The University of Houston - Downtown

The University of Houston Downtown is a dynamic university offering bachelor’s and master’s degrees at multiple locations across Houston, as well as online. UHD is woven into the vibrant streets of downtown Houston, with an urban appeal that celebrates the multicultural vibe of the fourth-largest city in the United States. You have proximity to Fortune 500 companies, world-renowned art organizations, award-winning restaurants, exciting entertainment, and professional sports.

History

In 1974, the University of Houston acquired the assets of South Texas Junior College and opened the University of Houston-Downtown College at One Main Street as a four-year institution. By the end of the 1970s, the Texas Legislature had approved UHDC as a distinct university in the University of Houston System. The rich history behind UHD is found in the archives @ http://archives.uhd.edu/cdm/timeline

The Seal

Steeped in Texas tradition, the Seal of the University of Houston System is the Official Seal of Arms of General Sam Houston, as handed down to him from noble ancestors. The simple Escutcheon in the center of the seal consists of checkered chevrons denoting nobility, and three Martlets, gentle Lowland birds symbolizing peace and deliverance. A winged hourglass is above the shield and surmounting this, the motto, “In Tempore” (In Time). Greyhounds were placed at the sides to indicate the speed in giving aid.

GATOR TRADITIONS, PRIDE & SPIRIT

Week of Welcome, held during the first week of classes each fall and spring semesters, celebrates the beginning of the semester with a comprehensive calendar of events and activities designed to welcome back new and continuing Gators.

Homecoming, held annually during the fall semester, is a time for students, faculty, staff, alumni, and the community to come together, and celebrate the spirit and pride of UHD. Current, former, and future Gators unite to celebrate the common thread that binds all Gators. The key features of Homecoming are the UHD Pep Rally, the Homecoming games and Tail-Gatoring.
Student Involvement Day, held during the fall and spring semesters, is a resource and tabling fair that highlights student organizations, Greek life, and Campus Activities Board (CAB), Student Government Association (SGA), and invites all students to find place and engage.

Bayou Bash, held each spring, is a cultural celebration with crawfish, drinks, and zydeco music to celebrate the richness and diversity of UHD. Clubs and organizations registered with the university use this time to fundraise and celebrate their organizations.

GatorServe, held each fall and spring semester on Martin Luther King Jr. Day, and September 11th, respectively, are both regarded as National Days of Service. UHD students, staff, faculty, friends, families, and community partners join to complete projects in service of our neighbors.

One Main Event, held each spring, is our annual awards gala celebrating the outstanding accomplishments of our student organizations and their members throughout the year.

Colors
Our primary school colors are UHD Blue and UHD Red.

Academic Issues
Academic Advising Center
N320, 713-221-8006, uhdadvising@uhd.edu
The Academic Advising Center provides quality academic services essential to new and continuing UHD students prior to their transitioning into the college specific advising centers. Advisors assist and empower students in making wise academic decisions, guiding them through academic processes and procedures that are integral to their success. Informing students of degree requirements and matching students’ needs with available resources, advisors provide opportunities for exploring major and career options as students reflect on their lifelong goals. Declared students in good standing with 45 or more earned hours transition from the Academic Advising Center (N320) to the college advising center of their major after a minimum of one term at UHD. The Academic Advising Center is open from 8:00 am to 6:00 p.m., Monday-Thursday and 8:00 am to 5:00 p.m. on Friday.

Academic Calendar
The Academic Calendar, with important dates and deadlines, is published online. In it you will find registration dates, fee payment deadlines, financial aid and refund dates, school holidays, drop/add deadlines, when to apply to graduate, reading days, and final examination days. Students are responsible for reviewing the calendar and becoming aware of all applicable deadlines. UHD reserves the right to change these calendars at any time as necessitated by university or legislative action. www.uhd.edu/AcademicCalendars

Academic Concerns
If you have a question or complaint concerning an action by a UHD instructor or employee in an academic office, you should address the issue first to the person whose action is the source of the complaint. Most problems are resolved on this level. If there is an occasion when this is not sufficient, you should follow the chain of command below:

• Instructor/Employee
• Department Chair or Employee’s supervisor
• Academic Dean of the College
• Vice-President of Academic Affairs or designee

Academic Probation
Academic probation is a warning to the student that his or her academic record has been unsatisfactory. A student who is not making satisfactory progress toward meeting graduation requirements may be placed on academic suspension if this record does not improve.

A student is placed on academic probation at the end of any term in which his or her cumulative UHD GPA falls below 2.0. The cumulative UHD GPA for academic probation is computed on grades earned at UHD. Grades of I, IP, S or W are not counted. See the Grading System and Standards section of the catalog for additional details on grades that count toward the UHD GPA.
All students on probation must consult with an academic advisor before registration to discuss their plans, academic progress and GPA repair, and available academic support.

Students on probation must maintain a UHD term GPA of 2.0 or above in each term in which they are enrolled until their cumulative UHD GPA reaches 2.0 or above. Students on academic probation will be placed on continued probation at the end of any term in which they fail to earn a minimum term GPA of 2.0. Failure to earn a term GPA of 2.0 or above while on continued probation status will result in academic suspension. Only courses taken at UHD will remediate the cumulative UHD GPA. A student returns to regular academic standing after his/her cumulative UHD GPA reaches 2.0 or higher.

**Academic Suspension and Dismissal**

Suspension means that a student is ineligible to register or remain in classes. Students on continued probation status will be suspended at the end of any term in which their cumulative GPA falls below the specified minimum cumulative UHD GPA unless they earn a minimum GPA of 2.0 in that term.

Any registered coursework for the next term will be administratively dropped by the Records Office. A student’s suspension is in effect for that term, pending readmission. The student may appeal the suspension to the student’s academic dean or the dean’s designated representative. For an appeal, students must provide clear and compelling evidence of potential academic success, for example, academic success at other institutions. The final decision for readmission rests with the academic dean or dean’s designated representative.

If a student’s appeal is approved, the student will be placed on extended probation. The student must meet with a dean’s representative or designated advisor to discuss how to improve their academic performance and make satisfactory academic progress. The student may be required to agree to a contract of actions likely to result in improved academic performance. Students must maintain a term GPA of 2.0 or above in each term they register until achieve a cumulative UHD GPA of 2.0. Failure to maintain a term GPA of 2.0 will result in academic dismissal from the university. This academic dismissal will be permanent unless the student appeals to their academic dean or dean’s designated representative for readmission or readmits under Academic Amnesty.

Academic probation and suspension will be noted on the student’s official undergraduate transcript.

**Academic Amnesty**

An undergraduate student returning to UHD after a minimum of a two-year absence may petition the Dean of University College for application of the academic amnesty policy. To be eligible, the student must not have attended UHD for the two-year period immediately preceding his/her return to UHD. The student must also complete 24 semester credit hours with a minimum grade point average of 2.5 following readmission to UHD. If academic amnesty is granted, all courses with grades of F or D earned prior to readmission are ignored in applying credit toward fulfillment of degree requirements and in future computations of the student’s grade point average. The amnesty provision applies only to the application of credit toward a degree and
computation of the student’s grade point average. No grades on the student’s permanent record are altered or deleted.

**Application for Graduation**

All degree candidates must submit an online graduation application through myUHD2.0. To determine graduation eligibility students are encouraged to run and review their Degree Progress Report and speak with their academic advisor before submitting an online application. The online graduation application will require for the candidates to review their graduation program, commencement attendance, diploma name and diploma address, graduation fee information, and to complete the graduation exit survey. Candidates will be requested to review their academic program to ensure information is correct. If this information is incorrect, the graduation candidate will be advised to contact their college advisor. Commencement ceremony attendance will be asked at time of application. If the candidate decides to change their status after submitting the online graduation application, the candidate can contact the Registrar’s Office to update this information. Candidates will have the option to review their diploma name and diploma address and can update by editing their diploma name under the name section in myUHD2.0 within the campus community area after it has been submitted. The $50 graduation fee will be added to the Student Account Statement for the semester to which the charge is assigned. The graduation fee covers the costs of processing the graduation application, printing the diploma, and mailing it to the graduate, and other costs associated with the commencement ceremony. If students fail to complete all degree requirements during the term or wishes to change the term in which they applied for graduation and paid the graduation fee, then they must apply online for graduation and pay the graduation fee again when they become eligible to graduate. If a student has any unresolved financial or administrative holds at the University of Houston-Downtown, their diploma and transcripts will not be released until these holds have been cleared.

Graduates wishing to request more than three copies of their diploma will need to contact the Registrar’s Office.

