

Council of Finance Hearing
Date: February 22, 2019
10:00 am to 10:30 pm
Student Lounge, S204L

Hearing Time: 10:00 am
Organization: American Marketing Association

Please arrive on time and tell the front desk in Student Activities that you are here for the Council of Finance. Please have a seat outside of S204L until you are called in. You will have 5 minutes to present your funding proposal and then the Council of Finance will allot 10 minutes for any questions that the representatives or Council members may have.

- **Arriving late without informing the Council beforehand (or messaging at the late minute before the hearing) communicates that the organization did not plan to have a representative present; therefore, we will continue with the proposal as scheduled. The Council will wait five minutes before moving onto reviewing the proposal.**

- The preparer of the funding proposal is encouraged and preferred to attend the Hearing. We would allow up to two representatives from each organization scheduled for a hearing, for the sake of time. If you plan to have representatives, please respond to this e-mail.
