Message from the President

Dear UHD Faculty, Staff and Students,

The University of Houston-Downtown continues to be the “university of choice” for an increasing number of Houstonians. While we pride ourselves on providing a first-class academic experience to our Gator family, the health and safety of our Gators remains the No. 1 priority.

Since arriving at UHD, I have been impressed by the many safety and security measures that have been put in place. Beyond the efforts of our UHD Police Department, many offices and departments work together to make our campus one of the safest in the Houston area if not the state. Likewise, the cooperation of the entire University Community plays a role in safeguarding our campus.

Now more than ever, UHD is relying on all of its Gators to work together. COVID-19 has presented circumstances no one could have predicted, and all of us must do our part to protect ourselves and each other from this unpredictable virus.

This Annual Security Report reflects your ongoing commitment to creating a secure learning environment. With that in mind, I would like to thank all of you for supporting your university and working to ensure the safety of current and future Gators.

Sincerely,

Dr. Antonio D. Tillis
Interim President, University of Houston-Downtown

Message from the UH System Clery Act Coordinator

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act or “Clery Act” was born out of one family’s tragedy in 1986. Today, the Clery Act is used by the Department of Education and universities across the United States to allow members of the community to review the university’s annual crime and fire statistics, emergency response procedures, and crime prevention policies through the annual publication of the Annual Security and Fire Safety Report. The University of Houston System is dedicated to ensuring accuracy, transparency, and care for our university communities in all aspects of Clery Act compliance. The Annual Security and Fire Safety Report is meticulously assembled by our team of Clery Act professionals across the UH System, whose goal is to ensure all current and prospective students, employees, and guests have safety and security resources readily available in one easy to reference package.

Thank you for taking the time to review our world class universities and programs. We hope to see you soon!

Jason Marquez
UH System Clery Act Coordinator

In 1990, George H.W. Bush, the 41st President of the United States, signed into law The Crime Awareness and Campus Security Act. The Act was designed to assist a campus community in making decisions which affect their personal safety by requiring institutions of higher education to provide certain campus security information to current and prospective students and employees annually on October 1st.

In 2008, the Higher Education Opportunity Act (HEOA) reauthorized and expanded the Higher Education Act of 1965. The HEOA amended the Clery Act and created additional safety and security related requirements for institutions.

In 2013, Barack H. Obama, the 44th President of the United States, signed into law a reauthorization of the Violence Against Women Act (VAWA), and included in the reauthorization the Campus Sexual Violence Elimination Act (Campus SaVE Act). These additional measures amended and strengthened the Clery Act and provided additional rights to victims of sexual assault, dating violence, domestic violence, and stalking.

The decades long continued refinement and strengthening of policies meant to protect a university’s community, and to ensure transparency in all matters that affect the safety and security of students, employees, and visitors is the aim of the Clery Act.

Creation of the Annual Security Report

Each year, the University of Houston-Downtown Police Department, under the supervision of the University of Houston System Clery Act Coordinator, collects, classifies, and counts crime reports, crime statistics, and disciplinary referrals for crimes as specified in the Clery Act, that occur (1) on campus; (2) in campus residential housing facilities; (3) within public property, including thoroughfares, streets, sidewalks, and parking facilities, that is within the campus or immediately adjacent to and accessible from the campus; and/or (4) on certain non-campus property.

Once the crime statistics have been gathered from internal university sources, and external law enforcement agencies, the crime statistics for the last three calendar years are included in the annual security report containing safety and security policy statements.

About The University of Houston-Downtown Police Department

The UHD Police Department is composed of
commissioned police officers who are granted the
authority and responsibility to investigate all crimes
occurring on the property owned or controlled by
the University. As with any University police agency
in the State of Texas, our police officers have jurisdic-
tion in any county within the State in which the
University has property that is owned, leased, rented,
or otherwise under the control of the institution.
UHD-PD officers are fully empowered by the state
to stop vehicles, make arrests and enforce all laws.
UHD-PD officers provide the same level of service
offered by a municipal police department, as well as
other services unique to an academic institution. The
department operates 24 hours a day, 365 days a year.
The department works closely with administrators,
students, faculty and staff to create and maintain a
safe environment.

The University of Houston-Downtown Police
Department is pleased to announce candidacy for
accreditation through the prestigious International
Association of Campus Law Enforcement
Administrators (IACLEA). IACLEA is an association that
represents campus public safety leaders at more
than 1,200 institutions of higher education and
offers accreditation to colleges and university law
enforcement, security, and public safety departments.
IACLEA accreditation constitutes recognition that
a department conforms to the highest professional
standards for campus law enforcement and protec-
tive services.

programs specifically aimed at the prevention of
sexual offenses, dating violence, domestic violence,
and stalking.

Campus Professional Counselors, when acting as such, are not considered to be a Campus Security Authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy they are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics. The University of Houston-Downtown works diligently to keep members of our community safe. Students, faculty, staff, and visitors are encouraged to report all crimes and emergencies to the UHD-PD in a timely manner to aid in providing accurate and timely warning notices to the university community when necessary. When a reported criminal act poses an ongoing threat to the safety of the university community, a UHD ALERT may be issued to all members of the university community. UHD Alert is the official emergency notification system of the University of Houston-Downtown. UHD Alert is used to provide prompt warnings and notifications to students, faculty, and staff if there is a condition which may threaten the health or safety of those on campus. UHD Alerts will be distributed via text message, email, social media outlets and on the UHD Alert website at https://www.uhd.edu/administration/emergency-management/Pages/Receiving-Notifications-and-Alerts.aspx and at https://twitter.com/UHD_Alerts.

### Emergency Notifications

In the event of a significant emergency or dangerous situation occurring on campus that involves an immediate threat to the health or safety of the campus community, the university has various systems
in place for issuing an Emergency Notification to communicate information quickly. The methods of communicating Emergency Notifications include emails, text messages that can be sent to a phone, the UHD ALERT website, social media alerts, and campus digital signage, and an external siren system that may be activated in the event of a shelter-in-place emergency.

Emergency Response and Evacuation Procedures

The Emergency Management Plan, also known as the EMP, is a campus-wide plan that provides the basic framework and outlines how any emergency would be managed on the University of Houston-Downtown campus. It describes the roles, responsibilities, and procedures for departments, units, faculty, staff, and students during any incident.

It is essential that the campus community be prepared to respond appropriately in the face of emergencies such as fires, explosions and chemical releases. The following procedures are to be used by supervisors and managers to assist employees and students in thoroughly understanding the methods of an evacuation.

The key to a successful evacuation is planning. Each employee and student must familiarize himself/herself with the university's emergency procedures and evacuation plan. Employees and the student must also become familiar with the buildings in which they work, including the location of exits, fire alarms, and fire extinguishers. All employees and students must know their responsibilities. Practice drills should be conducted to maintain preparedness.

I. Pre-emergency responsibilities

A. Knowing at least two exits other than the elevators.
B. Knowing the location and operation of the fire alarm system.
C. Keeping the University Police emergency phone numbers conspicuously posted.
D. Participating in all fire drills and taking them seriously.
E. Knowing how to use fire extinguishers. Become familiar with the locations and types of fire extinguishers.
F. Knowing the location outside the building where members of your department must congregate upon exiting.
G. Advising personnel that they are to begin evacuating at the first sign of smoke or fire alarm.
H. Assigning one person and a backup to assist with evacuating each disabled individual.

II. Duties during an Emergency

A. Activate the fire alarms and dial 911.
B. Confine the fire by closing all doors and windows.
C. Alert people on the floor so they can begin evacuation.
D. Take your personal belongings and exit the building.
E. Remain outside the building until allowed back in by the University Police.
F. Congregate at the pre-designated location outside the building so that a headcount of the department may be taken.

III. Emergency Procedures for Disabled Persons

A. If the fire is not on the same floor as the disabled person, close all doors and wait for assistance.
B. One person should stay with the disabled individuals while another person reports to the University Police.
C. Hearing-impaired and visually impaired persons need only one person assigned to assist them during an evacuation. They must be notified of fire alarms and guided to safe escape routes.
D. If needed, after the other employees and students have been evacuated, disabled employees and students may be assisted to the stairwell landings to wait for emergency personnel. All doors to the stairwell must be kept closed to reduce the buildup of smoke.

Sexual Misconduct

The University of Houston-Downtown is committed to maintaining a strengthening an educational, working and living environment where students, faculty, staff, and visitors are free from sex discrimination of any kind. Sexual misconduct, a form of sex discrimination, is antithetical to the standards and ideals of the University. The University will take appropriate actions to eliminate sexual misconduct from occurring, prevent its recurrence, and address its effects.

Prevention and Awareness

The University of Houston-Downtown aims to eradicate sexual misconduct through education, training, policies, and serious consequences for violations of its policies. The University will conduct educational programs, including ongoing prevention and awareness campaigns, designed to promote awareness and prevent sexual misconduct.

Primary and continuing prevention and awareness programs include:
Rape – Aggression – Defense (R.A.D) classes offered multiple times per year.
New Employee Sexual Misconduct Orientation.
New Student Sexual Misconduct Orientation.
Sexual Assault Prevention Month, Spring each year.
Department specific staff meetings regarding sexual misconduct prevention.

Safe and Positive Options for Bystander Intervention

One method for preventing sexual assault is bystander intervention. Research shows when individuals undergo training and feel empowered, they are more likely to intervene in stopping potential crimes. There are many situations that occur prior to sexual misconduct that are appropriate and safe for intervention. Bystander intervention training teaches people to recognize those situations as inappropriate, assume responsibility, identify options for intervention, overcome barriers to intervening (including cultural or social structures that promote violence), and take action.

Ways to Intervene:

Direct
- Staying with someone who may be in trouble
- Letting a friend know that their behavior could hurt someone else and help them reconsider
- Telling someone their language is problematic or offensive

Delegate
- Getting help from a Resident Advisor or Desk Assistant in Student Housing
- Asking the party host if they'll tell someone to leave
- Grabbing a friend and intervening together

Distract
- Suggesting a way out for a person in a potentially dangerous situation (ex. "Want to go grab dinner somewhere else?")
- Spilling a drink
- Telling the person engaging in abusive behavior that they’re needed in another room

Information on Risk Reduction

The University of Houston System engages in risk reduction strategies that emphasize the collective responsibility of the UHS community to reduce the risk of sexual misconduct. As part of that effort, all new students and employees within the University of Houston System attend prevention and education programs about sexual misconduct. Students receive an in-person training during orientation as well as a second online training program. These programs incorporate risk reduction strategies and bystander intervention training that enable community members to take a role in preventing and interrupting incidents of sexual misconduct. The programs also provide resources, including information on the UHS Sexual Misconduct Policy, how to report, and confidential resources.

Situational awareness and trusting one’s instincts can potentially reduce one’s risk of being subjected to sexual misconduct. UHD is dedicated to helping the community know that while risk reduction is encouraged, victims/survivors of sexual misconduct are not at fault if they do not employ such techniques. Risk reduction strategies include, but are not limited to, the following:

- If you consume alcohol, consider doing so in moderation.
- Avoid leaving your beverage unattended or accepting a drink from an open container.
- When you are with someone, communicate clearly to ensure they know your limits (both verbal and nonverbal body language communication can be used to ensure the message is understood).
- If you go out alone on a date with someone, including someone that you do not know very well, tell a close friend or family member what your plans are.
- Know that you have the right to say “no” or change your mind about engaging in sexual activity with a partner(s), even if you initially said “yes.” You can revoke consent at any time, even if you have engaged in sexual activity with this partner(s) before.
- Always have someone you can call if you need help and have alternative transportation plans.
If you feel uncomfortable, scared, or pressured, communicate that by saying “stop,” leaving, or calling for help.

Consider going to parties or other outings with a group of friends; you can arrive together, watch out for each other, and make sure everyone leaves together.

Be aware of your surroundings at all times.

Avoid being isolated with a person you do not know or trust.

When possible, travel with a friend or in a group.

When possible, walk only in lighted areas after dark.

Keep the doors to homes and cars locked.

Know where a phone is located. If relying on a mobile phone, be sure to carry a charging device with you.

If you see someone in need, intervene if possible. If not, call 911.

Listen and respect the wishes of your partner. If you are unclear if you have consent, assume you do not and clarify with your partner.

If someone says no, do not interpret that as a need for further persuasion or convincing.

Be aware that you cannot obtain consent from someone who is mental or physically incapable. This can include someone who is rendered temporarily incapacitated by drugs or alcohol.

Resist pressure from friends to participate in violence.

**Consent as defined under the Sexual Misconduct Policy**

An informed and freely and affirmatively communicated willingness to participate in a particular sexual activity by a capacitated and legally competent person.

Consent can be expressed either by words or by clear and unambiguous actions, as long as those words or actions create mutually understandable permission regarding the conditions of each instance of sexual activity.

It is the responsibility of the person who wants to initiate a sexual activity to ensure that they have the consent of the other(s) to initiate each instance of sexual activity before they initiate the sexual activity.

Consent is active, not passive, and cannot be inferred from the absence of a “no.” Without words or actions demonstrating permission, silence, lack of protest, or lack of resistance cannot be assumed to show Consent.

The existence of a dating relationship or a previous sexual relationship between the persons involved...
does not provide the basis for an assumption of consent to future sexual activity.

Being under the influence of drugs and/or alcohol is never a defense for not obtaining consent.

A person cannot consent if physical force or violence is used or threatened.

Sexual Misconduct can occur between strangers or acquaintances.

Alcohol or other drugs can lower inhibitions and create an atmosphere of confusion over whether consent is freely and effectively given. Consent is difficult to discern when a person has ingested alcohol and/or other drugs. Anyone wanting to initiate sexual activity is strongly encouraged to err on the side of caution when either they or the person(s) they want to initiate the activity with appear(s) to be intoxicated or there is reasonable cause to believe any individual is intoxicated.

**Incapacitation under the Sexual Misconduct Policy**

A person is incapacitated (not legally competent) and cannot consent to sexual activity if the person is unconscious or otherwise unable to resist, is unaware that sexual activity is occurring, and/or does not have the legal capacity to consent.

A person may be unable to consent when they are mentally or physically incapacitated because of the influence of drugs, alcohol, or medication and as a result are rendered temporarily incapable of understanding, appraising, or controlling their conduct.

A person's incapacity to understand, appraise, or control their conduct may be analyzed based on surrounding factors including, but not limited to, hallucinations, blackouts, seizures, vomiting, slurred speech, disorientation, or lack of physical or mental coordination.

When a Respondent has been accused of engaging in sexual activity with an incapacitated person, the perspective of a reasonable person will be applied to determine whether the Respondent knew or should have known about the Complainant's inability to give consent.

**Medical Assistance**

An individual who experiences any form of Sexual Misconduct is encouraged to seek immediate medical care. Preserving DNA evidence can be key to identifying the perpetrator in a sexual violence case. Victims can undergo a medical exam to preserve physical evidence with or without police involvement. If possible, this should be done immediately. If an immediate medical exam is not possible, individuals who have experienced a sexual assault may have a Sexual Assault Forensic Exam (SAFE) performed by a Sexual Assault Nurse Examiner (SANE) within 120 hours of the incident. With the examinee's consent, the physical evidence collected during this medical exam can be used in a criminal investigation; however, a person may undergo a SAFE even without contacting, or intending to contact, the police. To undergo a SAFE, please go to the nearest hospital that provides SAFE services. For more information about the SAFE, see the University of Houston System's webpage dedicated to resources and reporting information related to sexual misconduct.

