How to Develop a 5-Year Career Plan

Having a long-term plan for your career can help you reduce career-related stress, increase your perceived employability, and allow you to connect more deeply with your purpose. But how do you move beyond yearly career goals and create a five-year plan?

Got a gap in your resume? Own it, say workplace experts

The most important thing a candidate should do is to always shift the focus from the reason for a break to what they’ve learned or achieved during the hiatus. One workplace expert puts it this way: “This is your time to flip the script.”
