

Resolution on past actions in deleting a major  
Passed by UH-D Faculty Senate  
April 3, 2007

Whereas:

The University Curriculum Committee and Academic Affairs Council were not involved in the approval of dissolution of the major and minor in ADM, hence violating the spirit of shared governance,

Be It Resolved

The University Leadership (Dean, Provost, and President) subject the proposed change in (dissolution of) major and minor in ADM to the same internal process as the creation of a major or minor.
