Math & Statistics Support

The C4MS² is leading the way in online and in-person tutoring. We offer excellent math and statistics tutoring to all UHD students.

Digital Tools

Math tutors are using tablets and online resources to assist with the tutoring process. Additionally, students can schedule tutoring appointments in UHD Navigate website.

Key Numbers

- 90% of students found the tutoring to be "high quality."
- 82% of students with 3+ visits had a C or higher in MATH.
- 3.7 GPA for students with 3+ visits and 2.3 for non-visitors in STAT.
- 2,000+ tutoring sessions each year!

Resource Generation

One focal point for the C4MS² is the generation of online resources for students. We continue to add to our online library of math materials.

Invite & Collaborate

Our tutors would love to visit your class and promote our services to your students directly. Please contact us a mathcenter@uhd.edu to schedule an in-person or virtual presentation.