The cost of the forensic portion of the exam is covered by the law enforcement agency that is investigating the assault or, in cases in which a report will not be made to the police, the Office of the Attorney General. This does not include fees related to medical treatment that are not a part of the SAFE. An individual who experiences any form of sexual, domestic, or dating violence is encouraged to seek immediate medical care because they may be prescribed medications to prevent sexually transmitted infections and/or pregnancy even if the police are not contacted or if a SAFE is not performed.

For more information about the SAFE, see https://uhsystem.edu/crossroads/.

**Police Assistance**

The University strongly encourages victims of dating violence, domestic violence, sexual assault or stalking to immediately seek police assistance.

Because the prohibited actions outlined in the Sexual Misconduct Policy may also constitute a criminal act(s), individuals seeking emergency assistance or who want to file a criminal report may contact their University police department or the appropriate local law enforcement agency. In addition to any possible criminal action, the University Police will forward
notice of the report to the Title IX Coordinator. Reporting to the police helps maintain future options regarding criminal prosecution. Generally, when the victim reports the incident, a police officer will take a statement from the victim regarding what happened. An adult victim can request that their identity be kept confidential. Anyone wishing to file a report with University police can make a report to their University’s Police Department as noted below.

In cases of sexual assault, preservation of evidence is crucial. It is highly recommended that victims/survivors follow these guidelines immediately after the assault, even if they are not yet certain they wish to file criminal charges.

- Do not bathe or shower.
- Do not wash clothing worn or linens used.
- Do not disturb the scene of the assault by cleaning up or throwing items away.
- Gently place clothing and linens touched by the victim or suspect(s) during the assault in a cardboard box or paper bag – DO NOT use plastic bags of any kind, as these will damage DNA evidence. Package each item separately if at all possible.
- Do not delete or erase any phone, text, or social media messages sent to you by the suspect, no matter if sent before or after the assault.
- DO get a forensic medical exam within 120 hours of the assault—you have the right to this exam WITHOUT notification of law enforcement, and free of charge (forensic portion only – medical treatment such as birth control, disease prevention, etc. is the responsibility of the survivor but may later be reimbursed by the state Crime Victims Compensation fund).

Options for the Involvement of Law Enforcement and Campus Authorities

Complainants have the option to notify proper law enforcement authorities including on campus and local police; to be assisted by campus authorities in notifying law enforcement authorities; and the option to decline to notify such authorities.

Orders of Protection

The University of Houston-Downtown will honor any order of protection, no-contact order, restraining order, or similar lawful order issued by any criminal, civil or tribal court.

Confidentiality

The University of Houston-Downtown will protect the anonymity of all individuals involved in a report or a complaint by refusing to disclose their identifying information to anyone outside the University of Houston-Downtown to the maximum extent permitted by law.

The University of Houston-Downtown will protect the confidentiality of Complainants and other necessary parties while ensuring Clery Act statistical reporting requirements, specifically, such statistical reporting will be done without inclusion of personally identifying information about a complainant.

The University of Houston-Downtown will maintain as confidential any supportive measures provided to the Complainant or Respondent, to the extent that maintaining such confidentiality would not impair the ability of the University to provide the supportive measures.

Assistance to Complainants

Counseling Assistance: A person who has experienced sexual violence is strongly encouraged to seek medical and psychological care even if they do
not plan to request a Sexual Assault Forensic Exam (SAFE) or report the assault to the police.

Complainants will be provided written notification about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and other services available both within the University and in the community.

Once an individual alerts the University of an alleged violation of the Sexual Misconduct Policy, the Complainant will be provided with written information including the Sexual Misconduct Policy, their rights, reporting options, and support resources regardless of whether the incident(s) occurred on or off campus.

Supportive Measures

Once the Title IX Coordinator receives a report of an alleged act of Sexual Misconduct, the Title IX Coordinator will promptly contact the Complainant and Respondent in writing to discuss the availability of Supportive Measures, consider the Complainant’s and Respondent’s wishes with respect to Supportive Measures, inform the Complainant of the availability of Supportive Measures with or without filing a Formal Complaint, and explain to the Complainant the process for filing a Formal Complaint.

The University’s Supportive Measures are designed to restore or preserve equal access to the University’s Education Program or Activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the University’s educational, living, and working environment, or to deter Sexual Misconduct.

Supportive Measures may include, but are not limited to:

- Counseling for a Complainant or Respondent through a University-affiliated counseling center while the processes outlined in this Policy are ongoing;
- Extensions of deadlines or other course-related adjustments;
- Modifications of work or class schedules;
- Campus escort and transportation services;
- Mutual restrictions on contact between the parties;
- Leaves of absence; or
- Increased security and monitoring of certain areas of the campus.

Emergency Removal and Leave During Investigation

Once the Title IX Coordinator receives a report of an alleged act of Sexual Misconduct, the Title IX Coordinator will undertake an individualized safety and risk analysis to determine whether an immediate threat to the physical health or safety of any student, employee, or other individual arising from the allegations of Sexual Misconduct justifies emergency removal or Leave During Agency Investigation pending further investigation. At the conclusion of the safety and risk analysis, the Title IX Coordinator will make a recommendation for removal to the appropriate office. The appropriate office will provide Respondent with notice and an opportunity to challenge the decision immediately following their removal.

Procedures for Institutional Disciplinary Action of Sexual Misconduct

When a report of a violation of the University of Houston System’s Sexual Misconduct Policy is received, the Equal Opportunity Service Office will take reasonable measures to contact the Complainant and Respondent to notify them of their rights and options under the policy, implement any appropriate supportive measures, and conduct a preliminary investigation, as appropriate.

Anyone who reports Sexual Misconduct will be notified of their right to speak to the appropriate law enforcement agency and file a report for possible criminal prosecution.

The complaint and investigation process is separate from any criminal proceeding related to the reported behavior and may occur while criminal proceedings are ongoing. Proceedings under the Sexual Misconduct Policy will not be dismissed or delayed because criminal prosecution is pending, criminal charges have been dismissed, or the criminal charges have been reduced.
Formal Complaint and Investigation Procedures

If a Complainant wishes to pursue official University action against a Respondent for alleged Sexual Misconduct, they may follow the steps described below to file a Formal Complaint, which will initiate an investigation. At the end of the investigation, the Title IX Coordinator will make a determination on which grievance process is appropriate based on jurisdictional requirements.

**Step 1: Filing a Formal Complaint**

A Complainant may file a Formal Complaint alleging Sexual Misconduct with the Title IX Coordinator in person, by mail, by electronic mail, or by the University’s electronic reporting system. The University does not limit the timeframe for filing a report or Formal Complaint of Sexual Misconduct, although the University’s ability to take any action may be limited because of the passage of time.

Even in the absence of a Formal Complaint, some circumstances may require the Title IX Coordinator to initiate a Formal Complaint in order to protect the University community. Once a Formal Complaint is filed, if the Complainant decides that they want to withdraw the Formal Complaint, the University’s investigation may still proceed.

The University may consolidate Formal Complaints as to the allegations of Sexual Misconduct against more than one Respondent, or by more than one Complainant against one or more Respondents, where the allegations of Sexual Misconduct arise out of the same facts or circumstances.

**Step 2: Written Notice to the Parties**

After receipt of a Formal Complaint, the Title IX Coordinator will provide written notice to the parties within five (5) business days, which will include, but is not limited to:

- Notice of the University’s Title IX Grievance Procedure, if applicable, including information about the Informal Resolution process;
- Notice of the allegations that may constitute Sexual Misconduct;
- Sufficient details, including the identities of the parties involved in the incident, the conduct allegedly constituting Sexual Misconduct, and the date and location of the alleged incident, if known;
- A statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
- Notice that the parties may have a Personal Advisor of their choice who may be, but is not required to be, an attorney;
- Notice that the parties may inspect and review evidence, in accordance with applicable policies; and
Notice of any provision of the University’s code of conduct or other policy that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

Step 3: Response to a Formal Complaint
A Respondent’s response to a Formal Complaint is due to the Title IX office within five (5) business days from the date the Title IX office sent it to the Respondent. The Title IX office may grant an extension for good cause.

The response should address and respond to the specific allegations made in the Formal Complaint and can include any other rebuttal information or evidence.

A response may be provided in writing or through an in-person interview with the investigator(s).

While a Respondent is not required to provide a response to the Formal Complaint or answer questions related to the investigation, this will not stop the Formal Complaint process. Failure to acknowledge receipt of the Formal Complaint may be considered a violation of University policy and could result in additional action.

Step 4: Informal Resolution (Optional)
If a Formal Complaint alleges a violation of this Policy, the Title IX Coordinator may choose to offer the parties an informal process that resolves the Formal Complaint without completing the grievance process. The option to informally resolve a Formal Complaint depends on whether the University determines that informal resolution may be appropriate and whether both parties voluntarily agree to attempt informal resolution.

Informal resolution may not be used to resolve Sexual Misconduct allegations where a University employee is alleged to have engaged in Sexual Misconduct against a student. Under certain circumstances, a student may be considered an employee.

Step 5: Investigation
Absent extenuating circumstances, a Sexual Misconduct investigation will begin upon receipt of a Formal Complaint of alleged Sexual Misconduct. A preliminary investigation may begin prior to receiving a response from a Respondent.

Both Complainant and Respondent will be provided equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a Formal Complaint, including the evidence upon which the University does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source.

Step 6A: Title IX Sexual Misconduct Grievance Procedure
Upon completion of the investigation report by a Title IX investigator and a determination that the alleged Sexual Misconduct is considered Title IX Sexual Misconduct, the University will hold a hearing during which both parties’ Hearing Advisors will have the opportunity to present relevant evidence and ask questions of the parties and witnesses.

Absent extenuating circumstances, the Title IX Coordinator will schedule a hearing within fifteen (15) business days from the conclusion of the investigation.

No later than five (5) business days prior to the hearing, all materials that will be used at the hearing must be submitted to the Title IX Coordinator.

Standard of Evidence – In all cases before a Hearing Officer, the standard of proof is a preponderance of evidence. A finding of responsibility by a preponderance of the evidence means that it is more likely than not, based on all the reasonable evidence presented, that the Respondent violated this Policy. The burden of proof is on the University. By law, it is presumed that the Respondent is not responsible for the alleged conduct unless a determination regarding responsibility is made at the conclusion of the grievance process.

Written Determination – The Hearing Officer will provide a Written Determination of responsibility and sanction(s), if applicable, simultaneously to the Title IX Coordinator and the parties.

Sanctions – The sanctions for a finding of a violation of the Sexual Misconduct Policy will be
commensurate with the offense and may include, but are not limited to, the following:

- Probation (including disciplinary probation)
- Temporary or permanent ban from campus locations (such as residence hall communities)
- Educational programs such as state-certified batterer’s intervention
- Ban from participating in campus organizations or activities
- Disqualification from employment or student leadership positions
- Withholding of transcripts, grades, diploma, or degree
- Partial or full criminal trespass warning
- Suspension from employment and/or enrollment
- Revocation of admission
- Termination of employment
- Expulsion

If a student is issued a sanction that makes them ineligible to reenroll in the University, the University will include on the student’s transcript a notation stating that the student is ineligible to reenroll in the University for a reason other than an academic or financial reason.

On the student’s request, the University may remove the notation from a student’s transcript if the student is eligible to reenroll in the University or the University determines that good cause exists to remove the notation.

In accordance with Texas law, the University must terminate an employee who is found to have knowingly failed to make a report of Sexual Misconduct when the Responsible Employee was required to do so or knowingly made a false report of Sexual Misconduct with intent to harm or deceive. Knowingly failing to make a report and knowingly making a false report are criminal offenses under Texas law.

**Remedies** – Regardless of the finding(s), and in addition to sanctions that may be imposed pursuant to the appropriate disciplinary policy, the University will take appropriate action(s) to resolve Formal Complaints of Sexual Misconduct, prevent any recurrence and, as appropriate, remedy any effects. These actions may include, but are not limited to the following:

- Ensuring the Complainant and Respondent do not share classes, working environments, or extracurricular activities;
- Making modifications to the on-campus living arrangements of a Respondent or Complainant (if the Complainant requests to be moved);
- Providing comprehensive, services including medical, counseling, and academic support services such as tutoring;
- Determining whether the Sexual Misconduct adversely affected the Complainant’s University standing and providing a remedy for same;
- In conjunction with University leaders, conducting a University climate check to assess the effectiveness of efforts to ensure that the University is free from Sexual Misconduct, and using that information to inform future proactive steps that the University will take; and
- Providing targeted group training.

These remedies are separate from, and in addition to, any Supportive Measures that may have been provided before the end of the University’s investigation. If the Complainant did not take advantage of a specific service (e.g., counseling) when offered as a Supportive Measure, the Complainant should still be offered, and is still entitled to, appropriate final remedies that may include services the Complainant declined as a Supportive Measure.

**Appeals** – The Complainant and the Respondent(s) both have the right to appeal to the appropriate administrator a Title IX dismissal or Written Determination by submitting their written appeal to the Title IX Coordinator within five (5) business days from the date they receive the Title IX dismissal or Written Determination. The appealing party may appeal the dismissal, finding, sanction, or remedy. The non-appealing party will be notified of the appeal and be permitted to submit a written statement in response within five (5) business days of receiving notice of the appeal.

**Final Determination** – A Written Determination will become final upon the earlier of when:

- The parties are notified of the appropriate administrator’s decision on the appeal; or
- The time to file an appeal has passed with neither party appealing.

**Step 6B: UH System Sexual Misconduct Grievance Procedure**

At the conclusion of an investigation of a Formal Complaint and a determination that the alleged Sexual Misconduct is considered UH System Sexual Misconduct, as defined in this Policy, the investigative report will contain the Title IX investigator’s finding(s) and recommendation. The Complainant and Respondent(s) will have the opportunity, but are not required, to respond to the investigative report in writing in advance of the Title IX investigator’s finding. The Complainant and Respondent(s) should be provided updates on the progress of the investigation and issuance of the report.

The finding(s) will be determined using a preponderance of the evidence standard; that is, whether it is more likely than not that a Respondent violated this Policy.

If it is determined that this Policy was violated, appropriate university action will be recommended in an effort to eliminate Sexual Misconduct, prevent its recurrence, and address its effects.

The Complainant and the Respondent(s) will be simultaneously notified in writing of the finding(s) and appeal rights under this Policy.

A hearing request to challenge the Title IX investigator’s finding(s) must be submitted in writing to the Title IX Coordinator within five (5) business days of receiving the finding(s).

The Complainant and the Respondent(s) both have the right to request a hearing to challenge a finding for any error or procedural defect occurring during the investigation that could have significantly impacted the finding. The individual requesting a hearing will be referred to as the moving party.

