Career Partnerships for Great Gators

The University of Houston-Downtown Marilyn Davies College of Business is driven to serve students by facilitating meaningful connections with Houston’s employer community. The college is proud to partner with employers, large and small, to support the recruitment of interns and graduate hires. While access to the UHD Marilyn Davies College of Business Career Portal, GatorHIRED (www.uhd.edu/GatorHIRED), is available to qualified employers at no cost, enhanced career programming is made possible through the commitment of dedicated employer partners.

The Career Center at the Marilyn Davies College of Business is actively seeking partners who will give their time and make financial investments to connect students with the skills and perspectives that will help them make meaningful contributions in their careers. With an eagerness to empower its partners, UHD offers employers a significant opportunity to take part as a Main St., Gator, or Skyline Partner:
