Viewing Blackboard Test Results

After taking a test in Blackboard, a student can access the grade earned through the My Grades area within a Blackboard course.

1. From the My Grades area, find the test in the list of grades and click the title of the test.

![My Grades Image]

2. The next screen gives additional information about the grade earned. To view the test questions, click on the calculated grade.

![View Attempts Image]

3. The information about each question of the test will vary according to what viewing options were chosen by the instructor.