**Auditing A Course**

To audit a course is to enroll in a course on a non-credit basis. Audit students pay the regular tuition and all other applicable fees as set for the current academic year. A change to credit status may not be made after the student has registered to audit a course. Changes from credit status to audit status in a course must be made prior to the end of the business day of the Official Day of Record. A Request for Audit form must be processed in the Registrar’s Office by the Official Day of Record for the appropriate term along with Instructor approval. Students wishing to audit courses should contact the Registrar’s Office for further details [www.uhd.edu/registrar/Documents/audit_form.pdf](http://www.uhd.edu/registrar/Documents/audit_form.pdf).

**Changing Your Name**

An official change in name must be reported to the Registrar’s Office and when applicable to the Office of Scholarships and Financial Aid. Original legal documentation must be presented along with a copy of the Social Security card when requesting a name change or correction. (e.g., marriage certificate, divorce decree, naturalization certificate, etc.) A copy of your state issued driver’s license or government issued photo ID will be required. Currently enrolled students
requesting a name change should refer to the Student Information Update form for essential information regarding updates to GatorMail and Blackboard.

**Class Attendance**

Students are expected to attend all class sessions. Students who have not attended class, engaged in the technology (online only) nor contacted the faculty member to explain the absence by the end of the 10th class day of the long semester, or the published calendar date for summer and other required terms, may be administratively dropped from the course. The responsibility for dropping a course lies with the student. Departments and faculty members may have additional attendance policies for their courses.

**Student Absences on Religious Holy Days**

The University of Houston-Downtown respects the religious observances of students even though they may conflict with university class meetings, assignments, or examinations as per the Texas Higher Education Coordinating Board Texas Administrative Code §4.4 Student Absences on Religious Holy Days.

A student whose absence is excused under this policy shall be treated consistently with the instructor’s policies and procedures relating to other excused absences, except that no instructor’s policy may deny the opportunity for make-up work, as described here. Instructors should announce reasonable time periods for make-up work and exams in writing to the class and make clear the consequences of a student’s failure to meet such time requirements. Students needing to reschedule missed work or exams for a holy day should submit a written request to each instructor at least one week prior to the class period or assignment/exam date that will be missed. An instructor should acknowledge receipt of that request via email to the student’s official UHD email address. A new date for taking an examination or completing classwork missed for a holy day shall be set by the instructor in accordance with announced policies.

If a student and an instructor disagree about whether the absence is for the observance of a religious holy day, or if they disagree about whether the student has been given a reasonable time to complete any missed assignments or examinations, either the student or the instructor may appeal to the Office of the Provost. For further information about the state law, please see the Texas Higher Education Coordinating Board Texas Administrative Code §4.4 or contact the offices of the UHD Title IX/Equal Opportunity Services to review the policy.

**Classification**

Undergraduate classification is determined by the number of credit hours which have been completed: 0-29 semester hours: freshman; 30-59 semester hours: sophomore; 60-89 semester hours: junior; and 90 semester hours and above: senior. Graduate classification is determined by admission status.

**Common Core Requirements**

Students in all UH-Downtown undergraduate degree programs must complete a common core of courses consisting of 42 semester credit hours. The following table lists the Foundational Component Areas of the core, the number of semester credit hours (SCHs) required in each area, and the UH- Downtown courses that may be used to fulfill these requirements. Departments
often suggest certain courses that they prefer their majors to take to fulfill some of the core requirements, so students should carefully study the degree plans that interest them. Degree plans may be found in the sections of this catalog describing the departments’ programs and in degree program brochures available in departmental offices.

A student transferring to UHD who has completed the common core requirements at another Texas institution of higher education will receive credit for each of the core courses transferred and will be considered to have fully satisfied all UHD’s common core requirements.

A student transferring to UHD who has completed some, but not all, of the common core requirements at another Texas institution of higher education will receive credit for each of the core courses transferred and will be considered to have fully satisfied the corresponding common core requirements at UHD. The student must still satisfy any remaining UHD common core requirements.

Students concurrently enrolled at more than one institution of higher education should follow the core curriculum requirements in effect for the institution where they are classified as degree-seeking students.

Correcting an Address
Mailing addresses may be changed online through the myUHD 2.0 at www.uhd.edu/myuhd under “My Personal Profile & Emergency Alerts.” Currently enrolled students requesting a name change should refer to the Student Information Update form for essential information regarding updates to GatorMail and Blackboard.

Course Credit and Numbering System
Progress toward the completion of academic work is measured in terms of semester credit hours. One semester credit hour is normally equivalent to one hour of class work, or from one to six hours of laboratory work per week for a semester.

All courses are identified by discipline and number. The first digit of a course number indicates the academic level. Courses in the 1000 series are for freshmen, 2000 for sophomores, 3000 for juniors and 4000 for seniors. The 5000 and 6000 series courses are graduate courses.

Undergraduates are not allowed to enroll in graduate courses without permission of the academic department which offers the courses. The second digit indicates the number of semester credit hours that the course carries. The third and fourth digits specify a particular course within its discipline.

The three numbers in parentheses after each course title indicate the number of semester credit hours, the number of class hours per week, and the number of additional laboratory or activity hours per week.

Course Load
Maximum course loads are established to encourage students to think carefully about the amount of time they will need to devote to each class. The following policies are in place so that students are better able to meet their course obligations successfully.
• A standard undergraduate course load during the fall and spring terms is 15 to 16 semester credit hours, or five courses. Twelve semester credit hours are considered the minimum full-time load.

• Students who are employed 40 hours per week should take no more than two courses, or six credit hours.

• Students who wish to enroll in 20 credit hours or more in a fall or spring term must receive approval from the assistant or associate dean of their college.

• The standard load for one summer session is six to eight credit hours.

• Students who wish to enroll in nine hours or more in a single summer session or in two overlapping summer sessions must receive approval from the assistant or associate dean of their college.

For information on the graduate course load, consult specific master’s degree coordinator.

Diplomas
Diplomas will be printed once the Registrar’s Office certifies that candidates have met all degree requirements. It takes about three months from the end of the semester for diplomas to be printed. To receive a diploma, you must have submitted the online graduation application and cleared all holds. Students can request up to three copies of their diploma when they submit their online graduation application. Each additional diploma copy costs $50 each. If students wish to request more than three copies of their diploma, they will need to contact the Registrar’s Office. Your diploma will include your name, graduation date and degree, Latin honors (if applicable), and the university’s seal and signatures. Your diploma will be mailed to the address on your student record. Any diplomas, which were undeliverable through mail, will be held in the Registrar’s Office for up to two weeks. Graduates can contact the Registrar’s Office if they have any questions on the status of your diploma.

Directed Studies Courses
A directed studies course allows students to work directly with a faculty member on an individual basis. This type of study is intended to expand the curriculum and may not duplicate an organized course. A directed studies course requires a term paper, research study or comparable project. Students wishing to enroll in a directed studies course must be in good academic standing, must have instructor approval to enroll in the course. The academic department of the course or college may have additional prerequisites or requirements for enrollment in a directed studies course. Procedures for enrolling in directed studies courses are available in UHD Policy Statement 03.A.17- Directed Studies. Degree requirements may limit the number of hours of directed studies that may be applied.

Field Experience Courses, (Internships)
Visit your academic department
To enroll in a Field Experience course, you must have declared a major, have completed at least 60 semester credit hours, be in good academic standing, meet your academic department’s
requirements, and have approval of the Field Experience Academic Coordinator in your academic department. Information about Field Experience courses is available in each academic department.

**Grading System and Standards**

*Academic Honesty*

The Academic Honesty Code is embraced by all members of the University of Houston-Downtown academic community and is an essential element of the institution’s academic credibility. The Honesty Code states, “We will be honest in all our academic activities and will not tolerate dishonesty.” The purpose of the Academic Honesty Policy is to deal with alleged violations of the Honesty Code in a fair and consistent manner. The policy is administered jointly by students and faculty. It is each student’s responsibility to read and understand the Academic Honesty Policy.

**Grade Point Average (GPA)**

A measure of the overall level of a student’s academic achievement. It is calculated by dividing the total number of grade points earned at UHD by the total number of semester hours at UHD.
Whenever a course is repeated, only the highest grade from the attempts will be used for calculating the grade point average.

**GPA at Time of Graduation**
UHD Grade Point Average (GPA) is used at the time of graduation and is used to certify the degree. When a course has been repeated, only the highest grade earned at UHD will be used in computing UHD grade point average. Unless a grade appeal has been found in the student’s favor, the GPA certified at the time of graduation remains the official GPA for the certified degree and shall not be subject to change. A student’s eligibility for honors at the time of graduation shall not be adjusted. Grades for courses repeated after graduation and new courses completed after graduation, do not change the GPA certified at the time of graduation. A student’s overall GPA at UHD may be updated based on courses taken after the certification and award of the degree. Transfer grades are not included in the calculation of the UHD GPA.

