

Course Audit

Auditing a course provides students an option to enroll and participate in a course on a noncredit basis. Students must follow all admission and registration policies when requesting to audit a course.

Students can only audit a course if there are seats available. Registration for audited courses will occur during the late-registration period; registration preference is given to students who are enrolling in course for a grade that awards credit.

SENIOR CITIZEN OPTIONAL BENEFIT

In accordance with Texas Statute 54.365, senior citizens aged 65 or older may qualify for a tuition waiver for up to six credit hours if auditing but will still be responsible for fees associated with the course. Students auditing classes requesting the tuition waiver cannot occupy the last available seat in the course.

Are you applying for the Senior Citizen Optional Benefit? Yes No
If Yes, please confirm the following:

I understand that the Senior Citizen Optional Benefit tuition waiver will be applied to my account after the late registration period has ended.

I understand the Senior Citizen Optional Benefit tuition waiver only covers the cost of tuition and I will be responsible for any associated fees.

STUDENT CONFIRMATION

Please confirm the following:

I understand that once enrolled, if I choose to change the course status from audit to credit, I must do so by the Official Day of Record for the course.

I understand that auditing a course means I will not earn college credit; audited courses do not count towards graduation.

I understand that at the end of the course, I will receive an "AU" on my transcript.