Absent extenuating circumstances, the Title IX Coordinator will schedule a hearing to be held within fifteen (15) business days from the filing of the request.

No later than five (5) business days prior to the hearing, all materials that will be used at the hearing must be submitted to the Title IX Coordinator, who will forward the materials to the Hearing Panel/Non-affiliated Hearing Officer and will simultaneously make available for inspection or provide the materials to both parties.

At any time after a finding has been made that a Respondent has violated the Policy, the University may implement an interim sanction against the Respondent while the Formal Complaint is being further adjudicated.

**Sanctions** – The sanctions for committing an act of UH System Sexual Misconduct will be commensurate with the offense and may include, but are not limited to, the following:

- Probation (including disciplinary probation)
- Temporary or permanent ban from campus locations (such as residence hall communities)
- Educational programs such as state-certified batterer’s intervention
- Ban from participating in campus organizations or activities
- Disqualification from employment or student leadership positions
- Withholding of transcripts, grades, diploma, or degree
- Partial or full criminal trespass warning
- Suspension from employment and/or enrollment
- Revocation of admission
- Termination of employment:
  - For faculty members, the recommendation for termination of employment and/or revocation of tenure will be referred to the Provost’s Office for handling in accordance with the policies and procedures pertaining to the dismissal of faculty members.
  - Expulsion

If a student is issued a sanction that makes them ineligible to reenroll in the University, the University will include on the student’s transcript a notation stating that the student is ineligible to reenroll in the University for a reason other than an academic or financial reason.

On the student’s request, the University may remove the notation if the student is eligible to reenroll in the University or the University
determines that good cause exists to remove the notation.

In accordance with Texas law, the University must terminate an employee who is found to have knowingly failed to make a report of Sexual Misconduct when the Responsible Employee was required to do so or knowingly made a false report of Sexual Misconduct with intent to harm or deceive. Knowingly failing to make a report and knowingly making a false report are criminal offenses under Texas law.

**Appeals** – Any appeal must be filed in writing within five (5) business days of the Hearing Panel/Non-affiliated Hearing Officer’s decision. If no appeal is filed by the deadline, the Hearing Panel/Non-affiliated Hearing Officer’s recommendation(s) become final.

**Final Determination** – If the appropriate administrator accepts or rejects the Hearing Panel/Nonaffiliated Hearing Officer’s recommendation(s), the decision becomes final.

**Retaliation Prohibited**

The University takes reports of Sexual Misconduct very seriously and will not tolerate retaliation against those who in good faith make such reports or participate in the investigation or adjudication process.

No person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any rights or privilege secured in this Policy or because the individual has made a report or Formal Complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this Policy.

Any person who believes that they have been subjected to retaliation should immediately report this concern to the Title IX Coordinator.

Any person who believes that they have been subjected to retaliation should immediately report this concern to the Title IX Coordinator.

If an individual makes a materially false statement in bad faith during the course of a grievance procedure under this policy, this conduct may constitute a violation through a separate University policy. A finding through a separate policy does not constitute retaliation prohibited in this section. A determination of responsibility under the Sexual Misconduct, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

---

**Immunity**

To encourage reporting, the University will not take any disciplinary action against a student enrolled at the University who in good faith reports being the victim of, or a witness to, an incident of Sexual Misconduct for a violation under the University’s Student Code of Conduct for conduct by the student occurring at or near the time of the incident, regardless of the location at which the incident occurred or the outcome of the University’s disciplinary process regarding the incident, if any. The University may investigate to determine whether a report of an incident of Sexual Misconduct was made in good faith. A determination that a student is entitled to amnesty is final and may not be revoked.

A person employed by or enrolled at the University acting in good faith who reports or assists in the investigation of a report of an incident of alleged Sexual Misconduct, or who testifies or otherwise participates in the Formal Complaint process, will not be subjected to any disciplinary action by the University for any violation by the person of the University’s code of conduct reasonably related to the incident for which suspension or expulsion from the institution is a possible punishment. Decisions regarding immunity are made by the Title IX Coordinator in conjunction with the appropriate sanctioning body.

Immunity, as described in this section, does not apply to individuals who participate or assist in the reported alleged incident.

**Training of Investigators and Hearing Board Members**

**Investigators** – Investigators will receive training at least annually on issues related to Sexual Misconduct and how to conduct the processes outlined in this Policy while being both trauma-informed and impartial, while protecting the safety of those involved and promoting accountability.

**University Hearing Board and Hearing Officers** – Members of the University’s Hearing Board and Hearing Officers will receive training at least annually on issues related to Sexual Misconduct. These individuals will also receive training regarding the role of the Title IX office to enforce this Policy, best practices for hearings and hearing panelists, and their
role in ensuring and promoting safety, due process, and accountability.

**Informal Resolution Training** – The University will provide training for Title IX Coordinators, investigators, Hearing Officers, and any person designated by the University to facilitate an informal resolution process as required by Title IX.

Arrests and Referrals

Under the Clery Act, institutions of higher education must report statistics for violations of the law resulting in arrests or persons referred for disciplinary action. Because state laws and local ordinances vary across the United States, some specific state laws and local ordinances may apply to the University of Houston that would not apply to institutions of higher education located in neighboring jurisdictions.

Weapons Law Violations: Violations of laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, concealment, or use of firearms, cutting instruments, explosives, incendiary devices, or other deadly weapons.

Drug Law Violations: Violations of laws prohibiting the production, distribution, and/or use of certain controlled substances and the equipment or devices utilized in their preparation and/or use.

Liquor Law Violations: Violations of state laws or local laws/ordinances prohibiting the manufacture, sale, purchase, transportation, possession, or use of alcoholic beverages.

Sources of Clery Crime Definitions – Definitions of reportable Clery Crimes come from a variety of sources, and do not always align perfectly with local or state laws. Specifically, the FBI Uniform Summary Reporting System (SRS) User Manual is used to define Murder; Manslaughter by Negligence; Rape; Robbery; Aggravated Assault; Burglary; Motor Vehicle Theft; Arson; Weapons Violations; Drug Abuse Violations; and Liquor Law Violations. The
FBI Uniform Crime Reporting (UCR) National Incident-Based Reporting System (NIBRS) Data Collection Guidelines define Fondling; Incest; and Statutory Rape. The FBI UCR Hate Crime Data Collection Guidelines and Training Manual define Hates Crimes, including the following crimes motivated in whole or in part of Hate Crime Bias, Larceny-Theft, Simple Assault, Intimidation, Destruction/Damage/Vandalism or Property. The Clery Act at 34 CFR §668.46(a) defines Dating Violence, Domestic Violence, and Stalking for the purposes of Clery Act reporting.

All reported Clery Act crimes, whether completed or attempted are counted in the statistics reported below.

**Unfounded Reported Clery Act Crimes**

Certain reported Clery Act crimes that have been fully investigated by sworn law enforcement personnel and have been found to be false or baseless will be reclassified as unfounded for statistical reporting purposes. Unfounded crimes will be withheld from crime statistics, with only the total number of unfounded crimes noted for each calendar year.

**State Law Definitions**

The following definitions are contained in the Texas Penal Code and the Texas Family Code, but are not those used to define federal Clery Act crimes. If a crime victim chooses to report to either a local law enforcement agency or the University of Houston Police Department, state prosecutors will rely on the following in criminal charging:

**Dating Violence:** An act, other than a defensive measure to protect oneself, by an individual that is committed against a victim with whom the actor has or has had a dating relationship; or because of the victim’s marriage to or dating relationship with an individual with whom the actor is or has been in a dating relationship or marriage; and is intended to result in physical harm, bodily injury, or sexual assault.

**Domestic (Family) Violence:** An act by a member of a family or household against another member of the family or household that is intended to result in physical harm, bodily injury, assault, or sexual assault or that is a threat that reasonably places the member in fear of imminent physical harm, bodily injury, assault, or sexual assault, but does not include defensive measures to protect oneself, or abuse by a member of a family or household toward a child of the family or household, or dating violence.

**Sexual Assault:** A person commits an offense if the person (1) intentionally or knowingly causes the penetration of the anus or sexual organ of another person by any means, without that person’s consent; causes the penetration of the mouth of another person by the sexual organ of the actor, without that person’s consent; or causes the sexual organ of another person, without that person’s consent, to contact or penetrate the mouth, anus, or sexual organ of another person, including the actor; or (2) intentionally or knowingly causes the penetration of the anus or sexual organ of a child by any means; causes the penetration of the mouth of a child by the sexual organ of the actor; causes the sexual organ of a child to contact or penetrate the mouth, anus, or sexual organ of another person, including the actor; or causes the mouth of a child to contact the anus or sexual organ of another person, including the actor.

**Stalking:** A person who, on more than one occasion and pursuant to the same scheme or course of conduct that is directed specifically at another person, knowingly engages in conduct that: (1) the person knows or reasonably believes the other person will regard as threatening including bodily injury or death for the other person, bodily injury or death for a member of the other person’s family or household or for an individual with whom the other person has a dating relationship, or fear that an offense will be committed against the other person’s property, and (2) causes the other person, a member of the other person’s family or household, or an individual with whom the other person has a dating relationship to be placed in fear of bodily injury or death or fear that an offense will be committed against the other person’s property, and (3) would cause a reasonable person to fear bodily injury or death or fear that an offense will be committed against the other person’s property, and (3) would cause a reasonable person to fear bodily injury or death for himself or herself, or bodily injury or death for a member of the person’s family or household or for an individual with whom the person has a dating relationship, or fear that an offense will be committed against the person’s property.

“Dating Relationship” means a relationship between individuals who have or have had a continuing relationship of a romantic or intimate nature. The existence of such a relationship shall be determined based on consideration of the length of the relationship; the
nature of the relationship; and the frequency and type of interaction between the persons involved in the relationship. A casual acquaintance or ordinary fraternization in a business or social context does not constitute a “dating relationship.”

“Family” means individuals related by consanguinity or affinity, individuals who are former spouses of each other, individuals who are parents of the same child, without regard to marriage, and a foster child and foster parent, without regard to whether those individuals reside together.

“Household” means a unit composed of persons living together in the same dwelling, without regard to whether they are related to each other.

“Child” means a person younger than 17 years of age.

“Spouse” means a person who is legally married to another.

“Lack of Consent” means the actor compels the other person to submit or participate by the use of physical force or violence; the actor compels the other person to submit or participate by threatening to use force against the other person, and the other person believes that the actor has the present ability to execute the threat; the other person has not consented and the actor knows the other person is unconscious or physically unable to resist; the actor knows that as a result of mental disease or defect the other person is at the time of the sexual assault incapable either of appraising the nature of the act or of resisting it; the other person has not consented and the actor knows the other person is unaware that the sexual assault is occurring; the actor has intentionally impaired the other person’s power to appraise or control the other person’s conduct by administering any substance without the other person’s knowledge; the actor compels the other person to submit or participate by threatening to use force or violence against any person, and the other person believes the actor has the ability to execute the threat; the actor is a public servant who coerces the other person to submit or participate; or the actor is a mental health services provider or a health care services provider who causes the other person, who is a patient or former patient of the actor, to submit or participate by exploiting the other person’s emotional dependency on the actor.

<td>Clery Incident Report Form</td>
<td>51</td>
</tr>
<tr>
<td>UHS Sexual Misconduct Policy</td>
<td>53</td>
</tr>
</tbody>
</table>
The purpose of CLERY is to encourage reporting and the accurate collection of campus crime statistics to promote crime awareness and to enhance campus safety through reliable statistical records. The purpose of this report form is to provide a uniform procedure for documenting the (What, When, Where) of certain reportable crimes and/or non-criminal hate motivated incidents that have occurred within one of the four reporting locations and which have been reported to a Campus Security Authority (CSA) other than the University Police Department. Data collected on this form is to be used to increase public safety, not to identify the victim; therefore, no personal identifying information shall be included on this form. All cooperating victims who do not wish to remain anonymous should be directed to their respective University Police Department or the law enforcement agency having jurisdiction where the crime occurred.

It is the policy of the University of Houston System to encourage victims and/or witnesses to crime(s) to report such crimes to the police and/or to a designated Campus Security Authority - someone who has significant responsibility for student and campus activities. For the purposes of CLERY, CSA’s are required to document certain reportable crimes and non-criminal hate motivated incidents which have been reported to them and which have occurred in the following locations:

1) On-campus property: Any building or property owned or controlled by the University which is within the same reasonably contiguous geographic area and used by the University in direct support of, or in a manner related to, the University’s educational purpose, including those buildings or property described herein that is owned by the University but controlled by another person and which is frequently used by students.

2) On-campus residential life buildings – The interior area of any building owned, leased, and/or controlled by the university, that houses students of the university.

3) Non-campus property: Non-campus property or building owned or controlled by the University that is frequently used by students and is not within the same reasonably contiguous geographic area of the institution, or any building/property that is owned or controlled by a student organization that is officially recognized by the institution, such as academic, religious or fraternal student organizations.

4) Public property: Public property located immediately adjacent to and accessible from campus, including: thoroughfares, sidewalks, streets, lands, parks and bayous.

For CLERY purposes, the student status (yes/no) of the offender or the victim is not a relevant fact as to whether or not this report form is to be completed. If a violation of one of the below listed offenses occurs, documentation is required. CLERY documentation is not satisfied by simply directing/referring the reporting party to the police department. In order for the University to satisfy the statistical reporting requirements of the Clery Act, all CSA’s are required to complete this form when certain any of the specified offenses list below are reported to them. Nonetheless, a person reporting a crime shall also be encouraged to report the crime to the University of Houston Police.

Sex Offenses: Sex offenses are of special concern to the campus community because they have been historically under reported. The victim of a sex offense typically desires confidentiality and anonymity; as a result he/she will often seek a reporting source other than law enforcement such as a designated Campus Security Authority. Because the sex offender may continue to pose a threat to the community, the threat potential needs to be evaluated and the campus community alerted/warned as necessary. In this regard, the following additional information is requested.

### Suspect Information

1. **PURPOSE**

This Policy provides the exclusive mechanism for the University of Houston System and its universities (“University”) to manage the non-criminal reporting of Sexual Misconduct, as defined in this Policy, by providing a prompt, fair, and impartial investigation and resolution process.

Consistent with its commitment to addressing Sexual Misconduct, the University complies with Title IX of the Education Amendments of 1972 (“Title IX”), which prohibits discrimination on the basis of sex in Education Programs or Activities, as defined in this Policy, Title VII of the Civil Rights Act of 1964 (“Title VII”), which prohibits sex discrimination in employment, Section 304 of the Violence Against Women Reauthorization Act of 2013 (also known as the Campus Sexual Violence Elimination Act (SaVE Act) and applicable state law, including Texas Education Code §51.259 and §51.295. The University also prohibits the crimes of dating violence, domestic violence, sexual assault, and stalking as defined by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.

