

Taking Tests/Quizzes

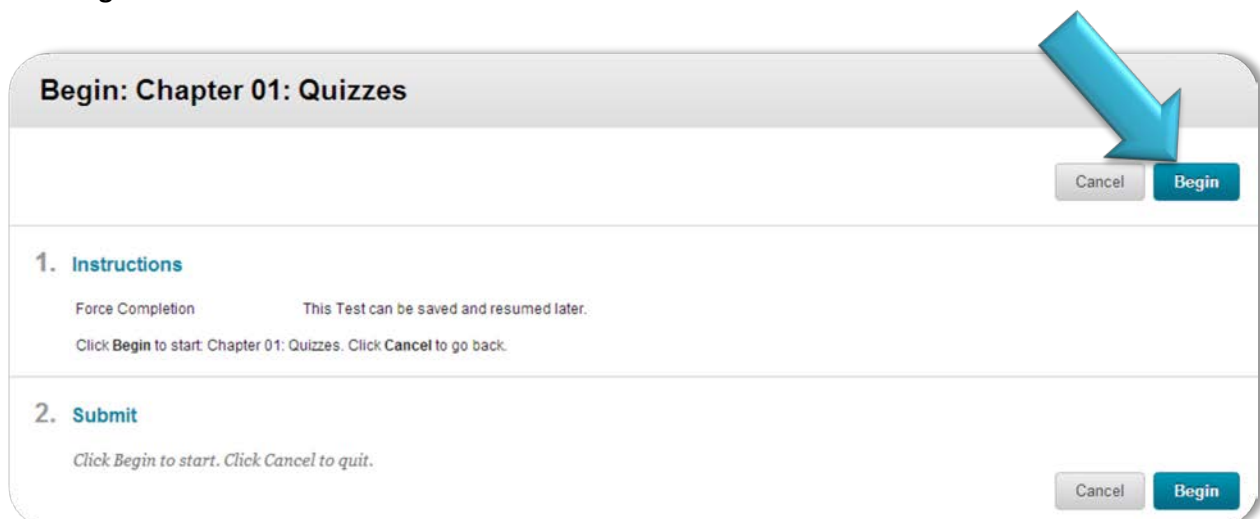

The **Test** tool allows students to take tests/quizzes/exams or complete surveys online. Instructors can place Test, Quiz, Exam or Survey links in any content area, although some may have created an **Assessments area** in the **Course Tools Menu**. Your instructor will identify where in your Blackboard course a Test is available and when to begin the Test.

Note: More information about Tests can be found on Blackboard's Best [Test Practice Page](#).
