

# Office 365

PROFESSIONAL PLUS

**What is it?** – Office 365 Professional Plus allows University of Houston-Downtown students to run Office products on up to 5 machines and mobile devices including PC, Mac, Android, and iOS.

**What is included?** – Word, Excel, PowerPoint, OneNote, Access, Publisher, Outlook, Lync, InfoPath

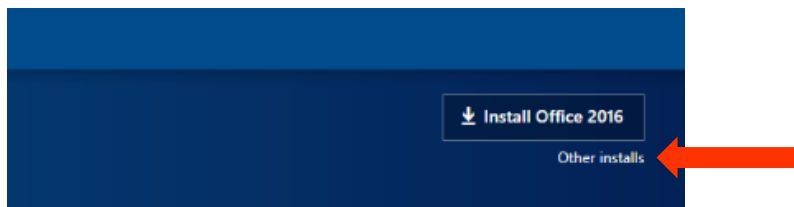

**What's the catch?** – There isn't one, honest. Logon and see for yourself.

Let's get started...

**Step 1:** Logon at <http://www.uhd.edu/computing/o365.html> and click the Office 365 link in the menu bar.

**Step 2:** Click Other installs.

**Step 3:** Choose your language and click Install.