**Repeated Courses**
Undergraduate students may enroll in a course at UHD no more than three times. Students may appeal this restriction by petitioning the dean of the college in which the course is housed. When a course is repeated, only the highest grade earned at UHD will be used in computing the grade point average. If a course taken initially at UHD is repeated later at another institution for credit, only the UHD grade is included in the grade point average.

**GPA at the time of graduation:** UHD Grade Point Average (GPA) is used at the time of graduation and is used to certify the degree. When a course has been repeated, only the highest grade earned at UHD will be used in computing UHD grade point average. Unless a grade appeal has been found in the student’s favor as outlined in the grade appeal process the GPA certified at the time of graduation remains the official GPA for the certified degree and shall not be subject to change. A student’s eligibility for honors at the time of graduation shall not be adjusted. Grades for courses repeated after graduation and new courses completed after graduation, do not change the GPA certified at the time of graduation. A student’s overall GPA at UHD may be updated based on courses taken after the certification and award of the degree. Transfer grades are not included in the calculation of the UHD GPA.

**Grade of I (Incomplete)**
A grade of I is given only when students have completed a massive portion of the course requirements and a documented emergency prevents the student from completing the remaining course requirements. Before an instructor can assign a grade of I, they must file with, and get approval by, the home department chair. This approval is documented by a form signed by both the instructor and the student that describes the necessary work that can be submitted before the deadlines described below. If a student is unable to sign the form, the instructor must state on the form the reason for granting the I and the work necessary for the removal of the I. A grade of I counts as an F in calculating the graduation GPA for purposes of determining eligibility for graduation.

- If the incomplete grade was assigned during the Fall semester, the grade of I will be changed to the grade earned based on the assignments submitted before the end of the subsequent Spring term.
• It is the instructor’s responsibility to submit the grade change to the Office of the Registrar. If the instructor is unavailable, the home department is responsible for submitting the grade change to the Office of the Registrar. If no grade is submitted to the registrar at the end of the subsequent Spring semester, the incomplete grade is automatically changed to an I/F.

• If the incomplete grade was assigned during the Spring semester or a summer term, the grade of I will be changed to the grade earned based on the assignments submitted before the end of the subsequent Fall term. It is the instructor’s responsibility to submit the grade change to the Office of the Registrar. If the instructor is unavailable, the home department is responsible for submitting the grade change to the Office of the Registrar. If no grade is submitted to the Office of the Registrar, the incomplete grade is automatically changed to an I/F.

• If the incomplete grade was assigned during the part of a term or mini term, the grade of I will be changed to the grade earned (I/F) based on the assignments submitted before the end of the subsequent long semester. It is the instructor’s responsibility to submit the grade change to the Office of the Registrar. If the instructor is unavailable, the home department is responsible for submitting the grade change to the Office of the Registrar. If no grade is submitted to the Office of the Registrar, the incomplete grade is automatically changed to an I/F.

• **Military Leave:** Students who have received I grades because their enrollment has been interrupted by active military duty in the United States military must complete the missing work within one year from the conclusion of those duties. It is the responsibility of the student to provide official documentation of their required duties to the Office of Veterans Affairs and the Office of the Registrar. If the work is not completed within one year from the conclusion of those duties, the grade of I is changed to WM.

• **Title IX Leave:** In compliance with Title IX, students with applicable leave designation may complete outstanding coursework within one long semester after the expiration of the leave. It is the responsibility of the student to provide a supporting medical statement to the Title IX coordinator and to the Office of the Registrar. If the student does not complete the outstanding coursework within one long semester after the expiration of the medical leave, the student’s grade will remain indefinitely I, unless the student decides to accept the grade earned in the class. If the student wished to accept the earned grade, they should request to do so, who will defer to the instructor of record as to the earned grade in the class.

**Grade of IP (In Progress)**
A grade of IP may be assigned only in courses that have been officially approved for such designation. The grade of IP is used primarily in thesis and selected research courses in which a student is registered to use university resources. In calculating the GPA, a grade of IP receives no grade point value, and it may remain on a student’s transcript in perpetuity. To receive grade
credit for a course in which an IP was assigned a student must repeat the course and earn a passing grade (i.e., once an IP is given, the grade cannot be changed).

Grade of S/U (Satisfactory Pass/Unsatisfactory Fail)
A grade of S/U may be assigned only in courses that have been officially approved for such designation. Credit received with a grade of S/U is not included in calculating the GPA.

Grade of AUD (Audit)
In accordance with PS 03.A.03 - Auditing Courses, a grade of AUD may be assigned only in those courses officially approved for such designation. Grades of AUD are not included in calculating the GPA.

Grade of CA (Credit Awarded)
A grade of CA will be assigned to non-course-based credit subject to the 24-hour limit in PS 03.A.11: Credit by Examination and Credit by Approved Equivalencies.

Grade of W (Drop)
Students will not receive a grade for a course if they drop the course by the Official Day of Record (see Academic Calendar). Students automatically receive a grade of W for any course they drop after the Official Day of Record up to the drop/withdrawal deadline as listed in the online Academic Calendar. Official Day of Record and drop/withdrawal deadlines are published in the University Calendar online at www.uhd.edu/AcademicCalendars.

Class days are defined as days on which the university normally has one or more classes scheduled; not the days for which an individual student is scheduled for his/her classes. For purposes of determining academic calendar dates, class days during the Fall, Spring, May, and Winter terms are Monday through Friday while class days during a summer term are Monday through Thursday.

Retroactive Withdrawal
Grades of W are granted retroactively (i.e., after the published deadline) only under unusual and well documented circumstances. Students requesting a complete retroactive withdrawal (i.e., withdrawal from all courses taken during a semester) must submit and appeal to the Office of the Registrar, which is responsible for archiving these documents; submitting the appeal documents to the academic dean in the college in which the student has declared a major; and conducting the academic dean’s decision. The process is the same for students requesting a partial retroactive withdrawal (i.e., withdrawal from one or more but not all courses taken during a semester), except that the registrar will submit partial retroactive withdrawal appeals to the academic dean in the college in which each course is taken. If the relevant dean finds sufficient documented justification for a complete or partial retroactive withdrawal; the dean will file an administrative request with the Registrar’s Office. When an approval has been granted, the dean’s office will also notify the course instructors and the chairs of the home departments of the decision and change of grade (provided they are still employed at UHD). The registrar is responsible for letting the student know the relevant dean’s decision, which is final.
Students seeking a retroactive withdrawal must appeal within one calendar year after the close of term for which the request is made.

**Appeal of Course Grades**

If a student believes a course grade to be in error (i.e. if it appears to be a miscalculation, or if it appears that grade was not calculated and/or evaluated according to the course instructor’s stated procedure) a student may file an appeal by proceeding in the following sequence: (1) appeal first to the course instructor, (2) if the appeal is not resolved to the student’s satisfaction, then appeal to the appropriate home department chair, (3) the final level of appeal would be to the appropriate dean.

If a student does not appeal a grade within one calendar year after the close of the semester in which the grade was received, the grade is final, and no appeal will be heard.

The responsible party at each level has 14 academic calendar days to respond to students in writing with their decision regarding the appeal, unless granted an exception by the dean of the college in which the original grade was awarded.

Appeals must be submitted in writing. Students bear the responsibility by providing documentation related to the grade appeal. If the appeal reaches the chair or dean and it is determined that there is evidence of a grading error, the chair or dean will consult with the course instructor before making a final decision. Final decisions must be communicated in writing to all concerned parties.

When the appealed grade is from a course that is housed in multidisciplinary or multi-college program, all appeals will be managed within the course’s home department and college. A student may file an appeal by proceeding in the following sequence:

1. appeal first to the course instructor,

2. if the appeal is not resolved to the student’s satisfaction, the appeal to the chair of the department in which that course is housed (for courses in programs that do not have a department chair, the appeal is initiated with the program director),

3. the final level of appeal would be to the dean of the college in which that course is housed.

An instructor may appeal the chair’s decision to the Office of the Dean.

**Change of Course Grade**

A change of course grade initiated by the instructor must be approved by the home department chair within one calendar year after the close of the semester in which the grade was received. If the period extends beyond one year or involves change from an F, the dean must also approve it.
A change of course grade issued by the home department chair must be approved by the dean and notification must be sent to the instructor. A change of course grade issued by the dean must include notification to the instructor and home department chair.