2. **POLICY**

The University is committed to maintaining and strengthening an educational, working and living environment where students, faculty, staff, visitors, and applicants for admission or employment are free from sex discrimination of any kind. Sexual Misconduct, a form of sex discrimination, is antithetical to the standards and ideals of the University. The University will take appropriate action in an effort to eliminate Sexual Misconduct from occurring, prevent its recurrence, and address its effects by conducting educational programs, including ongoing prevention and awareness campaigns, designed to promote awareness, reduce risk, and prevent Sexual Misconduct. In implementing this Policy, the University, to the greatest extent practicable, ensures equal access for persons with disabilities.

This Policy includes two separate grievance processes in order to comply with Title IX regulatory requirements and continue to address Sexual Misconduct that occurs outside of Title IX jurisdiction: Title IX Grievance Procedures and UH System Sexual Misconduct Grievance Procedures. The University acknowledges that Sexual
Misconduct occurring outside of an Education Program or Activity, as defined in the Title IX regulations and this Policy, can have a direct impact on the campus experience, depriving individuals who experience it of their fundamental ability to live, learn, and work with dignity. It is essential that university environments foster gender equality and provide safe spaces in which all students can learn and all employees can work. Students’ equal access to education depends on effective policies and responses by universities to address Sexual Misconduct.

Students and employees may be disciplined under this Policy for Sexual Misconduct on University grounds or off University grounds when the incident occurs in connection with an Education Program or Activity, when the incident has a substantial connection to an employee's duties or the interests of the University, or when the incident poses a threat of serious mental or bodily harm to any member of the University community, even if the student or employee is or may be penalized by civil or criminal authorities for the same act.

3. DEFINITIONS

3.1 Actual Knowledge: Notice of actual or alleged Sexual Misconduct to a University’s Title IX Coordinator or any official of the University who has authority to institute corrective measures on behalf of the University. Other officials of the University who have authority to institute corrective measures on behalf of the University include all elementary school employees.

3.2 Complainant: An individual who is alleged to be the victim of conduct that could constitute Sexual Misconduct, as defined in this Policy.

3.3 Confidential Resource Employee: A University employee designated as a person with whom students may speak confidentially about Sexual Misconduct, who receives information regarding such an incident under circumstances that render the employee’s communications confidential or privileged under other law. Such employees include, but are not limited to:

3.3.1 The staff of a counseling or health center acting in their capacity as a counseling or health provider; and

3.3.2 Individuals who are associated with the University in the role of a pastoral counselor or confidential advisor acting in that capacity.

3.4 Consent: An informed and freely and affirmatively communicated willingness to participate in a particular sexual activity by a capacitated and legally competent person. See Section 5 – Consent for further guidelines on Consent.

3.5 Discrimination: Treating an individual or members of a Protected Class less favorably because of their membership in that class or having a policy or practice that has a disproportionately adverse impact on Protected Class members.
3.6 **Education Program or Activity:** Such locations, events, or circumstances over which the University exercised substantial control over both the Respondent and the context in which the Title IX Sexual Misconduct occurs, and also includes any building owned or controlled by a student organization that is officially recognized by the University, whether such a building or activity is on-campus or off-campus.

3.7 **Formal Complaint:** A document filed by a Complainant or signed by the Title IX Coordinator alleging Sexual Misconduct against a Respondent and requesting that the University investigate the allegation(s) of Sexual Misconduct.

3.7.1 A document filed by a Complainant means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the University) that contains the Complainant’s physical or digital signature, or otherwise indicates that the Complainant is the person filing a Formal Complaint.

3.7.2 Where the Title IX Coordinator signs a Formal Complaint, the Title IX Coordinator is not a Complainant or otherwise a party under this Policy.

3.8 **Hearing Advisor:** An individual acting on behalf of a named party in Title IX Grievance Procedures. Any named party will have the same opportunity to have a Hearing Advisor of their choice present during any hearing held in accordance with the Title IX Sexual Misconduct Grievance Procedures. This Advisor may be an attorney, provided at the party’s expense, with no cost to the University. If an individual is unable to obtain a Hearing Advisor, the University will provide one to any named party at no charge.

3.9 **Hearing Board:** The group of faculty and staff members from which a Hearing Panel may be selected in a UH System Sexual Misconduct hearing.

3.10 **Hearing Officer:** An individual not affiliated with the University who serves over the hearing process in a Title IX Grievance Procedures hearing and issues a Written Determination regarding responsibility and any sanction or remedy as applicable.

3.11 **Hearing Panel:** The four (4) faculty and/or staff members presiding over a hearing in a UH System Sexual Misconduct hearing.

3.12 **Incapacitation:** A person is incapacitated (not legally competent) and cannot consent to sexual activity if the person is unconscious or otherwise unable to resist, is unaware that sexual activity is occurring, and/or does not have the legal capacity to consent.

3.12.1 A person may be unable to consent when they are mentally or physically incapacitated because of the influence of drugs, alcohol, or medication and
as a result are rendered temporarily incapable of understanding, appraising, or controlling their conduct.

3.12.2 A person’s incapacity to understand, appraise, or control their conduct may be analyzed based on surrounding factors including, but not limited to, hallucinations, blackouts, seizures, vomiting, slurred speech, disorientation, or lack of physical or mental coordination.

3.12.3 When a Respondent has been accused of engaging in sexual activity with an incapacitated person, the perspective of a reasonable person will be applied to determine whether the Respondent knew or should have known about the Complainant’s inability to give consent.

3.13 Protected Class: A class of persons who are protected under applicable federal or state laws against discrimination and harassment on the basis of race, color, sex (including pregnancy), genetic information, religion, age, national origin, disability, veteran status, sexual orientation, gender identity, and gender expression or any other legally protected status.

3.14 Personal Advisor: Any named party is entitled to have one (1) personal advisor of their choice present during any meeting related to the investigation of Sexual Misconduct. This advisor may be an attorney, provided at the party’s expense, with no cost to the University. Personal Advisors may not speak on behalf of the individual they are advising or be a witness at any hearing that they attend in the capacity of Personal Advisor or Hearing Advisor. A Personal Advisor may ask to briefly suspend any meetings, interviews, or hearings to provide private consultation related to the meeting or proceeding in process. An individual serving as a Personal Advisor may serve as a Hearing Advisor under Title IX Grievance Procedures.

3.15 Respondent: An individual who has been reported to be the perpetrator of conduct that could constitute Sexual Misconduct.

3.16 Responsible Employee: A University employee who has the duty to report incidents of Sexual Misconduct to the Title IX Coordinator or other appropriate designee, or an employee whom an individual could reasonably believe has this duty. Responsible employees include all administrators, faculty, and staff, except Confidential Resource Employees.

3.17 Sexual Misconduct: Any conduct defined in this Policy as Title IX Sexual Misconduct or UH System Sexual Misconduct. Please see Appendix A – Definitions for more information.

3.18 Supportive Measures: Non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the
Complainant or Respondent regardless of whether a Formal Complaint has been filed.

3.19 **Title IX Coordinator:** The person who has been designated on each University’s campus to coordinate efforts to comply with and implement this Policy. The Title IX Coordinator is responsible for conducting the administrative investigation of reports of Sexual Misconduct and is available to discuss options, provide support, explain University policies and procedures, and provide education on relevant issues. The Title IX Coordinator may designate one or more Deputy Title IX Coordinators. The Title IX Coordinators for each University are located here:

3.23 **University Premises:** Buildings or grounds owned, leased, operated, controlled, or supervised by the University.

3.24 **Written Determination:** The Hearing Officer will provide a written decision of responsibility simultaneously to the Title IX Coordinator and the parties. This document will contain both the finding(s) and the sanction(s) or remedies, if applicable.
4. JURISDICTION

4.1 The University has jurisdiction over allegations of Sexual Misconduct occurring on the University’s premises, at University-Affiliated Activities, and/or where the Respondent or Complainant are either a student, faculty member, staff member, visitor to campus, or applicant for admission or employment. Consistent with its other codes of conduct, the University has jurisdiction over allegations of UH System Sexual Misconduct occurring off campus when the incident has a substantial connection to an employee's duties or the interests of the University, or when the incident poses a threat of serious mental or bodily harm to any member of the University community. Other than the University Police Department which may conduct a criminal investigation as appropriate, the University does not have jurisdiction over allegations between visitors or non-affiliated persons under this Policy.

4.2 The University has the discretion to investigate conduct occurring off University premises or at a non-University-Affiliated Activity if either the Complainant or Respondent is University-Affiliated.

4.3 Proceedings may continue even if a party is no longer employed with the University. Per state law, proceedings will continue even if a party is no longer a student of the University.

4.4 The University’s jurisdiction over Title IX Sexual Misconduct is limited to incidents that meet the definition of Title IX Sexual Misconduct as well as the following requirements:

4.4.1 The University received Actual Knowledge of allegations of Title IX Sexual Misconduct;

4.4.2 The allegation of Title IX Sexual Misconduct occurred in an Education Program or Activity including any building owned or controlled by a student organization that is officially recognized by the University, whether such a building or activity is on-campus or off-campus;

4.4.3 The allegation of Title IX Sexual Misconduct occurred against a person in the United States; and

4.4.4 At the time of filing a Formal Complaint, the Complainant had been participating in or attempting to participate in the University’s Education Program or Activity.

4.5 If the University is notified that a member of the University community has reported an incident of Sexual Misconduct, but the University does not have jurisdiction to handle the case, the University will still take reasonable steps to
ensure the individual’s safety while on campus and to offer the individual information about resources both on campus and in the community.

5. CONSENT

5.1 Consent can be expressed either by words or by clear and unambiguous actions, as long as those words or actions create mutually understandable permission regarding the conditions of each instance of sexual activity.

5.2 It is the responsibility of the person who wants to initiate a sexual activity to ensure that they have the consent of the other(s) to initiate each instance of sexual activity before they initiate the sexual activity.

5.3 Consent is active, not passive, and cannot be inferred from the absence of a “no.” Without words or actions demonstrating permission, silence, lack of protest, or lack of resistance cannot be assumed to show Consent.

5.4 The existence of a dating relationship or a previous sexual relationship between the persons involved does not provide the basis for an assumption of consent to future sexual activity.

5.5 Being under the influence of drugs and/or alcohol is never a defense for not obtaining consent.

5.6 A person cannot consent if physical force or violence is used or threatened.

5.7 Sexual Misconduct can occur between strangers or acquaintances.

5.8 Alcohol or other drugs can lower inhibitions and create an atmosphere of confusion over whether consent is freely and effectively given. Consent is difficult to discern when a person has ingested alcohol and/or other drugs. Anyone wanting to initiate sexual activity is strongly encouraged to err on the side of caution when either they or the person(s) they want to initiate the activity with appear(s) to be intoxicated or there is reasonable cause to believe any individual is intoxicated.

6. REPORTING INCIDENTS

6.1 Any person, regardless of whether they are the alleged victim, may report Sexual Misconduct to the Title IX Coordinator in person, by mail, by electronic mail, by telephone, or by the University’s electronic reporting system.

6.2 Anonymous Reporting

6.2.1 Alleged victims and others not required to report may report Sexual Misconduct anonymously through the web-based reporting system, the
Fraud and Non-Compliance Hotline.

6.2.2 The web address for the Fraud and Non-Compliance Hotline is: https://app.convercent.com/en-us/LandingPage/b3d1c670-e06c-e711-80cf-000d3ab0d899

6.2.3 Reports received through this site will be reviewed and investigated if sufficient information is provided to conduct an investigation.

6.2.4 The University will work with anyone who is identified via a Fraud and Non-Compliance report or subsequent investigation to provide anonymity to the full extent possible under this Policy.

6.2.5 Upon receipt of an anonymous report that implicates this Policy, the Title IX Coordinator will invite the reporter to formalize the report into a Formal Complaint. While Supportive Measures are available to anonymous reporters without filing a Formal Complaint, finding(s) and sanction(s) or remedies, if applicable, require a Formal Complaint as described in Appendix B and C.

6.2.6 If the anonymous reporter declines to pursue a Formal Complaint, the Title IX Coordinator may pursue a complaint on behalf of the University after considering the factors explained in Section 14.2.3.

6.2.7 Complainants have the right to decide if and when they report the incident(s) to the University, law enforcement, or to any other member of the University community. The University strongly encourages individuals to access services, such as counseling and medical help, that can respond to the immediate mental and physical impact of an act of Sexual Misconduct. Individuals can access these services regardless of whether they report what happened.

6.3 The University strongly encourages reporting as soon as possible. Prompt reporting may preserve options that delayed reporting does not, including immediate police response and the preservation of physical evidence that may be necessary to prove an alleged criminal offense or to obtain a protective order.

6.4 Once an individual alerts the University of an alleged violation of this Policy the Complainant will be provided with written information including this Policy, their rights, reporting options, and support resources regardless of whether the incident(s) occurred on or off campus.

6.5 Complainants have multiple options regarding the involvement of law enforcement and campus authorities, including:
• The option to notify proper law enforcement authorities including on
campus and local police;

• The option to be assisted by campus authorities in notifying law
enforcement authorities; and

• The option to decline to notify such authorities.

6.6 Anyone can receive information about this Policy, their rights under the Policy,
reporting options, and support resources without disclosing facts related to the
alleged incident.

6.7 Each University may have their own programs and services related to the issues
covered by this Policy so there may be additional resources for information on
your campus.

7. EMPLOYEE REQUIRED REPORTING

7.1 To comply with Texas Education Code Chapter 51, an employee of the University
who, in the course and scope of their employment, witnesses or receives
information regarding the occurrence of an incident that the employee reasonably
believes constitutes Sexual Misconduct and is alleged to have been committed by
or against a person who was a student enrolled at or an employee of the
University at the time of the incident regardless of when or where the incident
occurred shall promptly report the incident to the University’s Title IX
Coordinator.

7.2 This section does not apply to an incident in which the employee was a victim of
Sexual Misconduct.

7.3 A Confidential Resource Employee, in making a report under this section, will
state only the type of incident reported and may not include any information that
would violate someone’s expectation of privacy.

7.4 In addition, some individuals who are not Responsible Employees who must share
reports under this section with the Title IX Coordinator include, but are not
limited to:

• Elected Members of Student Government Associations; and

• Individuals, including students, serving as responsible persons, even if they
are volunteers, at a University Education Program or Activity. These
individuals could be teaching assistants, graduate assistants, research
assistants, chaperones, peer mentors, or retreat counselors. These individuals
are required to report because they are either in a position to do something
about the alleged action(s), may be perceived to be able to do something about the alleged action(s), or would otherwise have to report known or suspected incidents of Sexual Misconduct.

7.5 Anyone who is required to report known or suspected violations of this Policy must promptly contact the Title IX Coordinator and disclose what they know about the alleged incident(s). Even if a required reporter is a Campus Security Authority and must provide a report to law enforcement or other campus departments, the reporter must also directly notify the Title IX Coordinator as soon as possible.

7.6 Reports should include all information concerning the incident known to the reporting person, including all relevant details such as the following:

- The name of the Respondent (if known) and any affiliation with the University (if known);
- The name of the Complainant and any affiliation with the University (if known);
- The names of other people who may be involved;
- Relevant facts, including date, time, and location of the incident(s); and
- Whether a Complainant has expressed a desire for confidentiality in reporting the incident.

