

Master of Security Management (MSM) Scholarship

The primary goal of the scholarship is to support students who have the capability not only to succeed in the MSM graduate program but who have the potential to succeed in becoming top security management professionals. The amount of any scholarship is contingent upon available funds, the number of applicants, and the relative merits of the candidates.

Eligibility: To be eligible for a scholarship, a student must have been formally accepted into the MSM program and be registered for MSM courses.

To apply: Complete the **application form**, below and follow the directions concerning a **letter explaining the financial impact** this scholarship award would have on your personal and career goals.

The application is not considered complete until all required documents have been received.

Criteria

In addition to and in coordination with the material in the scholarship application packet, the following information will be considered for scholarship awards:

- Academic and/or professional preparation and experience in the field of study based on material (transcripts and letters of recommendation) submitted with application to the program
- Impact of the scholarship on the applicant's career
- Impact of the applicant's contribution to the program
- And for continuing students in the program who are either new applicants or applicants seeking a renewal of a scholarship, the student's academic performance and progress in the program.

The MSM Scholarship Committee makes its recommendations to the department chair who will make decisions concerning the recipients, the amount, and the length of time of any awards.