**Dean’s List**
The Dean’s List recognizes students who have achieved superior academic performance during the fall or spring semester. To be included on the Dean’s List for a specific semester, a student must, during that semester, complete at least nine semester hours of college-level work, earn at least a 3.5 grade point average, and receive no grade of I or F. The Dean’s List is published by each college at the end of each fall and spring semester.

**Graduation with University Honors**
Students who complete bachelor’s degree requirements with exceptionally high-grade point averages receive degrees with honors. University honors will appear on the student transcript and diploma. To qualify for university honors consideration students must have earned 42 credit hours or more at UHD of which 24 credit hours must be upper-level course work. In accordance with the Grading System Standards, all UHD credit hours are used in the GPA calculation. Only credit hours at UHD are considered; transfer credits are not used in the GPA calculation for university honors.

For consideration of university honors, the university will look at two different UHD GPA calculations:

- UHD GPA calculated from the student’s last 42 credit hours taken at UHD,
- UHD GPA calculated from all courses taken at UHD.

The higher of the two UHD GPAs will be considered for university honors categories below:

- a cumulative grade point average of 3.8 - 4.0 is required for summa cum laude.
- a cumulative grade point average of 3.6 - 3.79 is required for magna cum laude.
- a grade point average of 3.4 - 3.59 is required for cum laude.

Designation of university honors in the commencement program for graduates will reflect only grades earned prior to the final semester. University honors also will be calculated after final semester grades post and final honor status is reflected on the transcript.

Students not eligible for cum laude, magna cum laude or summa cum laude honors may be eligible for College Honors. Each college will set its own GPA requirements for College Honors. College honors will be calculated after final semester grades post. College honors will be reflected only on the student’s final transcript.

Eligibility for College Honors can be found in the general information section for each college in the academic catalog.
International Students

Individuals from countries outside of the United States seeking admissions to UH-Downtown must apply through the Admissions Office. Classification as an International Student can be obtained by following the procedures below to obtain an I-20 Immigration form.

- **Application** - A new international student must file an application for admission with Enrollment Services and pay the nonrefundable $80 application fee by the application deadline. The application and fee will be valid for a period of one year.

- **Transcripts** - Freshman students must provide official transcripts of secondary school scores, including mark sheets and date of graduation, in their original language. A certified English translation of all transcripts must be included if the originals are not in English. Transfer students must provide official transcripts from all colleges or universities attended. If original transcripts are not in English, a certified translation must accompany the original documents. In addition, all foreign transcripts must be evaluated by an evaluation service recognized by UHD to receive transfer credit. Students transferring from another college or university in the United States must submit a transfer form that has been completed and signed by the foreign student advisor at the previously attended institution.

- **Affidavit of Support** - A signed Affidavit of Support must be submitted showing that a sponsor(s) will be responsible for all educational and living expenses.

- **Bank Letter** - A certified bank letter, indicating that the sponsor is financially capable of meeting the student’s education and living expenses, must be submitted. This letter must indicate, either in U.S. dollars or in the local currency, the amount maintained in the account(s). The letter must have been issued within the past three months.

- **Language Proficiency** - A valid TOEFL (Test of English as a Foreign Language) score 550 for the paper version or 213 for the computer-based version or 80 for internet based or higher or IELTS score of 6.5 or higher is required. Students with a TOEFL score of less than 550 or IELTS score of less than 6.5 may attend the English Language Institute (ELI) prior to beginning academic studies at the university. ELI students study noncredit English classes until they are either recommended by ELI for academic study or achieve a 550 TOEFL score. Graduates of ELI can apply into the undergraduate academic programs at the University of Houston-Downtown without taking the TOEFL. Transfer students may be exempt from taking the TOEFL if they have passed twelve or more college-level hours in the United States, including Composition I and II, with a grade of C or better.

- **Health Insurance** - International students must carry health insurance for the duration of their studies. The University of Houston-Downtown requires students to obtain adequate health insurance coverage that meets the following requirements: No
annual limit on medical/preventive care benefits, at least $50,000 on medical evacuation coverage, and at least $25,000 on repatriation coverage. International students who wish to apply for health insurance waiver, please make sure the coverage meets the above minimum requirements and go to uhd.myahpcare.com to submit the waiver request online.

Otherwise, students will be charged for health insurance as a part of their registration fees. Individuals who are not eligible to be classified as International Students, but who have filed for adjustment of status with the United States Citizenship and Immigration Services (USCIS) and have their petition pending to attain lawful status under federal immigration law or those who qualify under Senate Bill 1528 can apply using the university’s undergraduate application. For more information, go to www.uhd.edu/admissions/Pages/admissions-residency.aspx

**Major Declaration**
As students apply for admission to UHD, a major must be selected for their intended program of study. If the student meets all declaration requirements noted in the undergraduate catalog for their intended major, the student is declared upon admission. Students not meeting declaration requirements upon admission are identified as pre-majors. Following the official posting of grades for each term, pre-majors are routinely evaluated to determine if declaration requirements have been met. Students meeting declaration requirements become declared and students not meeting declaration requirements remain pre-majors. A pre-major student must meet the declaration requirements by their second term of enrollment (transfer) or 45 hours (first time in college); failure to do so will require additional major exploration and a change in major to continue enrollment at UHD. All students seeking to change their major or pre-major must meet with an academic advisor to discuss the proposed change and their eligibility. Declared majors assigned to college advising centers may submit a Major Change Request at any time through student eservices. Declared and pre-majors assigned to the Academic Advising Center may submit a Change in Curriculum Request Form with their academic advisor.

**Official Day of Record**
The Official Day of Record is the last day to do the following:

- Change to audit status for a class
- Appeal residency status
- Request an international student health insurance waiver
- Drop without a grade
- Receive a refund for a partial withdrawal See www.uhd.edu/AcademicCalendars for each semester’s Official Day of Record.
Prerequisites
Prerequisites are NOT optional. Prerequisites ARE requirements or courses that must be completed PRIOR to taking a course. The prerequisites for a course are described in the catalog course descriptions. It is the student’s responsibility to ensure that he/she meets the prerequisites prior to enrollment in a course. If the student enrolls and does not meet the prerequisites, he/she may be administratively withdrawn from the course at any time. Any variance in prerequisite requirements or this policy must be obtained in writing from the program chair prior to enrollment in the course.

Release of Student Records
UHD has a policy in conformity with the Family Educational Rights and Privacy Act (FERPA) covering the release of student records. Student rights include the following:

**Disclosure of Education Records**

The University of Houston-Downtown will not disclose information from a student’s education records without the written consent of the student except in the following instances in which FERPA authorizes disclosure without prior student consent:

1. To school officials who have a legitimate educational or administrative interest in the records. A school official is defined as a person employed by the University in an administrative, supervisory, academic, or support staff position (including the University’s police department and health care staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Regents; or a person assisting another school official in performing his or her official duties. A school official has a legitimate education interest if the official needs to review an education record to fulfill his or her professional responsibilities.

2. To other schools in which the student seeks to enroll.

3. To authorized representatives of the U.S. Secretary of Education, the U.S. Comptroller General, and state and local educational authorities, in connection with certain state or federally supported education programs, and the U.S. Attorney General for law enforcement purposes.

Procedure for Inspecting Education Records
A student has the right to inspect his or her education records and challenge the contents. To review records, a student must make a request in writing to the Registrar’s Office. The request must clearly and specifically identify the record or records he or she wishes to inspect plus the purpose of the request. The request must be signed and dated by the student. The University will respond to the student’s request within a reasonable time. A request to inspect (review) education records is not considered the same as a request for copies of the records.

Procedure for Amending Education Records
If a student believes the information in his or her education record contains information that is inaccurate, misleading, or in violation of the student’s rights of privacy, the student should submit a written and signed request for amendment to the Registrar’s Office. The written request should clearly identify the part of the record the student wants changed and specify why it is inaccurate, misleading, or in violation of the student’s rights of privacy and submit evidence. The University will notify the student within a reasonable time regarding whether the record will be amended. If the university denies the student’s request for amendment of his or her record, the student has the right to a hearing regarding the requested amendment. This procedure does not govern grade appeals.

Schedule Changes
Schedule changes are made online and may require approval by an academic advisor. Registration instructions for schedule changes are found on the Registrar’s website and the dates for schedule changes are found in the online Academic Calendar.

Texas Success Initiative
Texas law requires that you take TSI 2.0 before you enroll, unless you are exempt from or have satisfied TSI 2.0 requirements.

Exemptions for one or more sections include:

- Students who served or are serving in the military.
- Students who meet qualifying standards on the SAT, ACT, TAKS, or STAAR
- Students who have graduated with an associate or baccalaureate degree from a Texas public institution.