7.7 The University will comply with all applicable state laws regarding mandatory reporting for known or suspected abuse, neglect, or exploitation of a child or a vulnerable adult.

7.8 Individuals who are not required to report and who are not bound by state confidentiality laws are still encouraged to report known or suspected violations of this Policy and may do so through the methods listed in this Policy.

7.9 Public awareness events such as “Take Back the Night,” candlelight vigils, protests, “survivor speak outs,” or other forums in which members of the community disclose incidents of violations of this Policy are not considered notice to the University for the purpose of triggering its obligation to investigate.

However, information regarding rights under this Policy will be available to anyone who discloses Sexual Misconduct at one of these types of events.
7.10 Reporting to Outside Entities: An individual wishing to make a complaint may also contact the U.S. Department of Education, Office for Civil Rights (OCR), to complain of sex discrimination, including Sexual Misconduct:

Office for Civil Rights  
U.S. Department of Education  
1999 Bryan Street, Suite 1620  
Dallas, Texas 75201  
Phone: (214) 661-9600  
Fax: (214) 661-9587  
Email: OCR.Dallas@ed.gov

Employees may also contact the U.S. Equal Employment Opportunity Commission to complain of sex discrimination, including Sexual Misconduct:

U.S. Equal Employment Opportunity Commission  
Houston District Office  
1919 Smith Street, 6th Floor  
Houston, Texas 77002  
Phone: (800) 669-6820  
Fax: (713) 651-4987

8. IMMEDIATE ASSISTANCE

8.1 Medical Assistance: An individual who experiences any form of Sexual Misconduct is encouraged to seek immediate medical care. Preserving DNA evidence can be key to identifying the perpetrator in a sexual violence case. Victims can undergo a medical exam to preserve physical evidence with or without police involvement. If possible, this should be done immediately. If an immediate medical exam is not possible, individuals who have experienced a sexual assault may have a Sexual Assault Forensic Exam (SAFE) performed by a Sexual Assault Nurse Examiner (SANE) within 120 hours of the incident. With the examinee’s consent, the physical evidence collected during this medical exam can be used in a criminal investigation; however, a person may undergo a SAFE even without contacting, or intending to contact, the police. To undergo a SAFE, please go to the nearest hospital that provides SAFE services. For more information about the SAFE, see the University of Houston System’s webpage dedicated to resources and reporting information related to sexual misconduct.

The cost of the forensic portion of the exam is covered by the law enforcement agency that is investigating the assault or, in cases in which a report will not be made to the police, the Office of the Attorney General. This does not include fees related to medical treatment that are not a part of the SAFE. An individual who experiences any form of sexual, domestic, or dating violence is encouraged to seek immediate medical care because they may be prescribed medications to
prevent sexually transmitted infections and/or pregnancy even if the police are not contacted or if a SAFE is not performed.

8.2 Police Assistance: Because the prohibited actions outlined in this Policy may also constitute a criminal act(s), individuals seeking emergency assistance or who want to file a criminal report may contact their University police department or the appropriate local law enforcement agency. In addition to any possible criminal action, the University Police will forward notice of the report to the Title IX Coordinator. Reporting to the police helps maintain future options regarding criminal prosecution. Generally, when the victim reports the incident, a police officer will take a statement from the victim regarding what happened. An adult victim can request that their identity be kept confidential. Anyone wishing to file a report with University police can make a report to their University’s Police Department as noted below:

8.3 Counseling Assistance: A person who has experienced sexual violence is strongly encouraged to seek medical and psychological care even if they do not plan to
request a Sexual Assault Forensic Exam (SAFE) or report the assault to the police.

8.4 Complainants will be provided written notification about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and other services available both within the University and in the community.

9. SUPPORTIVE MEASURES, EMERGENCY REMOVAL, & LEAVE DURING AGENCY INVESTIGATION

9.1 Supportive Measures

9.1.1 Once the Title IX Coordinator receives a report of an alleged act of Sexual Misconduct, the Title IX Coordinator will promptly contact the Complainant and Respondent in writing to discuss the availability of Supportive Measures, consider the Complainant’s and Respondent’s wishes with respect to Supportive Measures, inform the Complainant of the availability of Supportive Measures with or without filing a Formal Complaint, and explain to the Complainant the process for filing a Formal Complaint.

9.1.2 The University will treat the parties equitably by offering Supportive Measures to Complainants and Respondents.

9.1.3 Supportive Measures are offered as appropriate, as reasonably available, and without fee or charge to the Complainant or Respondent.

9.1.4 The University’s Supportive Measures are designed to restore or preserve equal access to the University’s Education Program or Activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the University’s educational, living, and working environment, or to deter Sexual Misconduct.

9.1.5 Supportive Measures may include, but are not limited to:

- Counseling for a Complainant or Respondent through a University-affiliated counseling center while the processes outlined in this Policy are ongoing;
- Extensions of deadlines or other course-related adjustments;
- Modifications of work or class schedules;
- Campus escort and transportation services;
• Mutual restrictions on contact between the parties;
• Changes in work or housing locations;
• Leaves of absence; or
• Increased security and monitoring of certain areas of the campus.

9.1.6 The Title IX Coordinator is responsible for coordinating the effective implementation of Supportive Measures.

9.1.7 The University will honor any order of protection, no-contact order, restraining order, or similar lawful order issued by any criminal, civil, or tribal court.

9.1.8 Failure to adhere to the parameters of any Supportive Measure may be considered a separate violation of this Policy and may result in disciplinary action.

9.2 Emergency Removal & Leave During Agency Investigation

9.2.1 Once the Title IX Coordinator receives a report of an alleged act of Sexual Misconduct, the Title IX Coordinator will undertake an individualized safety and risk analysis to determine whether an immediate threat to the physical health or safety of any student, employee, or other individual arising from the allegations of Sexual Misconduct justifies emergency removal or Leave During Agency Investigation pending further investigation. At the conclusion of the safety and risk analysis, the Title IX Coordinator will make a recommendation for removal to the appropriate office. The appropriate office will provide Respondent with notice and an opportunity to challenge the decision immediately following their removal.

9.2.2 An employee Respondent may be placed on Leave During Agency Investigation, in accordance with the University’s policy and procedures on employee Leave During Agency Investigation during the pendency of a grievance process, as outlined in this Policy.

10. DISMISSALS AND GRIEVANCE PROCEDURES

10.1 Classification of Alleged Sexual Misconduct

10.1.1 Before, during, or after the completion of the investigative report, the Title IX Coordinator will make a determination on the classification of the alleged Sexual Misconduct, in order to determine the appropriate
procedures prescribed in this Policy.

10.1.2 For purposes of determining the appropriate grievance procedure, jurisdiction, and dismissal requirements, the Title IX Coordinator will determine whether the Sexual Misconduct is classified as either Title IX Sexual Misconduct or UH System Sexual Misconduct, both as defined in this Policy.

10.2 Title IX Sexual Misconduct

10.2.1 If the Title IX Coordinator determines that the alleged Sexual Misconduct constitutes Title IX Sexual Misconduct, the requirements in this section will apply, including the Title IX Grievance Procedures, jurisdiction, and dismissal requirements. The Title IX Coordinator may dismiss a Formal Complaint from the Title IX Grievance Procedures that does not meet the jurisdictional requirements as described below at any time.

10.2.2 Title IX Dismissals

A. Permissive Dismissals – A Formal Complaint may be dismissed from the Title IX Grievance Procedures if:

- A party is no longer employed with the University;

- A Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the Formal Complaint or any allegation therein;

- Specific circumstances prevent the University from gathering evidence sufficient to reach a determination as to the allegations contained in the Formal Complaint;

- The Complainant expressly or by action declines to cooperate with the investigation;

- An appropriate resolution or remedy has already been achieved; or

- The University no longer has control over an employee Respondent and, when appropriate, remedies have been offered to the Complainant.
B. Mandatory Dismissals

- A Formal Complaint must be dismissed from the Title IX Grievance Procedures when the conduct alleged would not constitute Title IX Sexual Misconduct as defined in this Policy.

- While the University must dismiss a Formal Complaint from the Title IX Grievance Procedures when the Formal Complaint does not meet the jurisdictional or definition requirements for purposes of Title IX Sexual Misconduct, such a dismissal does not preclude action under another provision of this Policy or the University’s codes of conduct.

- The University will simultaneously notify the parties of dismissal of a Formal Complaint from the Title IX Grievance Procedures as well as the reasons for dismissal.

- The parties may appeal a Title IX dismissal through the process described in the Written Appeals section of Appendix B – Title IX Grievance Procedures.

10.3 UH System Sexual Misconduct

10.3.1 If the Title IX Coordinator determines that the alleged Sexual Misconduct constitutes UH System Sexual Misconduct, as defined in this Policy, the requirements in this section will apply, including the grievance procedure, jurisdiction, and dismissal requirements.

10.3.2 UH System Sexual Misconduct Dismissals

A. The University reserves the right to dismiss a Formal Complaint from the UH System Sexual Misconduct Grievance Procedure for the following non-exclusive reasons:

- The Complainant expressly or by action declines to cooperate with the investigation;

- An appropriate resolution or remedy has already been achieved; or

- The University no longer has control over the Respondent if they are an employee and, when appropriate, remedies have
been offered to the Complainant.

10.3.3 If the University decides to not proceed with a Formal Complaint under the UH System Sexual Misconduct Grievance Procedure, the University will notify the Complainant within five (5) business days of the decision explaining the reason(s) for this decision. This notification will also include a statement informing the Complainant of their ability to file a new complaint with additional information and this new complaint will be assessed on its own merits.

11. CONFIDENTIALITY

11.1 The University will keep confidential the identity of any individual who has made a report or Formal Complaint of Sexual Misconduct, any Complainant, any Respondent, and any witnesses, except as may be necessary to conduct an investigation, hearing, or judicial proceeding, or except as permitted by FERPA.

11.2 If a party is a student, the student will need to sign a FERPA Release form for the Personal or Hearing Advisor to be present at any meeting or proceeding. The FERPA Release allows staff to speak freely about the student’s case when the Personal or Hearing Advisor is present. The student may revoke the FERPA release in writing if they choose to no longer have the individual serve as their Personal or Hearing Advisor or have access to the matter.

11.3 The University will maintain as confidential any Supportive Measures provided to the Complainant or Respondent, to the extent that maintaining such confidentiality would not impair the ability of the University to provide the Supportive Measures.

11.4 The University will protect the anonymity of all individuals involved in a report or a Formal Complaint by refusing to disclose their identifying information to anyone outside the University to the maximum extent permitted by law.

11.5 The University has great respect for the privacy of the parties identified in a report or Formal Complaint. Under state law, however, Responsible Employees who receive information of alleged Sexual Misconduct must share that information with the Title IX Coordinator. As such, the University may need to act to maintain campus safety and must determine whether to investigate further, regardless of the Complainant’s request for confidentiality or request to not investigate a report submitted to the Title IX Coordinator.

11.6 In making determinations regarding requests for confidentiality including Complainants’ requests to not investigate, dismiss Formal Complaints, and/or to not disclose identifying information to Respondents, the Title IX Coordinator must deliberately weigh the rights, interests, and safety of the Complainant, the
Respondent, and the campus community. The University must consider the following non-exclusive factors when determining whether to investigate an alleged incident of Sexual Misconduct:

- The seriousness of the alleged incident;
- Whether the University has received other reports of alleged Sexual Misconduct by the alleged Respondent;
- Whether the alleged incident poses a risk of harm to others; and
- Any other factors the University determines relevant.

11.7 Under state law, if the Complainant requests in writing that the University not investigate a report, the University must inform the Complainant of the decision whether or not to investigate.

11.8 When a Formal Complaint is signed by the Title IX Coordinator rather than filed by a Complainant, the University is required to send both parties details about the allegations, including the identity of the parties, if known. If the Complainant's identity is unknown, the grievance process under this Policy may proceed if the Title IX Coordinator determines it is necessary to sign a Formal Complaint, even though the written notice of allegations required in this Policy does not include the Complainant's identity.

11.9 Community-based programs not affiliated with the University may also be confidential resources and would follow their own policies and procedures regarding reporting duties.

11.10 The University will protect the confidentiality of Complainants and other necessary parties while ensuring Clery Act statistical reporting requirements, specifically, such reporting will be done without inclusion of personally identifying information about a Complainant.

12. SELF-HELP

12.1 An individual who believes that they are the subject of unlawful Sexual Misconduct may choose to deal with the alleged offender directly through a face-to-face discussion, a personal telephone conversation, e-mail correspondence, or letters. In some cases, this approach may resolve the situation; in others, it may be ineffective or place the individual in an uncomfortable, insecure, or compromised position.

12.2 Under no circumstances should an individual feel pressured to address the alleged offender directly or handle the matter alone, and a decision not to confront a
person alleged to be discriminatory or harassing will not be treated negatively under this Policy.

13. PRELIMINARY RESPONSE PROCEDURES

13.1 A report of a violation of this Policy does not automatically begin the formal grievance procedures outlined in this Policy. A Complainant who reports an incident of Sexual Misconduct may seek a formal grievance process by filing a Formal Complaint as described in Section 14 of this Policy.

13.2 The University will determine the appropriate preliminary response to each report based on the information available at the time of the report and, whenever possible, with the input of the Complainant.

13.3 When the University receives a report regarding an alleged violation of this Policy, it will take reasonable measures to do the following:

- Contact the Complainant and the Respondent to notify them of their rights and options under this Policy;
- Implement any appropriate Supportive Measures; and
- Conduct a preliminary investigation, as appropriate.

13.4 Anyone who reports Sexual Misconduct will be notified of their right to speak to the appropriate law enforcement agency and file a report for possible criminal prosecution.

13.5 The processes outlined in this Policy is separate from any criminal proceeding related to the reported behavior and may occur while criminal proceedings are ongoing.

13.6 Proceedings under this Policy will not be dismissed or delayed because criminal prosecution is pending, criminal charges have been dismissed, or the criminal charges have been reduced.

14. FILING A FORMAL COMPLAINT & INVESTIGATION

14.1 If a Complainant wishes to pursue official University action against a Respondent for alleged Sexual Misconduct, they may follow the steps described in this section to file a Formal Complaint, which will initiate an investigation. At the end of the investigation, the Title IX Coordinator will make a determination on which grievance process (as described in Section 15 and 16 of this Policy) is appropriate based on jurisdictional requirements.
14.2 Filing a Formal Complaint

14.2.1 A Complainant may file a Formal Complaint alleging Sexual Misconduct with the Title IX Coordinator in person, by mail, by electronic mail, or by the University’s electronic reporting system.

14.2.2 The University does not limit the timeframe for filing a report or Formal Complaint of Sexual Misconduct, although the University’s ability to take any action may be limited because of the passage of time.

14.2.3 Even in the absence of a Formal Complaint, some circumstances may require the Title IX Coordinator to initiate a Formal Complaint in order to protect the University community. If the Title IX Coordinator initiates a Formal Complaint, the Title IX Coordinator is not a Complainant or otherwise a party. The decision for the Title IX Coordinator to file a Formal Complaint is not taken lightly and will be determined based on various factors including, but not limited to, the type of actions alleged in the report, prior reports received, the potential for repeated behavior, and/or the potential on-going risk to the non-participating Complainant and/or the University community.

