 - a. [iPhone & iPad](#)
 - b. [Android](#)
2. Tap Already a Member
3. Tap on Organization at the top of your screen
4. Go to Web Portal, type in www.uhd.edu and tap Log In
5. Sign in using your UHD network ID and password.

The screenshot shows the login page for the University of Houston Downtown (UHD). At the top is the UHD logo with the text "University of Houston DOWNTOWN". Below the logo is the heading "UHD Web Authentication Service". A message states: "The authentication process with our third party service providers may take a few seconds. Please be patient." Below this, it says "To ensure a successful login, please note the following:" followed by two bullet points: "* Make sure that your browser has cookies enabled." and "* Do not click the back button on your browser." The instruction "Use your UHD Network Account and Password to log in." is followed by two input fields: "Network Account" and "Password". Below the password field is a small asterisk and a link "> Forgot your password?". A red "Login" button is positioned below the links. At the bottom, there are two links: "> Login trouble? -- contact the Help Desk at 713-221-8031" and "> UHD Computer Access, Security and Use Policy".