Satisfy the TSI 2.0 requirements:

- Students who have satisfactorily completed college-level coursework at a private or out-of-state institution.
- Students who have graduated with an associate or baccalaureate degree from a private or out-of-state institution.
- Students who have satisfactorily completed the TSI 2.0.
Students who have not yet passed all sections of TSI 2.0 must enroll in developmental courses in the areas they have not passed. Some departments also require enrollment in a tutorial. All developmental courses in English, reading and mathematics are charged tuition, and are not college credit-bearing but do meet requirements for full- and part-time status, financial aid, and health insurance. Taking and passing TSI 2.0 as soon as possible will save you time and money. Academic advisors in the Academic Advising Center will assist you in meeting these requirements.

Testing at UHD
UHD offers TSI 2.0 and Placement.

Placement Testing
TSI 2.0 measures your proficiency in writing, reading and math. Your scores determine which classes you will take.

Transcript
Requests for official UHD transcripts are made online through the myUHD2.0 and are processed by the Registrar’s Office. All requests for official UHD transcripts will be processed within 2-3 business days, except for transcripts that include coursework completed at South Texas Junior College or former students who attended prior to 2013, which may take up to 14 business days for processing.

Additionally, UHD does not include completed transfer coursework on the official UHD transcript.

Unofficial transcripts, also known as the online grade history, are available through the myUHD Portal, under the My Transcript & Grades option.

Note: Grades for Part of Term (Pot) courses ending prior to the close of the full term will be available online on the dates listed in the Academic Calendar. Part of Term (PoT) official grades
will be displayed on the official transcript when grades for the full term are made available. See the Academic Calendar for grade posting dates at www.uhd.edu/AcademicCalendars.

**UHD Locations**

UHD @ LSC Cy Fair, UHD @ LSC Kingwood & UHD NW  
*For students who live or work in the suburban*

Houston areas, UHD offers programs at Lone Star College-CyFair, Lone Star College-Kingwood and UHD Northwest located at Lone Star College-University Park. Courses taken off-campus may apply to any UHD degree program in which they are ordinarily accepted. Students enjoy the ability to tailor their schedule to meet individual needs by taking courses at multiple locations or using multiple formats.

**Online**

The rapid expansion of access to the Internet has created new opportunities for meeting UHD students’ educational needs. UHD offers a growing selection of upper-division courses delivered over the web in support of degree programs. The courses are organized to provide students with a variety of activities designed to enhance the educational experience while providing the student with flexibility in taking the course. Students work within defined time frames for completion of course modules, and they often can interact directly in real time with fellow students and their professor through chats and bulletin board discussions. To meet students’ needs to access education anytime, anywhere, the University of Houston-Downtown offers degree completion programs online. Students complete the required lower division course work, and UHD provides the upper division course work online for the degree. Classes offered are identical to those earned on campus and may be transferred to any other accredited institution. Students in the programs are not limited to online courses but can also take courses on campus or at UHD’s off campus locations at their convenience.

Financial Issues
Deadlines
It is your responsibility to adhere to published deadlines. Deadlines exist for such activities as applying for admission, registering for classes, changing your schedule, dropping classes, paying tuition and fees, and applying to graduate. Important dates, deadlines and regulations appear in the UHD Catalog and the online Academic Calendar.

Emergency Book Loans
Book loans are available to aid in the process of purchasing books and supplies in the beginning of the semester. The terms of the book loan include a $5 nonrefundable service charge and a 5% simple interest rate. Book loans are available online and must be requested prior to the reporting day for the semester. To qualify for a book loan, you must meet the following conditions.

- Account must be in good financial standing, account cannot be on financial suspension,
- Must be registered in at least half-time enrollment for the current semester
- Cannot have received a refund for the current semester greater than $300.

Book loans are $500 and can only be used at the campus bookstore (on-site and online). Once executed, the book loan cannot be cancelled. If the full amount of the book loan is not used, an adjustment will be made to the student account to reflect the actual amount used. Any credit for returned books will be reflected on the student’s account and will be applied to any outstanding balance for the current semester. Emergency book loans are only offered during Fall and Spring semesters and repayment of the loan will be due as outlined in the Academic Calendar. The book loan must be repaid before registration for future semesters will be allowed.

Emergency Deferment Plans
UHD offers an emergency deferment payment option to students who are unable to make the required tuition payment by the due date. The Emergency Deferment Plan is available online to Texas Residents and Short-Term Deferment is available to International and Non-Resident students who are not on financial suspension.

This payment option is not offered in the Winter/ May mini terms. Emergency deferments plans are only given for the first payment of an installment plan and have a 5% interest rate. This payment option can only be executed once per semester and cannot be altered once it has been requested. Any additional charges incurred after this payment option has been selected, are due immediately. There is a $24 installment plan setup fee, which is included in the Emergency Deferment Plan. Repayment dates for Emergency Deferment Plans are outlined in the Academic Calendar. Emergency Deferment Plans must be repaid before registration for future semesters will be allowed.

Fees
In addition to tuition, all students at UHD are subject to mandatory fees which include the following:
• **Advising Fee** – Used to support important new joint initiatives from Academic Affairs and Student Services and Enrollment Management geared toward significantly strengthening student advising at UHD.

• **Center Fee** – Funds the following: O’Kane Gallery, Information Center, Student ID’s.

• **Computer Use Fee** – Used to support on campus, remote, and cloud-based technology services.

• **Extended Access & Support Fee** – Funds are used to support on-line instruction, Face to Face and Interactive TV instruction at remote sites, and the Blackboard Vista course management system.

• **International Education Fee** – State mandated charge on all students to create scholarships for Texas students traveling (studying) abroad.

• **Lab Fee/Course Fee** – Charges to offset the additional costs of conducting certain classes (mostly materials & equipment).

• **Library Fee** – Supports the UHD library.

• **Records Office Fee** – Provides unlimited electronic transcripts requests and adds/drops.

• **Student Service Fee** – Funds many university departments and services/activities. Some of the major recipients of funds are as follows: Financial Aid, Student Activities, Student Health Services, Counseling Center, Enrollment Services, Program Council, Placement Center, SGA, and Dean of Students.

• **Wellness & Success Center Fee** – Used for the purpose of financing, constructing, operating, maintaining, improving, and equipping a wellness and success center and for operating student wellness programs.

Some courses and services also require additional fees as outlined in the UHD Catalog.

Additionally, the University of Houston System charges a processing fee on all credit card transactions. The processing fee is assessed on all credit card brands. The processing fee imposed is not greater than the University’s applicable merchant discount rate for credit card transactions. The credit card processing fee is assessed to Credit Cards, Debit Cards, Gift Cards, Prepaid Cards, and Check Cards. This fee is assessed on all credit card transactions that occur online or in person at the Cashier’s Office.

**Financial Responsibility**
As a condition of your enrollment with the University, you are expected to monitor your account and pay your tuition and fees by the deadlines outlined in the Academic Calendar. Additionally,
students are required to complete an electronic Financial Responsibility Agreement each semester upon registration. This statement outlines the terms and conditions of the financial responsibilities and obligations associated with attending the university. Students are required to meet all financial responsibilities to the university. An outstanding debt at any university within the University of Houston System (UH, UH-Clear Lake, UHD or UH-Victoria) will prohibit a student from enrolling in or the release of an official transcript or diploma from all University of Houston System Institutions.

**Payment Agreements**
Establishing a payment agreement with the University does not satisfy the conditions necessary to receive credit for courses completed or for the release of an official transcript or diploma. All debts and financial holds must be rectified in full before an official transcript/diploma may be released or future term enrollment granted at any UHS Institution.

**Returned Checks**
Students who write checks to the university on accounts with insufficient funds or accounts with invalid banking information are assessed a $20 service charge for each such check, regardless of the amount, and may be referred to law enforcement authorities and/or credit bureaus. If a check is returned because of bank error, the student must contact their bank for reimbursement of the $20 returned check charge paid to the university.

If such a check is presented in payment of tuition and fees, the payment will be reversed from the student account and the student will be subject to all applicable late fees and drop dates. Failure to make a valid payment by the drop date may result in loss of registration and a reinstatement charge may be required before reenrollment is approved.

**Financial Hold Removal**
It is the student’s responsibility to monitor their account and to ensure that all debts are paid to the University of Houston System. Students must contact the UHD Cashier’s Office or the department the debt was owed to for request of financial hold removal after payment has been submitted. Students must clear financial holds with all University of Houston System Institutions before credit can be granted for coursework completed and an official transcript or diploma released. There is a minimum 15-day hold on all personal check/electronic check payments which will prevent the release of an official transcript/diploma. Cross-campus financial hold removal can take 2-24 hours to be updated across all UH System Campuses.