14.2.4 If the Title IX office determines that the Formal Complaint does not contain alleged conduct that constitutes Sexual Misconduct as defined in this Policy, the Title IX office will endeavor to determine whether other
codes of conduct or University policies might have been implicated by the alleged conduct and refer accordingly.

14.2.5 Once a Formal Complaint is filed, if the Complainant decides that they want to withdraw the Formal Complaint, the University’s investigation may still proceed.

14.2.6 The University may consolidate Formal Complaints as to the allegations of Sexual Misconduct against more than one Respondent, or by more than one Complainant against one or more Respondents, where the allegations of Sexual Misconduct arise out of the same facts or circumstances.

14.3 Written Notice to the Parties

14.3.1 After receipt of a Formal Complaint, the Title IX Coordinator will provide written notice to the parties within five (5) business days, which will include, but is not limited to:

- Notice of the University’s Title IX Grievance Procedure, if applicable, including information about the Informal Resolution process;
- Notice of the allegations that may constitute Sexual Misconduct;
- Sufficient details, including the identities of the parties involved in the incident, the conduct allegedly constituting Sexual Misconduct, and the date and location of the alleged incident, if known;
- A statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
- Notice that the parties may have a Personal Advisor of their choice who may be, but is not required to be, an attorney;
- Notice that the parties may inspect and review evidence, in accordance with applicable policies; and

Notice of any provision of the University’s code of conduct or other policy that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

14.4 Response to a Formal Complaint

14.4.1 A Respondent’s response to a Formal Complaint is due to the Title IX office within five (5) business days from the date the Title IX office sent it
to the Respondent. The Title IX office may grant an extension for good cause.

14.4.2 The response should address and respond to the specific allegations made in the Formal Complaint and can include any other rebuttal information or evidence.

14.4.3 A response may be provided in writing or through an in-person interview with the investigator(s).

14.4.4 While a Respondent is not required to provide a response to the Formal Complaint or answer questions related to the investigation, this will not stop the Formal Complaint process. Failure to acknowledge receipt of the Formal Complaint may be considered a violation of University policy and could result in additional action.

14.5 Informal Resolution (Optional)

14.5.1 If a Formal Complaint alleges a violation of this Policy, the Title IX Coordinator may choose to offer the parties an informal process that resolves the Formal Complaint without completing the grievance process. The option to informally resolve a Formal Complaint depends on whether the University determines that informal resolution may be appropriate and whether both parties voluntarily agree to attempt informal resolution.

14.5.2 If informal resolution is offered by the Title IX Coordinator, the parties are not required to accept this process. If the parties choose to accept the informal resolution process, they must provide their written consent to the Title IX Coordinator.

14.5.3 The informal resolution offered by the Title IX Coordinator may encompass a broad range of conflict resolution strategies, including, but not limited to:

- Alcohol education classes;
- Regular meetings with an appropriate University official(s);
- Permanent extension of a mutual no contact directive;
- Restriction from participation in student organizations;
- University-led training sessions; and
- Counseling sessions.
14.5.4 Any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to a Formal Complaint at any time prior to agreeing to a resolution.

14.5.5 If an informal resolution is accepted by the parties in writing, the Title IX Coordinator will provide the parties written notice of the following:

- The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming the grievance process with respect to a Formal Complaint arising from the same allegations;

- At any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the Formal Complaint; and

- Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

14.5.6 Any final resolution pursuant to the informal resolution process will be documented and kept for seven (7) years as required by law. However, no recording of the informal resolution process will be made and any statements made during the informal resolution process may not be used for or against either party. Failure to comply with an informal resolution agreement may result in disciplinary action.

14.5.7 Informal resolution may not be used to resolve Sexual Misconduct allegations where a University employee is alleged to have engaged in Sexual Misconduct against a student. Under certain circumstances, a student may be considered an employee.

14.6 Investigation

14.6.1 Absent extenuating circumstances, a Sexual Misconduct investigation will begin upon receipt of a Formal Complaint of alleged Sexual Misconduct. A preliminary investigation may begin prior to receiving a response from a Respondent.

14.6.2 Title IX investigator(s) will attempt to gather evidence and interview the Complainant, the Respondent(s), and any witnesses, including those identified by the Complainant and Respondent, as appropriate.

14.6.3 Both Complainant and Respondent will be provided equal opportunity to present witnesses and other inculpatory and exculpatory evidence.
14.6.4 Both Complainant and Respondent will be provided equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a Formal Complaint, including the evidence upon which the University does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source.

14.7 Inspection of Evidence and Investigative Report

14.7.1 Prior to the completion of the investigative report, the Title IX investigator(s) will send to each party and their Advisor, if any, a draft copy of the investigative report and all evidence obtained as part of the investigation, including all inculpatory or exculpatory evidence.

14.7.2 The parties will be given ten (10) business days to review the draft report and evidence and provide a written response before the investigative report becomes final.

14.7.3 The Title IX investigator(s) will finalize the investigative report after considering the responses from the parties and will provide a copy to the parties and their Personal Advisors, if any, at least ten (10) business days prior to the hearing.

15. TITLE IX SEXUAL MISCONDUCT GRIEVANCE PROCEDURE

15.1 If the alleged Sexual Misconduct is found to be considered Title IX Sexual Misconduct, the Title IX Grievance Procedure, described in Appendix B of this Policy, will apply.

16. UH SYSTEM SEXUAL MISCONDUCT GRIEVANCE PROCEDURE

16.1 If the alleged Sexual Misconduct is found to be considered UH System Sexual Misconduct, the UH System Sexual Misconduct Grievance Procedure, described in Appendix C of this Policy, will apply.

17. RETALIATION PROHIBITED

17.1 The University takes reports of Sexual Misconduct very seriously and will not tolerate retaliation against those who in good faith make such reports or participate in the investigation or adjudication process.

17.2 No person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any rights or privilege secured in this Policy or because the individual has made a report or Formal Complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this Policy.
17.3 Any person who believes that they have been subjected to retaliation should immediately report this concern to the Title IX Coordinator.

17.4 If an individual makes a materially false statement in bad faith during the course of a grievance procedure under this policy, this conduct may constitute a violation through a separate University policy. A finding through a separate policy does not constitute retaliation prohibited in this section. However, a determination of responsibility under the Sexual Misconduct, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

18. IMMUNITY

18.1 To encourage reporting, the University will not take any disciplinary action against a student enrolled at the University who in good faith reports being the victim of, or a witness to, an incident of Sexual Misconduct for a violation under the University’s Student Code of Conduct for conduct by the student occurring at or near the time of the incident, regardless of the location at which the incident occurred or the outcome of the University’s disciplinary process regarding the incident, if any. The University may investigate to determine whether a report of an incident of Sexual Misconduct was made in good faith. A determination that a student is entitled to amnesty is final and may not be revoked.

18.2 A person employed by or enrolled at the University acting in good faith who reports or assists in the investigation of a report of an incident of alleged Sexual Misconduct, or who testifies or otherwise participates in the Formal Complaint process, will not be subjected to any disciplinary action by the University for any violation by the person of the University’s code of conduct reasonably related to the incident for which suspension or expulsion from the institution is not a possible punishment. Decisions regarding immunity are made by the Title IX Coordinator in conjunction with the appropriate sanctioning body.

18.3 Immunity, as described in this section, does not apply to individuals who participate or assist in the reported alleged incident.

19. ALLEGATIONS INVOLVING UNIVERSITY-AFFILIATED ORGANIZATIONS

19.1 If a report is made alleging that a University-Affiliated organization has violated this Policy, the Title IX Coordinator will make a referral to the appropriate administrative department and/or adjudicative body over that organization to ensure a timely, equitable process to determine if an organization violated relevant University policies.

19.2 If a report is made involving an organization, The Title IX Coordinator will seek to identify any individuals who may be involved. The Title IX Coordinator will, in collaboration with the Complainant whenever possible, determine whether a
Formal Complaint under this Policy will be filed against any identified individuals.

19.3 The Title IX Coordinator will work in partnership with the appropriate adjudicative body should there be concurrent investigations involving individuals and organizations, including, but not limited to, sharing information with appropriate University administrators who have a legitimate need to know.

20. NON-PARTICIPATING COMPLAINANTS

20.1 Non-participating complainants, individuals who decline to serve as a Complainant as per Section 14, will maintain certain rights per this Policy.

20.2 When the Title IX Coordinator pursues a Formal Complaint on behalf of the University, it will work with the non-participating complainants to the extent they are willing and/or able to participate.

20.3 Non-participating complainants receive the same notifications as the Complainant and Respondent as outlined in Appendix B and Appendix C of this Policy, unless they request otherwise.

20.4 Non-participating complainants always maintain the right to reasonable Supportive Measures as outlined in Section 9 of this Policy.

20.5 Non-participating complainants do not have appeal rights as per this Policy.

21. ADDITIONAL INTERVENTIONS

21.1 When a report is received alleging a violation of this Policy, the University will take appropriate steps to assess whether additional actions, beyond a formal investigation and possible disciplinary sanctions, are appropriate, regardless of whether a Formal Complaint is filed or a finding of violation made.

21.2 Actions may respond to the specific needs of impacted persons and/or may address the needs of the University community to respond to immediate and long-term concerns regarding personal safety, academic success, and emotional well-being.

21.3 Actions may include extending Supportive Measures provided to impacted persons such as those listed in Section 9 or new actions taken to respond to immediate and long-term concerns regarding personal safety, academic success, and emotional well-being.

21.4 Actions to address the needs of the University community may include, but are not limited to, training (both targeted training and campus-wide programs), campus safety assessments, campus climate surveys, and evaluation of policies
and procedures.

22. ADMINISTRATIVE REPORTING

22.1 Not less than once every three months, the Title IX Coordinator of the University shall submit to the University’s chief executive officer a written report on the reports received for the institution’s reporting period. The report shall include the following information: the investigation of reports; the disposition, if any, of any disciplinary processes arising from reports; and the reports for which the institution determined not to initiate a disciplinary process, if any.

22.1.1 The Title IX Coordinator will immediately report to the University’s chief executive officer any incident in which the Title IX Coordinator has cause to believe that the safety of any person is in imminent danger as a result of the incident.

22.2 At least once annually during either the fall or spring semester the chief executive officer of the University shall submit to the University’s Board of Regents and post on the University’s website a report concerning the reports received from the Title IX Coordinator.

23. COMPLIANCE

23.1 The chief executive officer of the University shall annually certify in writing to the Coordinating Board, in October of each year, that the institution is in substantial compliance with Texas Education Code Subchapter E-2 (Sections 51.251-51.260).

24. TRAINING

24.1 Investigator(s) will receive training at least annually on issues related to Sexual Misconduct and how to conduct the processes outlined in this Policy while being both trauma-informed and impartial, while protecting the safety of those involved and promoting accountability.

24.2 Members of the University’s Hearing Board and Hearing Officers will receive training at least annually on issues related to Sexual Misconduct. These individuals will also receive training regarding the role of the Title IX office to enforce this Policy, best practices for hearings and hearing panelists, and their role in ensuring and promoting safety, due process, and accountability.

24.3 The University will provide training for all incoming students and new employees that increase their knowledge about this Policy, their rights, and resources, as well as strategies to prevent violence, promote safety, and reduce perpetration. Employees will receive initial mandatory training within thirty (30) days of their hire date and supplemental training every two (2) years.
24.4 The University will provide training for Title IX Coordinators, investigators, Hearing Officers, and any person designated by the University to facilitate an informal resolution process as required by Title IX.

APPENDIX A – Definitions

This chart provides clarity on the definitions of acts which constitute Sexual Misconduct under Title IX and UH System Policy. *Please note, for Title IX Sexual Misconduct the alleged conduct must meet the jurisdictional requirements described in Section 4.4 – Jurisdiction. In other words, the conduct alleged must occur in the United States, on campus or at a University affiliated building or event, while the Complainant is attempting to participate in a University program.

APPENDIX B – Title IX Grievance Procedures

1. TITLE IX INVESTIGATIVE REPORT

1.1 Upon completion of the investigation report by a Title IX investigator and a determination that the alleged Sexual Misconduct is considered Title IX Sexual Misconduct, the University will hold a hearing during which both parties’ Hearing Advisors will have the opportunity to present relevant evidence and ask questions of the parties and witnesses.

2. PREPARING FOR A HEARING

2.1 Absent extenuating circumstances, the Title IX Coordinator will schedule a hearing within fifteen (15) business days from the conclusion of the investigation.

2.2 Once the hearing is scheduled, requests to reschedule the hearing must be submitted in writing to the Title IX Coordinator and will be considered by the Hearing Officer.

2.3 The Complainant and Respondent(s) will be notified of the identity of the Hearing Officer for their hearing. Within five (5) business days of this notification, the Complainant and Respondent(s) have the opportunity to object in writing to the Hearing Officer for cause. The Title IX Coordinator, in consultation with the Hearing Officer, will consider any objection and replace the Hearing Officer if appropriate. In the event that the Hearing Officer recuses themselves, an alternative Hearing Officer will be assigned.

2.4 No later than five (5) business days prior to the hearing, all materials that will be used at the hearing must be submitted to the Title IX Coordinator. The Title IX Coordinator will simultaneously make this material available for inspection or provide the materials to both parties as well as the Hearing Officer. The materials must include:

- All documents and other tangible evidence that will be used as evidence during the hearing.

- The names of any witnesses and a brief summary concerning the subject matter of the witness’ expected testimony.

- The name of any advisor to be in attendance at the hearing and whether that person is an attorney. Only one Personal Advisor and one Hearing Advisor per party is allowed to attend.
2.5 No witness, document, or tangible evidence will be permitted at the hearing unless such information was timely submitted.

2.6 It is the responsibility of the party wanting to present a witness to secure that witness.

3. TITLE IX HEARING

3.1 Roles and Responsibilities

3.1.1 Designated Representative

A. A designated representative may be present at a hearing to serve as a resource to the Hearing Officer for sanctioning purposes in the case of a finding.

3.1.2 Hearing Advisor

A. A Hearing Advisor is responsible for advising and acting on behalf of a named party as to presentation of witnesses. Each party may have one (1) Hearing Advisor.

B. A Hearing Advisor may present evidence, question witnesses, and will conduct cross examination of the parties and witnesses. Each party will present their own opening and closing statements, which will be limited to fifteen (15) minutes each.

C. Hearing Advisors shall not directly address the opposing Hearing Advisor or the opposing party outside of cross-examination.

D. Hearing Advisors and parties shall not cause unreasonable delays by failing to schedule or appear for a meeting as requested by a Hearing Officer.

E. Hearing Advisors must adhere to the rules of decorum.

3.1.3 Hearing Officer

A. The Hearing Officer may question any individual at any time during the hearing.
B. The Hearing Officer may impose reasonable time limits on any stage of the hearing.

C. The Hearing Officer may determine the relevance of, and place restrictions on, any witness testimony or questions or information presented. The Hearing Officer has the responsibility to determine the relevancy of questions and explain in real time any decision not to permit a question to be asked.

