

### Mission

The UHD CTLE aims to support student success by providing targeted faculty support, promoting evidenced-based instructional strategies, and cultivating an innovative and collaborative learning environment at UHD. The center's ongoing initiatives aim to achieve the student success objectives outlined in the UHD Strategic Plan and to support the University's continual growth and development as a vibrant teaching and learning institution.

### Objectives

Promote evidence-based instruction through fostering a collaborative culture of teaching excellence.

Increase success in various innovative center initiatives.

Improve the quality of Online Courses.

### Population Served & Impact:

N=112

The center provides support to all full-time and part-time faculty at UHD. In FY'20, we reached 46.3% of all faculty with at least one service.

### Services

Instructional Design Support

Graphic Design Support

Video Production Support

### Current Projects

Faculty can choose from a variety of active CTLE programs each year, ranging from intensive year-long programs to short video tutorials.

**Workshops & Events**  
Lunch & Learn Series