**Collections**
A student who does not meet financial responsibilities to the University may be subject to withdrawal from classes and may be referred to an outside collection agency. Once an account is referred to a collection agency, the student is responsible for payment of additional collection costs and/or any impact to the consumer credit report.

**Collection Fees** - Collection Agency Fees, not to exceed 30% of the principal balance, will be assessed on the unpaid balance of the account, after internal collection efforts have failed to result in the full payment. The student agrees to reimburse the university the fees of any
collection agency, and expenses, including reasonable attorney’s fees, the university incurs in such collection efforts.

**Electronic Signature**

To increase the efficiency of transactions that require authorization, the University of Houston-Downtown may require that members of the University community use electronic signatures to conduct certain transactions that previously required handwritten signatures and approvals on paper documents. To the fullest extent permitted by law, the University accepts e-signatures as legally binding and equivalent to handwritten signatures to signify an agreement. Accepting terms of an agreement constitutes an electronic signature. By executing a payment, installment plan/emergency/book loan online, the student is agreeing with an e-signature to accept all economic responsibility associated with enrollment.

**Method of Payment**

You may select one of the following methods of payment of tuition and mandatory fees (fees will vary with number of hours) for each fall or spring semester:

- Full payment of all tuition and mandatory fees prior to the beginning of the semester; or
- Payment by Installment Plan: Installment payments may be made online through myUHD2.0.

If you have an installment plan and receive financial aid, full payment of the installment plan for the semester in which you are enrolled will be deducted before any refund will be processed. A delinquent fee of $10 per installment will be charged if you are late in making your payment.

Withdrawal from the University, for whatever reason, will not cancel the obligation to pay the full amount of the installment payment promissory note. If your withdrawal is after the 100% refund period, you may still owe a balance on your installment loan. Students must check their balance AFTER withdrawal has been processed to verify if there is any remaining balance and to ensure the account is in good financial standing. All refunds of tuition and fees will be applied first to the installment note balance. Any remaining refund will be processed in the way the student selected via the BankMobile account, with exception of credit card payments which will be credited back to the credit card originally used.

Any student who has elected to pay tuition and fees by installment, and who is delinquent in making payment, is barred from attending any institution in the University of Houston System until full payment, including delinquent charges, has been made. Students in default or who have any outstanding account balance will also be withheld credit for completed courses including request of official transcript or diploma. An additional default fee of $50 is collected from any student who fails to make payment in full by the end of the semester.

You may use your VISA, MasterCard, American Express, Discover Card or checking account to pay online. You may pay in full or by installments online. Payments may also be made in person, by mail or deposited in the drop box located by the Cashier’s Office, S310, after closing. The
office is open Monday through Thursday from 8 a.m. to 6 p.m. and on Fridays from 8 a.m. to 5 p.m. All checks must include your student identification number and state-driver’s-license number of the person signing the check on the face of the check. If you mail your payment, it must be received by the payment deadline dates as outlined in the Academic Calendar to avoid having your classes dropped. The university does not receive mail on Saturdays so mail must be received by Friday when the deadline falls on a Saturday. The University of Houston System charges a processing fee on all credit card transactions. The processing fee is assessed on all credit card brands. The processing fee imposed is not greater than the University’s applicable merchant discount rate for credit card transactions.

Refunds
All refunds for schedule changes and withdrawals are made in accordance with the following rules and regulations:

Complete Withdrawal (Processed after the Official Day of Record listed in Academic Calendar) Students who officially withdraw from all university courses may be eligible for a refund of tuition and mandatory fees. Please refer to the current academic calendar for the refund schedule. Students who are withdrawing and who have received financial aid should consult the Office of Scholarships and Financial Aid.

Partial Withdrawal (Processed after the Official Day of Record listed in Academic Calendar) Students who officially drop some but not all their courses by the Official Day of Record for the term are eligible for a 100% refund of tuition and fees for the dropped classes. After this period there is no refund for partial withdrawals. Students who are withdrawing and who have received financial aid should consult the Office of Scholarships and Financial Aid.

It is the student’s responsibility to monitor their account to ensure that all financial obligations/debts have been rectified upon withdrawal from the university. Inquiries regarding the process for returning a parking permit should be directed to the UHD Parking and Transportation Services Department. A refund may not be issued to a student who has not met all financial obligations, including full payment of installment balances. If a student received financial aid, the refund may be credited to the appropriate financial aid account. The Academic Calendar provides specific dates and deadlines.

UHD has partnered with BankMobile to deliver refunds and offer you smarter ways to manage your money. Refunds will be dispersed through BankMobile in the manner you have selected (Same Business Day, Deposit to Another Account, or Paper Check). Students must activate their BankMobile account upon receipt of their activation code or Refund Selection Kit and select a refund preference. Activation and refund preference selection can be completed online at www.refundselection.com. To ensure you receive your Refund Selection Kit, please verify your mailing address through myUHD2.0. Refunds for students who receive financial aid must be reviewed by the Office of Scholarships and Financial Aid to determine if the refund must be returned to a financial aid program. Students who pay by credit card will receive a refund on the credit card used in the original transaction, regardless of the order or type of payment(s). Please allow 7-10 business days for your refund to be processed.
Residency Status for Tuition Purposes
Residency status is determined in accordance with Rules and Regulations for Determining Residency Status, published by the Texas Higher Education Coordinating Board and pursuant to Title 3, Texas Education Code. Applicants provide residency information in the Application for Admission.

If the information provided is insufficient, UHD will classify the applicant as non-resident and request additional information. As a UHD student, you must establish both Texas residency and US residency to pay in-state tuition. If the student has been classified as a nonresident, the student may be required to show proof of either Texas or US residency, or both.

If you are a first-time student at UHD or it is your first semester as a transfer student, you must contact the Registrar’s Office at 713-221-8999 or send an email to residency@uhd.edu to request a change in residency status along with all supporting documentation.

If you have established any academic history at UHD, you must request a residency reclassification form and provide all supporting documentation to the Registrar’s Office. You can contact their office at 713-221-8999 or send an email to residency@uhd.edu.

The burden of proof lies with the applicant that the residency requirements have been met for UHD to consider reclassification. Residency appeals must be submitted with all appropriate documentation by the Official Day of Record of the current semester. See University Academic Calendar for dates.

Tuition Rates
Tuition rates are determined by the Texas State Legislature and the University of Houston-System Board of Regents and are charged to students as authorized by Chapter 54 of the Texas Education Code.

Important Information Regarding Your Cost of Higher Education
Like all public universities in Texas, UHD is funded by the state of Texas. Funds generated from tuition and fees cover only a portion of the cost of instruction at the university, while most of the funding comes from state itself according to rules established by the Texas legislature. Because of its role in funding universities, over the years the State has grown more interested in encouraging students to complete their degrees as quickly as possible. To accomplish this, they have imposed restrictions on the funding they are willing to provide universities.

Some of you have already been affected by some of these restrictions, such as the third repeat rule, excessive developmental hours rule and courses taken by any student who attempt more than 45 hours over those required by their degree plans. Any course(s) that do not meet these restrictions will be charged at an increased tuition rate per credit hour, up to or equivalent to the rate charged to non-resident and international students.
Scholarships and Financial Aid
A variety of state and federal grants, loans, and scholarships are available to help you with educational expenses through the Office of Scholarships and Financial Aid. Most of these programs are available to anyone who is enrolled at least on a half-time basis, has satisfactory academic progress, and demonstrates financial need. Most financial aid requires submission of the Free Application for Federal Student Aid (FAFSA) or Texas Application for Student Financial Aid (TASFA) for undocumented students. To apply for financial aid or to receive more specific information about aid opportunities, contact the Office of Scholarships and Financial Aid, OMB S350, 713-221-8041 or visit our web site at www.uhd.edu/financial.

For your free FAFSA application, you can go to www.fafsa.ed.gov. TASFA applications are available online at www.CollegeforallTexans.com or visit the forms page on the financial aid website.

This web site provides a variety of videos, forms, guides, and links to help you prepare.

Situational awareness and sharing information are important tools in all phases of emergency management. UHD uses many methods to notify the campus community of emergency situations. In the event of an emergency, the University of Houston-Downtown will notify the campus via a combination of emails, text messages, and digital displays. Notifications for public viewing will be published to the UHD Home Page, UHD Facebook, UHD Twitter and UHD Alerts on Twitter.