D. The Hearing Officer will make determinations on admissibility.

E. The Hearing Officer has the authority to dismiss a Hearing Advisor who, in the Hearing Officer’s judgment, is badgering or harassing a witness or party. Should the Hearing Officer dismiss a party’s Hearing Advisor, the hearing shall be suspended until that party is assigned or obtains a new Hearing Advisor.

F. The Hearing Officer has the authority to request the attendance of a witness who was not designated by the parties if the Hearing Officer determines the witness may have relevant information.

G. The role of the Hearing Officer is to determine whether or not there is a finding of a violation of the University’s Sexual Misconduct Policy. The finding(s) will be determined using a preponderance of the evidence standard; that is, whether it is more likely than not that a Respondent violated this Policy.

3.1.4 Parties

A. Complainants and Respondents are precluded from conducting cross-examination personally. The only method for conducting cross-examination is by a party’s Hearing Advisor.

B. Parties shall not address each other during the hearing.

C. Parties must adhere to the rules of decorum.

3.1.5 Witnesses

A. Parties are responsible for requesting their witnesses to attend the hearing and securing their witness’ attendance. The University cannot compel a witness to attend.
B. Witnesses must have observed the acts in question or have information relevant to the incident and cannot be participating solely to speak about an individual’s character. The Hearing Officer will determine whether to allow a witness to speak at the hearing.

C. Witnesses must adhere to the rules of decorum.

D. Witnesses may be present in a hearing only during their testimony.

3.2 Decorum – During the hearing, all participants are expected to adhere to the following rules of behavior and decorum:

3.2.1 All participants should refrain from making disparaging personal remarks or displays of hostility toward opposing parties or advisors.

3.2.2 All participants should refrain from making gestures, facial expressions, audible comments, or the like, as manifestations of approval or disapproval during the testimony of witnesses or a party, or at any other time.

3.2.3 All participants should refrain from interrupting or talking over one another.

3.2.4 All participants shall not engage in conduct that disrupts the orderly operation of the hearing.

3.2.5 Hearing Advisors and the parties shall refrain from making any comments after the Hearing Officer has issued any determination about relevance, admissibility, or other matter.

3.3 Hearing Process

3.3.1 The hearing will be held in accordance with the process set forth in this Policy.

3.3.2 Standard of Evidence – In all cases before a Hearing Officer, the standard of proof is a preponderance of evidence. A finding of responsibility by a preponderance of the evidence means that it is more likely than not, based on all the reasonable evidence presented, that the Respondent violated this Policy. The burden of proof is on the University. By law, it is presumed that the Respondent is not responsible for the alleged conduct unless a
determination regarding responsibility is made at the conclusion of the grievance process.

3.3.3 The general course of the hearing procedure will be as follows, subject to the discretion of the Hearing Officer:

A. The Hearing Officer will convene the hearing, introduce the individuals present, give a brief description of the process, invite questions about the process, and allow the parties the opportunity to present a brief opening statement.

B. The Complainant or the Hearing Advisor for Complainant shall present evidence (including calling and questioning their own witnesses) to the Hearing Officer.

C. The Hearing Advisor for the Respondent shall have the opportunity to conduct cross-examination after the Hearing Advisor for the Complainant or the Complainant has completed questioning each of their own witnesses.

D. After all the Complainant’s witnesses have been examined by both sides, the Respondent or the Hearing Advisor for the Respondent shall have the same opportunity to present their evidence and their own witnesses.

E. The Hearing Advisor for the Complainant shall have the opportunity to conduct cross-examination after the Hearing Advisor for the Respondent or the Respondent has completed questioning each of their own witnesses.

F. After both parties have presented their witnesses, the Title IX representative may provide testimony and documentation regarding their investigation to the Hearing Officer. The Title IX representative may be questioned by the Hearing Advisors or Hearing Officer.

G. The Hearing Officer will allow the parties the opportunity to present a brief closing statement before concluding the hearing.

3.3.4 At the request of either party, the University will provide the parties separate rooms and use technology so that the Hearing Officer and parties may simultaneously see and hear the questions. The hearing may also take
place virtually.

3.3.5 An audio and/or video recording of the hearing will be kept for the use of the Hearing Officer and for any appeal. The parties and their Hearing Advisors may request to review the recording.

3.4 Evidence

3.4.1 Evidence that is not relevant or admissible:

A. Information protected by a legally recognized privilege.

B. Evidence about a Complainant’s prior sexual history cannot be used to prove character or reputation and may only be allowed to prove that someone other than the Respondent committed the alleged conduct or if offered to prove consent.

C. Any party’s medical, psychological, and similar records unless the party has given voluntary written consent or presents the records themselves.

D. If a party or witness does not submit to cross-examination at the hearing, the Hearing Officer must not rely on any statement of that party or witness in reaching a determination regarding responsibility. The Hearing Officer cannot draw an inference about the determination regarding responsibility based solely on a party’s or witness’ absence from the hearing or refusal to answer cross-examination or other questions.

E. Hearsay exceptions such as statements against a party’s interest or death or disability of a party or witness are not recognized in Title IX hearings if the party or witness does not submit to cross-examination at the hearing.

F. Similarly, police reports, SANE reports, medical reports, and other documents and records may not be relied on to the extent they contain the statements of a party or witness who has not submitted to cross-examination.

3.4.2 Evidentiary Exceptions

A. Statements that have not been subject to cross examination at a hearing may be submitted in the following circumstances:

1. If the evidence involves intertwined statements of both parties (e.g., a text message exchange or e-mail thread) and one party
refuses to submit to cross-examination and the other does submit, the statements of one party cannot be relied on but the statements of the other party may be relied on.

2. Where a Complainant refuses to answer cross-examination questions, but video or other evidence exists showing the underlying incident, the Hearing Officer may still consider the available evidence and make a determination.

3.5 Finding(s) and Written Determination

3.5.1 The Written Determination will contain both the finding(s) and the sanctions or remedies, if applicable, and will be provided to the parties simultaneously.

3.5.2 Sanctions – The sanctions for a finding of a violation of the Sexual Misconduct Policy will be commensurate with the offense and may include, but are not limited to, the following:

- Probation (including disciplinary probation)
- Temporary or permanent ban from campus locations (such as residence hall communities)
- Educational programs such as state-certified batterer’s intervention
- Ban from participating in campus organizations or activities
- Disqualification from employment or student leadership positions
- Withholding of transcripts, grades, diploma, or degree
- Partial or full criminal trespass
- Suspension from employment and/or enrollment
- Revocation of admission
- Termination of employment
- Expulsion

3.5.3 If a student is issued a sanction that makes them ineligible to reenroll in the University, the University will include on the student’s transcript a
notation stating that the student is ineligible to reenroll in the University for a reason other than an academic or financial reason.

On the student’s request, the University may remove the notation from a student’s transcript if the student is eligible to reenroll in the University or the University determines that good cause exists to remove the notation.

3.5.4 In accordance with Texas law, the University must terminate an employee who is found to have knowingly failed to make a report of Sexual Misconduct when the Responsible Employee was required to do so or knowingly made a false report of Sexual Misconduct with intent to harm or deceive. Knowingly failing to make a report and knowingly making a false report are criminal offenses under Texas law.

3.5.5 Remedies – Regardless of the finding(s), and in addition to sanctions that may be imposed pursuant to the appropriate disciplinary policy, the University will take appropriate action(s) to resolve Formal Complaints of Sexual Misconduct, prevent any recurrence and, as appropriate, remedy any effects. These actions may include, but are not limited to the following:

- Ensuring the Complainant and Respondent do not share classes, working environments, or extracurricular activities;
- Making modifications to the on-campus living arrangements of a Respondent or Complainant (if the Complainant requests to be moved);
- Providing comprehensive, services including medical, counseling, and academic support services such as tutoring;
- Determining whether the Sexual Misconduct adversely affected the Complainant’s University standing and providing a remedy for same;
- In conjunction with University leaders, conducting a University climate check to assess the effectiveness of efforts to ensure that the University is free from Sexual Misconduct, and using that information to inform future proactive steps that the University will take; and
- Providing targeted group training.

These remedies are separate from, and in addition to, any Supportive Measures that may have been provided before the end of the University’s investigation. If the Complainant did not take advantage of a specific service (e.g., counseling) when offered as a Supportive
Measure, the Complainant should still be offered, and is still entitled to, appropriate final remedies that may include services the Complainant declined as a Supportive Measure.

3.5.6 Written Determination – The Hearing Officer will provide a Written Determination of responsibility and sanction(s), if applicable, simultaneously to the Title IX Coordinator and the parties. The Written Determination will include the following statements from the Hearing Officer:

- Identification of the allegations at issue;
- Description of the procedural steps taken throughout the case including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
- Findings of fact supporting the determination;
- Conclusions regarding the application of the Sexual Misconduct Policy;
- A statement and rationale as to the determination for each allegation; and
- A statement of any disciplinary sanctions imposed on the Respondent and whether any remedies will be provided to the Complainant.

- The Written Determination will also include a description of the procedures and permissible grounds for appeal.

4. APPEAL

4.1 The Complainant and the Respondent(s) both have the right to appeal to the appropriate administrator a Title IX dismissal or Written Determination by submitting their written appeal to the Title IX Coordinator within five (5) business days from the date they receive the Title IX dismissal or Written Determination. The appealing party may appeal the dismissal, finding, sanction, or remedy. The non-appealing party will be notified of the appeal and be permitted to submit a written statement in response within five (5) business days of receiving notice of the appeal.

4.2 Grounds for Appeal – The sole grounds for appeal are:

4.2.1 Procedural irregularity that affected the outcome of the matter;
4.2.2 The weight of the evidence does not support or is contrary to the Hearing Officer’s determination;

4.2.3 New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could significantly affect the outcome of the matter;

4.2.4 The Title IX Coordinator, investigator(s), Hearing Officer, or designated representative had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant or Respondent that affected the outcome of the matter;

4.2.5 Parties may appeal erroneous relevance determinations during the hearing if they significantly affected the outcome; and

4.2.6 The sanctions are not commensurate with the violation(s) found.

4.3 The role of the appropriate administrator is to accept, reject, or remand the Title IX dismissal or Written Determination.

4.4 A Written Determination will become final upon the earlier of when:

- The parties are notified of the appropriate administrator’s decision on the appeal; or

- The time to file an appeal has passed with neither party appealing.

4.5 The appropriate administrator will review the record on appeal which may include the investigative file, hearing recording, and appeal documentation from the parties only, and will render a written decision simultaneously to the Title IX Coordinator and the parties within fifteen (15) business days from the date that any response to the appeal is filed, with extensions for good cause allowed.

4.6 If the party’s appeal includes an appeal of the sanction(s) determined by the Hearing Officer, the appropriate administrator will refer the appeal for further process as follows:

4.6.1 Any appeal to the sanction against a faculty member must be addressed through the University’s faculty handbook/manual policies and procedures related to faculty grievances;

4.6.2 Any appeal to the sanction against a non-faculty University employee must be addressed through the University’s policies and procedures related to employee grievances; and
4.6.3 Any appeal to the sanction against a student must be addressed through the final appeal process in the University’s Student Code of Conduct or its equivalent.

4.7 If the appropriate administrator extends the fifteen (15) day deadline, they must provide a written explanation to the Title IX Coordinator and the parties in writing by that deadline and every ten (10) business days thereafter.
APPENDIX C – UH System Sexual Misconduct Grievance Procedures

1. TITLE IX INVESTIGATOR FINDING

1.1 At the conclusion of an investigation of a Formal Complaint and a determination that the alleged Sexual Misconduct is considered UH System Sexual Misconduct, as defined in this Policy, the investigative report will contain the Title IX investigator’s finding(s) and recommendation. The Complainant and Respondent(s) will have the opportunity, but are not required, to respond to the investigative report in writing in advance of the Title IX investigator’s finding. The Complainant and Respondent(s) should be provided updates on the progress of the investigation and issuance of the report.

1.2 The finding(s) will be determined using a preponderance of the evidence standard; that is, whether it is more likely than not that a Respondent violated this Policy.

1.3 If it is determined that this Policy was violated, appropriate university action will be recommended in an effort to eliminate Sexual Misconduct, prevent its recurrence, and address its effects.

1.4 Even if it is determined that this Policy was not violated, a recommendation may be made that a Respondent undertake educational initiatives and/or trainings.

1.5 The Complainant and the Respondent(s) will be simultaneously notified in writing of the finding(s) and appeal rights under this Policy.

1.6 At any time after a finding has been made that a Respondent has violated the Policy, the University may implement an interim sanction against the Respondent while the Formal Complaint is being further adjudicated.

1.7 Once findings have been made, any party to the Formal Complaint may request to meet with the investigator(s) to discuss the investigation and finding(s), and/or to inspect the investigative file.

2. NEW INFORMATION

2.1 If a party has new information they believe would have significantly impacted the finding(s) (e.g., witness testimony, documents, or other tangible evidence), they may submit that information to the Title IX Coordinator.

2.2 If the Title IX Coordinator determines that the submitted information should be reviewed, and the information was not available for the party to present during the investigation, the case may be re-opened.
2.3 The Title IX Coordinator will inform the parties of any new information. The parties will have the opportunity to respond to this information, and the Title IX Coordinator will consider the response(s) in deciding whether to reopen the investigation.

2.4 If the Title IX Coordinator decides to reopen the investigation, the process will resume at Section 14.6 – Investigation in the Policy.

3. GROUNDS FOR HEARING FOLLOWING A TITLE IX INVESTIGATOR FINDING

3.1 A hearing request to challenge the Title IX investigator’s finding(s) must be submitted in writing to the Title IX Coordinator within five (5) business days of receiving the finding(s).

3.2 The Complainant and the Respondent(s) both have the right to request a hearing to challenge a finding for any error or procedural defect occurring during the investigation that could have significantly impacted the finding. The individual requesting a hearing will be referred to as the moving party.

3.3 A hearing is not a new investigation of the Formal Complaint.

3.4 A non-moving party does not have to participate.

3.5 If a hearing request is filed in accordance with this Section, the hearing request will automatically be presented to the University’s Hearing Board (“Board”) by the Title IX Coordinator.

3.6 The moving party may withdraw a hearing request in writing to the Title IX Coordinator prior to the scheduled start of the hearing. A withdrawn request will conclude the matter.

4. COMPOSITION OF THE BOARD

4.1 Members of the Board are selected from recommendations from the University’s Faculty Senate, Staff Council, and Student Affairs departments/offices, who shall each recommend at least five (5) individuals to the University’s President. The President shall then select a Board of eight (8) with representation from each group recommended. Except for the first Board, members shall serve staggered terms of three (3) years.

4.2 If a conflict of interest arises for any of the Board members, the Title IX Coordinator will make a recommendation to the Board Chair to reduce or eliminate the conflict of interest.

4.3 Upon the Board’s receipt of the hearing request, the Title IX Coordinator will take a poll to identify four (4) members to attend the hearing and compose the Hearing
Panel (three (3) members of the Hearing Panel will serve as voting members and one (1) will serve as an alternate, non-voting member).

