UHD Faculty and Staff:

The Office of the Provost is pleased to announce that it is launching a national search for the next Associate Vice President for Academic Affairs (AVPAA) at UHD. UHD has employed the services of AGB Search to assist in the recruitment of candidates for this search, and a Search Committee has been assembled with a diverse and representative group of UHD faculty and staff.

A UHD webpage has been constructed for this search where periodic updates will be posted as the search progresses.

<https://www.uhd.edu/provost/avpaa-search/Pages/default.aspx>

This webpage contains: a brief description of the position, instructions for submitting applications, contact information for our colleagues at AGB Search, lists the members of the Search Committee, and provides an anticipated timeline for the search. The position profile can be found in the sidebar tabs of the webpage.

Please be aware that specific details regarding the evaluation of applicants are confidential. Once finalists for the position have been identified, campus visits will be scheduled and advertised, conditions permitting. In the event that campus visits are not possible, virtual interviews will be scheduled with relevant stakeholder groups. Please remit any questions regarding the search to Dr. Jerry Johnson (johnsonj@uhd.edu).