**Library**

*5th Floor, 713-221-8187*

[www.uhd.edu/library](http://www.uhd.edu/library)

The W. I. Dykes Library occupies the north portion of the fourth floor and the entire fifth floor of the One Main Building and may be entered from the Main Street elevators or stairs. The library’s fourth floor computer lab provides 84 computers with internet access, research databases, and software applications. In addition to the computer lab, fourth floor study spaces include twelve group study rooms, two presentation practice rooms, a One Button Studio simplified video recording room, and a large reading room where students can study or relax between classes. The reading room and some study rooms are accessible during One Main Building hours. Two library instruction classrooms, an event room, and a meditation room are also located on the fourth floor. The fifth floor houses the library’s physical collection and is furnished with comfortable seating and study carrels.

The library has holdings and access to more than 750,000 electronic and print books, subscriptions to more than 200 unique databases, and access to numerous digital journals and digital AV items. It also has a collection of several physical multimedia items that are available for checkout or for listening and/or viewing in the library. The Texas Education Collection is also housed in the library and includes teacher editions of select Texas state-adopted textbooks for K-12. This collection is supplemented by holdings of juvenile books. To enable convenient access for UHD’s commuter student body, preference is given toward purchase of electronic materials.
The library website is frequently updated and designed to serve as a gateway for navigating library resources. The library home page offers multiple approaches for research queries, including One Search, which allows easy searching across library holdings, most University of Houston central campus libraries, and the University of Houston - Clear Lake library. Research guides created by subject librarians, the library’s electronic course reserves system, and information about library services and updates may also be found on the library website. Library information may be followed through Facebook, Twitter, Instagram, YouTube and TikTok links on the library homepage.

Students can connect to electronic resources from any location with their UHD username and password. Access to the library website’s electronic resources from a home computer, wireless locations or from UHD computer labs supports research 24 hours a day. The full text of journal and newspaper articles in electronic form can be found by using the library’s databases, which include ABI/Inform Collection, Academic Search Complete, ACM Digital Library, Black Studies Center, Business Source Complete, JSTOR, Nexis Uni, ProQuest Databases, APA PsycINFO, New York Times, Wall Street Journal, and Westlaw. Many additional electronic resources for finding citations, or information about a topic can be accessed through the library’s website, including the databases Web of Science, Kanopy, and Films on Demand. Search results from the library’s electronic holdings can be printed, saved to a flash drive, or emailed. Print books from other UH system libraries may be requested electronically through the Request link in OneSearch. If the W. I. Dykes Library does not own a book or journal article needed by a student, then a loan request may be submitted online through the library’s Interlibrary Loan system and the ILL Department will make every effort to borrow the material from another library within the nation-wide ILL network. ILL is primarily a free service. If there will be a charge, permission will be requested beforehand. The ILL Department also provides services for UHD off-campus students and faculty who would like to have materials from the W. I. Dykes Library collections delivered to them at the site where they have classes.

Reference librarians at the Information Desk offer in-person or telephone assistance in utilizing library resources. Reference help is also available through the library’s “Ask a Librarian” 24/7 online chat, email service, texting, research consultation appointments and a repository of previously asked questions and answers. UHD librarians also collaborate with faculty to provide library and course-related instruction, including face-to-face sessions and customized course-integrated learning activities.

Scanner stations are located on both floors of the library. Two computer workstations are reserved for visually impaired students. Anyone with special physical or communication needs may ask for assistance from any library service desk or contact the library to schedule an appointment for special services. A UHD identification card is used to check out materials and study rooms. The library is open seven days a week during fall and spring terms and Monday through Saturday during summer sessions. Check with the library website for intersession and holiday hours. For reference questions call 713-221-8187; for circulation information call 713-221-8186.

Students may take the laptop any place on campus, but laptops, cases and chargers must be returned to the same check-out location. Wireless printing is available for students. **Supplemental Instruction**  
**S405, 713-222-5338**  
[www.uhd.edu/si](http://www.uhd.edu/si)

Supplemental Instruction (SI) offers regularly scheduled, out-of-class review sessions to all students enrolled in historically difficult courses. SI study sessions consist of informal study groups in which students review notes, discuss readings, develop organizational tools, and prepare for examinations. Students learn how to integrate course content with reasoning and study skills.

The SI sessions are facilitated by “SI Leaders,” students who have successfully completed the targeted course. SI Leaders attend all class lectures, take notes, and function as model students for their classmates*. SI at UHD provides in-class and out-of-class academic support for core curriculum courses that have high failure and withdrawal rates. During class lectures, SI Leaders not only help with assignments or assist in facilitating course-related activities, but also take notes so that they will be able to plan their study sessions and exam reviews effectively. Outside of class, SI Leaders conduct free, weekly, peer-facilitated collaborative study sessions and exam reviews based on the content and pace of their assigned course section. UHD SI Leaders are trained in the classic SI model. SI also provides and fosters a learning community in which students can socialize and engage in academic pursuits simultaneously. This “educational socializing” occurs in our study rooms, located in the Learning Connection, room S405. The SI approach of targeting content rather than students tends to minimize negative perceptions many students associate with seeking academic help. Students can learn more about SI study sessions at uhd.edu/si

Gator LGBTQ Ally Team

www.uhd.edu/administration/title-ix-equity-diversity/csdei/Pages/safe-overview.aspx
The Gator LGBTQ Ally Team was established in 2010 as the UHD Safe Zone Program to provide support for LGBTQ students, faculty, and staff on campus. More recently, and in response to national socio-political attitudes and developments, the Safe Zone Program has been renamed the Gator LGBTQ Ally Team and has broadened its mission to provide support for any members of the campus community who are experiencing harassment, discrimination, and marginalization in any form. To create a more comfortable campus environment for all students, UHD faculty and staff Gator Allies provide any students who are feeling harassed, discriminated against, or otherwise marginalized a network of individuals who are empathetic and informed regarding the struggles our students are facing.

To increase the visibility of these empathetic individuals, members of the UHD Safe Zone Advisory Board in 2010 created the Safe Zone Program to provide resources (posters, buttons, stickers, etc.) to faculty and staff allies who have been trained and who are willing to provide confidential support and information to students. The purpose of the Gator LGBTQ Ally Team at UHD is threefold: one, to provide support to marginalized students, and particularly LGBTQ students and their allies; two, to confront ignorance, hatred, and apathy related to harassment, discrimination, and marginalization of all kinds; and three, to provide a safe environment to those students, faculty and staff who are struggling due to marginalization. It is our hope that the Gator LGBTQ Ally Team can encourage UHD to be a more supportive, welcoming, and inclusive campus for all.

Physical Education: PHED 2101 Health and Fitness for Life
The Department of Urban Education offers a physical education course, PHED 2101: Health and Fitness for Life, which requires students to participate in fitness class offerings in Sports and Fitness as part of the physical component of the class. The course focuses on health-related behaviors and strategies for enhancing wellness throughout the life span. There is no prerequisite for the class which is considered a one credit elective applicable to most degree plans.

The course is recommended for those students who plan to take state-mandated teacher certification examinations. It is also recommended for students who wish to examine and experience the benefits of leading a healthy lifestyle.

Regulations for Using Academic Computing Facilities and Resources

The primary function of the Department of Academic Computing is to provide computing resources and user support for instructional activities at the UHD. All users of academic computing facilities and resources are subject to the following regulations: UHD students, faculty and staff are eligible to use academic computing facilities and resources.

- Lab users are expected to conduct themselves in a responsible and courteous manner while in the Academic Computing Lab.

- Computing accounts are for use only by the person to whom the account has been issued by authorized computing personnel. A user may not disclose his/her password or allow other users to access his/her account.

- Computers and resources in academic computing facilities are to be used for university-related purposes. They are not to be used for business or other profit-producing endeavors or for recreational purposes. Games are prohibited on all Academic Computing resources. This restriction does not apply to games and simulations used in conjunction with academic courses or research.

- Compromising the security of any computer or network or using University computing resources to engage in any illegal activity is prohibited.

- Each user is fully responsible for the activity of any account that has been assigned to him/her. If a user suspects that another user has accessed his/her account, Manager of IT Lab Services should be notified immediately.

- Any changes to student accounts or access to any system must be requested by the respective faculty member.

- Users may not write, use, or have possession of programs that may be used to intimidate, harass, create an offensive environment for or invade the privacy of other users.

- Users shall not represent themselves electronically as others.

- Users shall not obstruct or disrupt the use of any computing system or network by another person or entity either on the UHD campus or elsewhere.

- Users shall not, by any means, attempt to infiltrate a computing system or network either on the UHD campus or elsewhere.
• All users of UHD’s external network connections shall comply with the evolving “Acceptable Use” policies established by the external networks’ governing bodies.

• Copies of policies relating to commonly accessed external networks will be made available in the Academic Computing Lab.

