2023-2024 Identity and Statement of Educational Purpose
(To Be Signed in the Presence of a Notary)

The U.S. Department of Education has implemented regulations that require certain applicants to submit a Statement of Educational Purpose and a copy of a valid government issued photo identification for the 2023-2024 school year.

If the student is unable to appear in person at UHD to verify his or her identity, the student must provide to the institution:

- a. A copy of the unexpired valid government-issued photo identification (ID) that is acknowledged in the notary statement below, or that is presented to a notary, such as, but not limited to, a driver's license, other state-issued ID, or passport; and
- b. The original Statement of Educational Purpose provided below, which must be notarized. If the notary statement appears on a separate page than the Statement of Educational Purpose, there must be a clear indication that the Statement of Educational Purpose was the document notarized.

I certify that I, _____, am the individual signing this Statement of Educational Purpose and that the Federal student financial assistance I may receive will only be used for educational purposes and to pay the cost of attending the **University of Houston Downtown** for 2023-2024.
