

Want to ensure that your assignment was submitted correctly? Here's how to check:

1. Navigate to the assignment again and click the title of the assignment.

2. You will be taken to the *Review Submission History* page.
3. You will be able to see:
 - a. The assignment details and the grade for the assignment, if it has been graded.
 - b. Each attempt you have submitted or saved as drafts.
 - c. Your current Submission.
 - d. The option to create another attempt, if your instructor has given multiple attempts for the assignment.

4. Once you have finished reviewing your assignment, click **Ok**.