• Copying of copyrighted software is illegal and is prohibited in the Academic Computing facilities or elsewhere on campus.

• The UHD forbids, under any circumstances, the unauthorized reproduction of software or use of illegally obtained software. Using University equipment to make illegal copies of software is prohibited.

• Lab users may bring licensed personal copies of software into the Academic Computing facilities but may not install software on any computer or network or alter any existing software. Proof of ownership may be requested of users who bring software into the facilities.

• Users should not attempt to repair any malfunctioning equipment or software but should report any such occurrences to academic computing personnel.

• Smoking, eating, or drinking is not permitted in academic computing facilities.

• Reservations for general lab use are not normally required; however, a temporary reservation system will be adopted as needed.

• Although Academic Computing will make efforts to provide a safe and problem-free computing environment, in no event will the University or the Department of Academic Computing be liable for loss of data, inconvenience, or other tangible or perceived damage resulting from or relating to system failures, viruses, user negligence, or other occurrences.

• Academic Computing reserves the right to amend these regulations at any time giving seven days’ notice before the amendments are to take effect. Notice will consist of an announcement displayed as part of the system login procedure on the systems for which user accounts are assigned, posting of an announcement at the front desk of the Academic Computing Lab, and notification of the Academic Computing Committee and the Student Government Association. Use of Academic Computing resources after the effective date of the modified regulations constitutes acknowledgement of the new regulations.

• Use of academic computing accounts and resources in violation of these regulations, UHD policy, or any federal, state, or local laws may result in revocation of the individual’s account privileges or suspension of access to computing resources and may subject the account holder to University disciplinary action and/or criminal prosecution.

Anti-Spam Policy
What is this all about?
Information Technology at the University of Houston-Downtown has implemented a spam filtering tool to reduce the escalating number of spam e-mail messages we are all getting. Spam e-mail is a worldwide problem; and according to Microsoft, spam e-mail accounts for more than half of all e-mail traffic in the world.

How will it impact me?
You will receive alerts regarding e-mail spam messages in a “daily” digest.

DIGEST – The digest is one single e-mail message delivered to your Inbox from “UHD_Spam_Report” which contains a summary of spam messages sent to you since the last digest. It is delivered to your inbox four times daily – 6am, 11am, 3pm and 8pm, only if you have spam messages. Each digest will include a summary of spam messages (you will only see the subject and sender’s e-mail in the digest. The actual message will be quarantined/saved on the server.
If you want to release any of the quarantined messages in the digest, simply click on the message ID and a reply e-mail will come up. Click send and the message will be released from the server and arrive in your Inbox within 2 minutes.

If you receive a digest that contains several messages and you want to release all of them, you can just reply to the digest message and all messages in that digest will be delivered to your Inbox within 2 minutes. This way you will not have to click on each individual message ID.

Quarantined messages saved on the server will only be available for retrieval for 30 days and cannot be retrieved after 30 days.

NOTE: Releasing an e-mail from the server will not prevent further e-mail sent by that sender from being quarantined in the future.

GatorMail Guidelines
Use of e-mail services is governed by existing policies as described in UHD Policy Statements: Academic Honesty, Regulations for Using Academic Computing Facilities and Resources, Student Rights and Responsibilities.

• Students should check their e-mail on a frequent and consistent basis to stay current with university-related communications. Students must recognize that certain communications may be time critical.

• To ensure the availability of e-mail service for educational purposes, the university limits the amount of storage space allocated for each student’s e-mail account. Once this limit is reached, the student must delete existing messages. The university is not responsible for e-mail messages that are not delivered to the student’s account if the student’s e-mail account has exceeded its size limit.

• Students should exercise caution in using e-mail to communicate confidential or sensitive matters and should not assume that e-mail is private and confidential.

• All messages and files that exist at the time an account is terminated will be deleted and cannot be recovered.

• Use of student email is restricted to sending and receiving messages consistent with academic and scholarly activities. Students must properly identify themselves as originators of email messages, and refrain from using email for any purpose that is not consistent with the policies regarding the conduct of students at UHD.

• Students are responsible for the activity of any account that has been assigned to him or her. If a student suspects that another person has accessed his or her account, the Manager of IT Lab Services should be notified immediately.
• Students should use restraint and observe the rules of “netiquette” in e-mail communications. What is Netiquette? Simply stated, it is network etiquette -- that is, the etiquette of cyberspace.

• And “etiquette” means “the forms required by good breeding or prescribed by authority to be required in social or official life.” In other words, Netiquette is a set of rules for behaving properly online.

• Students shall not send messages or postings that may be used to intimidate, harass, create an offensive atmosphere, or that could be construed as abusive or offensive.

• Students shall not send messages or postings for commercial or personal gain.

• Students should not propagate chain letters (e.g., any communication which requests or demands the recipient forward the message to one or more individuals) or send the same message to multiple groups.

• Students shall not attempt to perform mass mailings to the entire campus (or a large subset of the campus).

• Students shall not deliberately alter or attempt to conceal their identity, return mail address, or the origination location of the message.

• Students shall not deliberately set forth to interfere with the reception of e-mail by an individual.

• Student e-mail should not be used for any unlawful activity.

• Students shall not deliberately set forth to intercept or receive, and/or view another individual’s e-mail without that user’s consent.

• Students shall respect the laws governing the use of copyrighted, intellectual property, which includes computer software.

• Students shall not commit acts associated with denying, interfering with, or disrupting service of UHD’s e-mail service or that of any other agency.

• E-mail services are not to be used for any type of harassment of an individual or organization.

• UHD assigns student e-mail accounts as a means of communication between faculty, staff, and students. The use of e-mail services should be for legitimate educational purposes. The Office of Student Affairs governs access to student e-mail services.
Student Right-to-Know and Campus Security Act
In accordance with the amendments to the Higher Education Act of 1965, known as the Student Right-to-Know and Campus Security Act, information regarding graduation rates may be found in the Enrollment Services.

Information on crime statistics may be found in the Campus Police Office, on the Campus Police website at www.uhd.edu/policedepartment/Pages/pd-Crimestatistics.aspx, the Parking Office, posted on bulletin boards, and printed in the student newspaper.

Immunization
A healthy student is a more productive and happier student. Certain serious illnesses can be prevented with adequate immunizations. It is important that your immunizations are current. The American College Health Association, the State of Texas, and the UHD recommend that you be fully immunized prior to entering the University.

- **Influenza**: (“Flu”). Influenza is a viral infection, typically resulting in mild to severe symptoms that last two to seven days with a persistent cough that may last over two weeks.

- **Influenza** can result in more severe complications including viral pneumonia, secondary bacterial pneumonia, sinus infections, and worsening of previous health problems such as asthma or heart failure. Annual vaccinations are recommended for everyone age 6 months or older.

- **Measles**: (Rubeola, “Red” Measles, “10-Day” Measles). Measles is a highly contagious viral disease. There has been a marked increase in measles outbreaks in the past few years. In Texas in 1989, measles outbreaks occurred on the campuses of 26 institutions of higher learning. From September 1988 through October 1990, there were eleven deaths from measles infection.

- **You could miss up to two weeks of school and would have to be placed in isolation.** You should have two doses of live measles vaccine after 15 months of age. This vaccine can be administered in a combined vaccine with Mumps and Rubella.

- **Meningococcal Disease**: (Meningococcemia, Meningitis). Meningococcal disease refers to any illness caused by bacteria called Neisseria meningitidis, also known as meningococcus. These illnesses are often severe and can be deadly. Between January 2013 through May 2018, a total of ten university outbreaks were reported in seven states, resulting in 39 cases and two deaths. Vaccination should occur between ages 11 to 12, with a booster dose at age 16.
• **Mumps**: Mumps is a viral infection that causes painful swelling of the salivary glands. Mumps may produce serious complications including deafness, encephalitis, and rarely, sterility. One dose should be received after 12 months of age.

• **Rubella**: (“Three-Day Measles,” “German Measles”). Rubella is a viral infection, which usually causes flu-like symptoms, swollen lymph nodes, and a rash. Rubella in a pregnancy can cause serious birth defects in the baby. One dose should be received after 12 months of age.

• **Tetanus-Diphtheria**: These vaccines, to prevent two serious bacterial infections, are usually given together. After the initial series of three or more vaccinations, boosters should be received every 10 years. Either of these preventable infections can cause serious illness and even death. **Poliomyelitis**: In the United States, polio immunization is not routinely for persons 18 years of age or older. If travel outside the United States is planned, a physician should be consulted for specific recommendations.

For more information on immunizations, contact your physician, public health clinic, or UHD Student Health Services, OMB S445, 713-221-8137 www.uhd.edu/health.
