

## Adding Feedback to a Question in New Quizzes

You can add feedback to any question created with New Quizzes. Students can view your feedback when they view their results after submitting a quiz. In addition to general feedback, students will see all feedback comments relevant to their answer choices.

You can also add feedback to any answer choice when creating a Multiple Choice question or customize feedback to display upon quiz completion.

### 1. Edit Question

1 Matching 1 point

1 Match the state to its capital.

Delaware	Dover
New Jersey	Trenton
Maryland	Annapolis

Locate the question where you would like to add feedback [1]. Click the **Edit** icon [2].

### 2. Open Feedback

Match the state to its capital.

Delaware	Dover	🗑️
New Jersey	Trenton	🗑️
Maryland	Annapolis	🗑️

Click the **Feedback** icon.

### 3. View Feedback

1 For a correct answer

Edit View Insert Format Tools Table

12pt Paragraph B I U A T<sup>2</sup> [Link] [Image] [Media] [Table] [List] [Indent] [Outdent] [Undo] [Redo] [More]

p [Feedback icon] [Info icon] 0 words </> + - ↗ ⋮

2 For an incorrect answer

Edit View Insert Format Tools Table

12pt Paragraph B I U A T<sup>2</sup> [Link] [Image] [Media] [Table] [List] [Indent] [Outdent] [Undo] [Redo] [More]

p [Feedback icon] [Info icon] 0 words </> + - ↗ ⋮

3 Provide general feedback (regardless of answer)

Edit View Insert Format Tools Table

12pt Paragraph B I U A T<sup>2</sup> [Link] [Image] [Media] [Table] [List] [Indent] [Outdent] [Undo] [Redo] [More]

p [Feedback icon] [Info icon] 0 words </> + - ↗ ⋮

Cancel Done

Student feedback can be customized to display feedback for correct answers [1] or incorrect answers [2]. You can also display the same feedback for all answers [3].

### 4. Add Feedback

To add feedback, use the Rich Content Editor to create customized feedback [1]. Your feedback can include images, media, or links [2].

For a correct answer

Edit View Insert Format Tools Table

12pt Paragraph B I U A T<sup>2</sup> [Link] [Image] [Media] [Table] [List] [Indent] [Outdent] [Undo] [Redo] [More]

1 [Text area]

p [Feedback icon] [Info icon] 0 words </> + - ↗ ⋮

### 5. Save Feedback

Cancel Done

To save your feedback, click the Done button.
