## Lee College & UHD

### Bachelor of Science in Psychology

#### 2012-2013

Students pursuing a Bachelor of Science degree in Psychology at the University of Houston-Downtown are strongly encouraged to complete an Associate degree before transferring to UHD. The Associate degree provides a solid foundation through the traditional liberal arts education, and Associate degree core curriculum courses taken at Lee College will transfer to UHD. Studies indicate students who complete an Associate degree are more likely to successfully complete a Bachelors degree.
