Police Department
One Main Street
Houston, TX 77002

REGISTRATION LINK:

[Houston FREE 24 – HR SFST
Practitioner Course –
Texas SFST](#)

ADDITIONAL INFORMATION:

This is a three day, 24-hour course that will require full participation and demonstration.

Wet labs with live drinkers will be utilized in this course to give officers “real life” experience and practice in administering the SFST test battery.

A limited number of spaces will be available and classes will fill quickly. Cadets are not eligible to attend this course.

The Texas SFST Training Program offers a FREE 24-hour Standardized Field Sobriety Testing Practitioner Course (TCOLE 2067).

This training course uses the NHTSA and IACP nationally standardized curriculum and prepares Texas Peace Officers to administer and interpret the results of the Standardized Field Sobriety Testing battery.

This course is offered to bridge the gap in officers who attended or enrolled in the Basic Peace Officer Course in Texas prior to January 1, 2005 when this course was mandated to be included in all Texas BPOCs.

Our goal is to ensure all Texas Peace Officers receive this important training, in an effort to reduce alcohol-related crashes, injuries, and deaths by promoting DWI deterrence and enforcement proficiency. Any currently certified Texas Peace Officer who has never completed this course, and/or attended the BPOC prior to January 1, 2005 is eligible to register.