5. RESPONSIBILITIES OF THE HEARING PANEL/NON-AFFILIATED HEARING OFFICER

5.1 If the hearing request concerns Sexual Assault, the moving party may waive their right to a hearing before the Hearing Panel and have their challenge heard by an individual hearing officer not affiliated with the University (“Non-affiliated Hearing Officer”). To waive their right to a Hearing Panel, the moving party must submit written notice to the Title IX Coordinator within five (5) business days of receiving the Title IX investigator’s finding(s).

5.2 The Hearing Panel/Non-affiliated Hearing Officer will make decisions using a preponderance of the evidence standard.

5.3 The role of the Hearing Panel/Non-affiliated Hearing Officer is to recommend that the appropriate administrator accept, remand, or reject the Title IX investigator’s finding(s).

5.4 The Hearing Panel/Non-affiliated Hearing Officer can only recommend remanding the Title IX investigator’s finding(s) if:

- An error or procedural defect occurred during the investigation that could have significantly impacted its finding(s); or

- Further investigation is warranted for any other material reason.

5.5 The Hearing Panel/Non-affiliated Hearing Officer can only recommend rejecting the Title IX investigator’s finding(s) if:

- The weight of the evidence does not support or is contrary to the Title IX investigator’s finding(s); or

- An error or procedural defect that significantly impacted the finding(s) is discovered and the error cannot be remedied.

5.6 While the Hearing Panel/Non-affiliated Hearing Officer will have the opportunity to review any evidence presented at the hearing, their role is not to reinvestigate the original Formal Complaint or to review allegations that would otherwise constitute a new Formal Complaint under this Policy or any other University policy.
6. RESPONSIBILITIES OF THE PERSONAL ADVISOR

6.1 Parties may elect to bring a Personal Advisor for any hearing related to the UH System Sexual Misconduct Grievance Procedure.

6.2 An advisor will not be permitted to speak on behalf of the advisee, make an oral presentation, including an opening or closing argument, be a witness, or question witnesses, the Title IX representative, or the Panel during the hearing. A Personal Advisor may respond to a direct question from the investigator during a meeting or the Hearing Panel/Non-affiliated Hearing Officer during a hearing.

6.3 A Personal Advisor is subject to the same confidentiality expectations applicable to others in attendance. Accommodations, including scheduling of interviews or hearings, will not be made for any advisors if they unduly delay the process.

7. PREPARING FOR A HEARING

7.1. Absent extenuating circumstances, the Title IX Coordinator will schedule a hearing to be held within fifteen (15) business days from the filing of the request.

7.2. Once the hearing is scheduled, requests to reschedule the hearing must be submitted in writing to the Title IX Coordinator and will be considered by the Hearing Panel/Non-affiliated Hearing Officer and the Title IX Coordinator.

7.3. The Complainant and Respondent(s) will be notified of the composition of the Hearing Panel or the identity of the Non-affiliated Hearing Officer for their hearing. Within five (5) business days of this notification, the Complainant and Respondent(s) have the opportunity to object in writing to a panel member or the Non-affiliated Hearing Officer for cause. The Title IX Coordinator, in consultation with the members of the Hearing Panel or Non-affiliated Hearing Officer, will consider any objection and replace the panel member or the Non-affiliated Hearing Officer if appropriate.

7.4. Both parties may bring one (1) Personal Advisor of their choosing, consistent with Section 3.14 – Personal Advisor of this Policy. This advisor may be an attorney provided at the party’s expense.

7.5. No later than five (5) business days prior to the hearing, all materials that will be used at the hearing must be submitted to the Title IX Coordinator, who will forward the materials to the Hearing Panel/Non-affiliated Hearing Officer and will simultaneously make available for inspection or provide the materials to both parties. The materials must include:

- All documents and other tangible evidence that will be used as evidence during the hearing;
7.6 No advisor, witness, document, or tangible evidence will be permitted at the hearing unless such information was timely submitted.

7.7 No new information as defined by Section 2 of these procedures will be presented to the Hearing Panel/Non-affiliated Hearing Officer before or during the hearing.

7.8 It is the responsibility of the party wanting to present a witness to secure that witness.

8. HEARING PROCESS

8.1 Prior to the beginning of a hearing, the Hearing Panel members will select a Chairperson for the hearing.

8.2 The general course of the hearing procedure will be as follows, subject to the discretion of the Panel Chairperson/Non-affiliated Hearing Officer:

8.2.1 The Panel Chairperson/Non-affiliated Hearing Officer will convene the hearing, introduce the individuals present, give a brief description of the process, invite questions about the process, and allow the parties the opportunity to present a brief opening statement;

8.2.2 The moving party shall present their evidence, including calling and questioning their own witnesses, to the Hearing Panel/Non-affiliated Hearing Officer. If the other party participates, they shall have the same opportunity to present their evidence and witnesses;

8.2.3 The Title IX investigator shall present their documentation related to the finding(s) to the Hearing Panel/Non-affiliated Hearing Officer; and

8.2.4 The Panel Chairperson/Non-affiliated Hearing Officer will allow the parties the opportunity to present a brief closing statement before concluding the hearing.

8.3 During the hearing, the Panel Chairperson/Non-affiliated Hearing Officer may impose reasonable time limits on any stage of the hearing.

8.4 The Panel Chairperson/Non-affiliated Hearing Officer may also determine the relevance of, and place restrictions on, any witness or information presented.
8.5 The Hearing Panel/Non-affiliated Hearing Officer may question any individual at any time during the hearing.

8.6 The parties may question their own witnesses, but they cannot directly question each other or any other party’s witnesses.

8.7 The parties may request that the Panel Chairperson/Non-affiliated Hearing Officer ask questions of another party or their witnesses by submitting proposed questions to the Panel Chairperson in writing either prior to, or during, the hearing.

8.8 The Panel Chairperson/Non-affiliated Hearing Officer may determine which questions are relevant, and the Panel Chairperson/Non-affiliated Hearing Officer has the discretion to revise a question or to decline to ask the question.

8.9 An audio recording of the hearing will be kept for the use of the Hearing Panel/Non-affiliated Hearing Officer and for any appeal.

8.10 In cases where a moving party refuses to participate in the hearing, the Hearing Panel/Non-affiliated Hearing Officer will convene and make a decision based on the evidence and testimony available to the Hearing Panel/Non-affiliated Hearing Officer.

8.11 This hearing process is an internal University process and not a formal courtroom process in which rules of evidence and courtroom procedures apply.

8.12 Personal Advisors may attend the hearing and sit with their advisee during the hearing, communicate quietly orally and/or in writing with their advisee during the hearing, and may respond to a direct question from the Hearing Panel/Non-affiliated Hearing Officer.

8.13 An advisor will not be permitted to speak on behalf of their advisee, make an oral presentation, including an opening or closing argument, or to question witnesses, the Title IX investigator, or the Hearing Panel/Non-affiliated Hearing Officer during the hearing.

8.14 If the Hearing Panel/Non-affiliated Hearing Officer determines it is necessary or advisable, alternative testimony options will be available such as allowing a witness to appear via other virtual means (e.g., via telephone or video conference).

9. HEARING PANEL/NON-AFFILIATED HEARING OFFICER DECISION

9.1 If a Hearing Panel is utilized:
After the hearing has concluded, the three voting members of the Panel will deliberate in private.

The Hearing Panel’s decision as described in Section 5.3 of these procedures will be by majority vote.

9.2 If a Non-affiliated Hearing Officer is utilized, they will make their decision alone.

9.3 The Hearing Panel/Non-affiliated Hearing Officer will communicate its decision by completing the hearing decision form and forwarding it to the Title IX Coordinator within three (3) business days of the hearing. If the decision is to remand the case to the Title IX office to correct an investigative error(s), the Hearing Panel/Non-affiliated Hearing Officer will indicate the error(s) to be corrected.

9.4 The Title IX Coordinator will provide a copy of the decision simultaneously to all parties involved in the Formal Complaint.

9.5 If the case is remanded to the Title IX office to correct an investigative error, a Title IX investigator will investigate and submit an Amended Notice of Finding(s) which includes the actions taken to correct the investigative error to the same Hearing Panel/Non-affiliated Hearing Officer for review. The parties will have five (5) business days to respond to the amended investigative report before it becomes final. Once the hearing is scheduled, the process will restart at Section 5 of these procedures.

9.6 At the second hearing, testimony will begin with the Title IX investigator’s presentation, and all parties will be given the opportunity to respond to the new information provided by the Title IX investigator, ask questions of the Title IX investigator, and present any relevant witnesses and/or information.

9.7 If the Hearing Panel/Non-affiliated Hearing Officer accepts or rejects the Title IX investigator’s finding(s), any party or the Title IX office may appeal the decision of the Hearing Panel/Non-affiliated Hearing Officer to the appropriate administrator.

9.8 Any appeal must be filed in writing within five (5) business days of the Hearing Panel/Non-affiliated Hearing Officer’s decision. If no appeal is filed by the deadline, the Hearing Panel/Non-affiliated Hearing Officer’s recommendation(s) become final.

10. APPEAL

10.1 The role of the appropriate administrator is to accept, reject, or remand the Hearing Panel/Non-affiliated Hearing Officer’s recommendation(s).
10.2 The appropriate administrator can remand the case back to the Title IX office if they find:

- An error or procedural defect occurred during the investigation that could have significantly impacted the Title IX investigator’s finding(s); or

- Further investigation is warranted for any other material reason.

10.3 The appropriate administrator can reject the Title IX investigator’s finding(s) if they find:

- The weight of the evidence does not support or is contrary to the Title IX investigator’s finding(s); or

- An error or procedural defect that significantly impacted the finding(s) is discovered and the error cannot be remedied.

10.4 The appropriate administrator can remand the case back to the Hearing Panel/Non-affiliated Hearing Officer if they find an error or procedural defect occurred during the hearing that could have significantly impacted the Hearing Panel/Non-affiliated Hearing Officer’s recommendation(s), or which caused harm to either party.

10.5 If the appropriate administrator accepts or rejects the Hearing Panel/Nonaffiliated Hearing Officer’s recommendation(s), the decision becomes final.

10.6 The appropriate administrator will review the record on appeal which may include the case file, appeal documentation, and hearing recording only, and will render a decision within fifteen (15) business days from the date that the appeal is filed, with extensions for good cause allowed.

10.7 If the appropriate administrator extends the fifteen (15) day deadline, they must provide an explanation to the parties and the Title IX Coordinator in writing by that deadline and every ten (10) business days thereafter.

11. SANCTIONS AND REMEDIES

11.1 If there is a finding of a violation of this Policy, and any appeal of the finding has been exhausted, appropriate university action will be taken, and any sanction imposed on the Respondent(s) will be determined by and implemented by the appropriate administrator after consultation with the Title IX Coordinator.

11.2 If there is a finding of a violation of this Policy against a faculty member, any sanctions imposed on the faculty member will be determined and implemented by the appropriate administrator after consultation with the Title IX Coordinator and
consistent with the University’s faculty handbook/manual.

11.3 If there is a finding of a violation of this Policy against a non-faculty University employee, any sanction imposed on the employee will be determined and implemented by the appropriate administrator after consultation with the Title IX Coordinator and consistent with the University’s policies and procedures related to employee discipline.

11.4 If there is a finding of a violation of this Policy against a student, any sanction imposed on the student will be determined and imposed by the Dean of Students Office or its equivalent after consultation with the Title IX Coordinator and consistent with the University’s policies and procedures related to student discipline.

11.5 The sanctions for committing an act of UH System Sexual Misconduct will be commensurate with the offense and may include, but are not limited to, the following:

- Probation (including disciplinary probation)
- Temporary or permanent ban from campus locations (such as residence hall communities)
- Educational programs such as state-certified batterer’s intervention
- Ban from participating in campus organizations or activities
- Disqualification from employment or student leadership positions
- Withholding of transcripts, grades, diploma, or degree
- Partial or full criminal trespass
- Suspension from employment and/or enrollment
- Revocation of admission
- Termination of employment
  - For faculty members, the recommendation for termination of employment and/or revocation of tenure will be referred to the Provost’s Office for handling in accordance with the policies and procedures pertaining to the dismissal of faculty members.
- Expulsion
11.6 If a student is issued a sanction that makes them ineligible to reenroll in the University, the University will include on the student’s transcript a notation stating that the student is ineligible to reenroll in the University for a reason other than an academic or financial reason.

11.7 On the student’s request, the University may remove the notation if the student is eligible to reenroll in the University or the University determines that good cause exists to remove the notation.

11.8 In accordance with Texas law, the University must terminate an employee who is found to have knowingly failed to make a report of Sexual Misconduct when the Responsible Employee was required to do so or knowingly made a false report of Sexual Misconduct with intent to harm or deceive. Knowingly failing to make a report and knowingly making a false report are criminal offenses under Texas law.

11.9 If a party is dissatisfied with a sanction determined by the appropriate administrator, they may appeal the sanction as follows:

- Any appeal to the sanction against a faculty member must be addressed through the university’s faculty handbook/manual;

- Any appeal to the sanction against a non-faculty University employee must be addressed through the university’s policies and procedures related to employee grievances; and

- Any appeal to the sanction against a student must be addressed through the appeal process in the university’s Student Code of Conduct or its equivalent.

- Ensuring the Complainant and Respondent do not share classes, working environments, or extracurricular activities;

- Making modifications to the on-campus living arrangements of a Respondent or Complainant (if the Complainant requests to be moved);

- Providing comprehensive, holistic victim services including medical, counseling, and academic support services such as tutoring;

- Determining whether the Sexual Misconduct adversely affected the Complainant’s University standing;

- In conjunction with University leaders, conducting a University climate check to assess the effectiveness of efforts to ensure that the University is free from Sexual Misconduct, and using that information to inform future proactive steps that the University will take; or
• Providing targeted group training.

11.10 These remedies are separate from, and in addition to, any Supportive Measures that may have been provided before the end of the University’s investigation. If the Complainant did not take advantage of a specific service (e.g., counseling) when offered as a Supportive Measure, the Complainant should still be offered, and is still entitled to, appropriate final remedies that may include services the Complainant declined as a Supportive Measures.

12. NOTIFICATION OF OUTCOMES

12.1 The Title IX Coordinator will simultaneously notify the Complainant and the Respondent(s) in writing of the outcome of the following stages of the process:

• The initial finding(s), including a rationale;
• The procedures to appeal a finding;
• The outcome of any appeal, including any changes to the finding(s);
• Any interim sanctions imposed;
• Any changes to interim sanctions;
• The final outcome of the Formal Complaint;
• Any imposed sanctions, including a rationale;
• When the outcome is final; and
• Changes to sanctions related to the party once the outcome is finalized.

• These notifications may be combined if they occur at the same time.

12.2 The University will provide information regarding remedies available such as those discussed in Section 8 Immediate Assistance above. If a hostile environment was found to exist, the University will notify the Complainant of any additional steps the University has taken to eliminate the hostile environment and to prevent recurrence.

12.3 On request by another postsecondary educational institution, the University will provide to the requesting institution information relating to a determination that a University student violated the Sexual Misconduct Policy.
