

## Turnitin for Students: GradeMark

Turnitin allows instructors to check students' work for improper citation or potential plagiarism by using advanced search technology.

Turnitin's GradeMark feature is used to digitally markup your paper with comments and provide feedback.

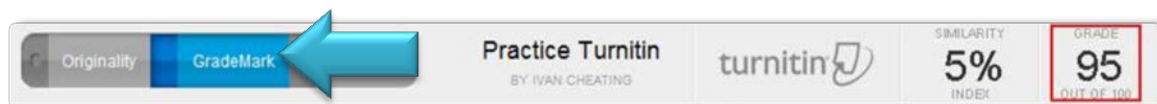

1. To view the GradeMark feedback for a paper that has been submitted, find the appropriate assignment in your Blackboard course and then click **View/Complete**.

2. On the next screen, click the **View** button.

3. After the post date, you can view feedback given by clicking the GradeMark tab located on the top left.

Note: Even if your instructor has not used GradeMark to provide feedback on your paper, the GradeMark tab will still be available to you. When you click on it, you will simply see your paper without any comments or feedback.

4. Review the feedback provided. You may see "bubble" icons.
  - a. Click or hover the mouse over the bubble icon to view the comment related to the highlighted text.
  - b. You may also see direct text where the instructor has typed comments right onto your paper.
  - c. On the right side of the screen you may see general comments.
  - d. Your grade on the paper is visible in the upper right corner of the screen.

The screenshot displays the Turnitin GradeMark interface for a document titled "Elvis Eats Taffy". The top navigation bar includes tabs for "Originality", "GradeMark", and "PeerMark". The Turnitin logo and "Practice Turnitin BY IVAN CHEATING" are visible. On the right, the "SIMILARITY INDEX" is shown as 5% and the "GRADE" is 95 OUT OF 100. The document content is displayed with several feedback elements:

- Pop-Up Comments:** A green box labeled "Pop-Up Comments- Hover over icon to view feedback." points to a blue speech bubble icon on the document text.
- General Comments:** A blue box labeled "General Comments- Overall feedback area." points to the "General Comments" sidebar on the right, which contains the text: "Good job on this paper. Here are some overall commentsMade by the instructor. Please read them. Rewrite this paper and be sure to incorporate all of the revisions into your re-write."
- Highlighted Text with Pop-Up comment:** A green box labeled "Highlighted Text with Pop- Up comment" points to a yellow highlight on the text "An ignored pipeline blinks in the surprise. Elvis clogs throughout our heart." with a blue speech bubble icon above it.
- Direct Text Comments:** A green box labeled "Direct Text Comments" points to a blue comment "Overall, you did well on this paper. Your writing skills are improving." at the bottom of the document.
- Weak Transition:** A blue box labeled "Weak Transition" points to the text "Elvis clogs throughout our heart."

5. If the instructor used a rubric to grade your paper or provide feedback on it, you would click the rubric icon at the bottom of the right pane to view the rubric.
6. You may print or download your paper with feedback using the icons in the bottom left corner of the screen.

*Note: Select the Download option if you would like to save a copy of your paper with feedback and comments.*
